Greetings, congratulations Joseph-Robinette, et al.;

:i- man :darrell-james: Hill, -:Negro, -:civilian, -:Ohioan, -:beneficiary; -:Executor, pray :you are well, and possess and adhere-to righteous-counsel.

:i- man am full of years, of :stable-mental-capacity, have first-hand knowledge of :all of the matters addressed herein, and will state same onto the record in the open-court.

1) :i- man empirically know the past :president-office- man-actors, et al., as thieves condoning the thefts of the :private- property- claimed and possessed by :i- man.

Why write to :you?

2) :i- man write :you-man, et al- man-actor- POTUS now for: to determine whether :you-man-actors are :honorable, to determine whether :i- man must now-proceed upon the :present-POTUS-office- man-actor- status of :Dishonor[3].

3) As :i- man stand ready to resolve this matter, you **must** respond quickly, for hereafter :i-man must assign the status of :Dishonor -:onto the office of the POTUS, which you now are under oath, duty and obligation anew ~ :January 20th,2021 A.D.

4) :you- man -Joseph-Robinette, et al., inherited the 2017 A.D. - formal- :dishonor :upon the previous- man- actor-Trustees :in-office, specifically, :man-actor- Donald-John: Trump, et al.- Barack-Hussein: Obama, et seq.- man-actors -Loretta: Lynch, -:U.S. Atty General/common-law-Trustee, et al.- unto William-Pelham: Barr, who severally and together -in :Trustee-dereliction are responsible for the condoned crime in the theft of the private-property- claimed, possessed and owned by :i- man- beneficiary.

a) The :Property theft :in-violation of all-Law exceeds the jurisdiction of the office.

b) The man-actors- Trustees presently :in-office do now administer-agreements implementing harms upon :i- man- beneficiary.

c) The ':voidance of benefit'- scam/policy and/or theft enduring at this autographing daily damages :i- man- beneficiary.

5) This 'voidance of benefit'- scam is overt theft and overt-damage upon :i- man forcing absolute-dereliction unto :i- man's death, which-ever is later. This is cruel Trustee-dereliction which now daily harms :i- man while with :remedy acquiesced-to, stipulated to and agreed-upon in the covenant-agreements.

Action required- :i- man wish all of the property restored now, none else.

Re: Return of Documents Submitted

Mr. Hill:

The Clerk of the Superior Court in Maricopa County, hereinafter referred to as "Clerk's Office," received the enclosed documents and after a cursory review of the documents, the documents are being returned because it does not appear that the documents relate to any matter before the Maricopa County Superior Court, nor do they relate to any matter or issue that involves the Clerk's Office.

The Clerk's Office functions as the official record-keeper for documents related to a case or matter before the Superior Court. If these enclosed documents are meant to be pleadings to be submitted into a specific case before the Court, the documents would need to conform with applicable rules of procedure, including state and local rules of procedure, for the filing of documents into a case. Depending on the case type, different rules apply. These documents do not conform with any of those rules.

RE: (1) Class member is a Social Security Administration (SSA) NON-volunteer; claimant rescinded the SSA system association in since 2006 in accordance with applicable law and regulations (See RG2 Claims correspondences #1 and #2 attached;
(2) See the "Affidavit of Citizenship, Domicile and Tax Status" within RG2 correspondence #2

My name is Darrell James, Hill; I am a class member, Claimant ID#: AZA000000930, within the JOHNSON, ET AL. V. ARIZONA HOSPITAL & HEALTHCARE ASSOCIATION, ET AL. UNITED STATES DISTRICT COURT CASE NO. 07-CV-1292-SRB (D. Az.).

This is my first correspondence on this small matter. I sent RG2 claims two withholding restrictions letters; the first was a demand in December 2011 to which RG2 Claims did not respond; and, the second letter was my stated position in support in June 2012. This notice is to dispel all presumptions about my citizenship, tax and domicile status with regard to any potential unauthorized actions by RG2 in its statutory role as a "withholding agent" for the United States.

The Social Security Administration (SSA)

I am a SSA NON-volunteer. I rescinded the SSA system application under the assigned name DARRELL JAMES HILL in 2006. This was done in accordance with law and regulations. I, and my wife, each rescinded our SSA account relationship in 2006 under current law and regulations (and as matter of public record). Identically, we no longer use the SSA system; all past years of contributions into the SSA system, and any distributions possible from the SSA system, were forfeited to the SSA system in 2006. Subsequently,

I am not a fiduciary for the strawman person;
I am not fiduciary for the SSA account/number;
I claim no current association with the SSA system;
I receive no benefits from the SSA system;
I am not eligible to receive benefits from the SSA system;
I have no application filed or pending for acceptance into the SSA system; and,
I hereby specifically deny any authority for any initiation or re-initialization of any SSA system application or association in any form on my behalf or in my regard.

In federal statutory terminology my status is "**nonresident alien NON-individual**" **not engaged** in "**trade or business**" **in the United States.** (Please refer to the documents received by RG2 Claims clarifying my status, **"Affidavit of Citizenship, Domicile and Tax Status"**).

My Proper Name

Concordantly, **"Darrell James, Hill" is my proper name** (properly in upper and lower case). Henceforth, I demand that all references to me must forevermore by any means and every form strictly to refer to me as Darrell James, Hill, the human being:

(a) Be it known that any present and future reference to me shall be so construed;

(b) Be it known that I am not a fiduciary for an individual, fictitious person, or other such entity.

RG2 Claims

Though I had contacted RG2 Claims (twice to date) less formally regarding my status, to state my demand, and to forbear any presumptions about my status concerning any proceeds due to me, there was no response to me from them; thus, the second correspondence.

I wrote and sent certified first a demand letter, and second an affidavit to clarify my status and preferences to RG2 Claims (see copies attached, Enclosures 1 and 2). In short, the first correspondence determined to RG2 Claims that I rescinded the SSA account and number association, and, consequently, I prohibited them to withhold any amounts payable to any taxation agency, or any other agency; that, I will manage for my self all tax matters and any other controversy that arises, if any.

That, in such a case wherein RG2 pursues by any means to disregard my demand and to redirect any amounts due to me then thereby RG2 agrees to reimburse me immediately for their act(s), and to seek recovery of their reimbursement to me from any such entity of their disbursement, at their own expense, jeopardy and liability, if they desire.

The second correspondence was definitive of my status in law and regulation, and in furtherance of my first correspondence to support and enable RG2's compliance with my simple demand for all reasons considerable; I expect that this is a small matter for which RG2 to comply -- No impasse should exist.

The Internal Revenue Service (IRS)

I hereby absolutely and unequivocally **decline to give any gift to the IRS** by any form of contribution.

I hereby absolutely and unequivocally decline **to authorize or to give any entity or person or other, including the court, authority to authorize, proffer or file any type of the IRS "Form W-4" or its equivalent on my behalf or regarding me, as:**

I am not employed by the Defendants in this case;

I am not an employee;

(Please note the RG2 attachment: Affidavit of Citizenship, Domicile, and Tax Status.).

What I Want You to do for Me Please

a) Establish RG2's compliance with my status and demand for no withholding in writing so that this matter may be resolved efficiently and at low cost. I will initiate a criminal complaint against RG2 if they ignore the law.

b) Do not allow any form of redistribution of funds especially and specifically because:

i. Be duly advised, I am lawfully separated from the SSA system and decline to rejoin the SSA system;

ii. Refrain from re-initialization of any SSA system application or association on my behalf or in my regard, as I have herein specifically denied any authority for any initiation or re-initialization of any SSA system application or association in any form on my behalf or in my regard;

iii. Be duly advised, "Darrell James, Hill" is my proper name; **be it known that I am not a fiduciary for an individual, fictitious person, or other such construction. Thus, all references regarding me can only properly refer to the human being.**

iv. Be duly advised, willful use of any SSA account/number or any filing by the RG2 the "withholding agent" constitutes both civil and criminal violations;

v. Honor my position as I have specifically declined to authorize or to give any entity or person or other, including the court, authority to authorize, proffer or file any type of the "Form W-4, Employee Allowance

vi. Honor my position as I have specifically declined to give gifts in any form to the IRS;

vii. Be duly advised, do not redirect any funds due payable to me to the IRS, or any other agency, as it is a known fact that recovering any funds distributed to the government is tedious, time consuming and frequently costly in the best of relationships, and I AM NOT SUBJECT TO WITHHOLDING OR REPORTING;

viii. Be duly advised, I am not employed by the defendants in this case.

ix. Be duly advised, I am not an employee.

x. Be duly advised, my Affidavit of Citizenship, Domicile, and Tax Status is determined to RG2 and to you herein (see attached in RG2 correspondence #2). I am a nonresident alien NON individual not engaged in trade or business within the United States, honor my status.

xi. Be duly advised, according to my demand (see #1 enclosed) upon RG2, that RG2 must directly reimburse me without contest for any amounts redistributed by any defense: payable upon demand and without delay in the event RG2 disregards my demand and statement of citizenship, domicile and tax status.

c) Lastly, it is my belief that any undeliverable distributions should be provided to those who often times were ill for lack of food, or care needed, sufficient to rapidly worsen any state of wellness: for, one meal, one encouraging word, access to a safe place to rest/sleep, a coat in the winter, water/shade in the summer. This is nursing; please make the court record know this please (!), anonymously!

Conclusion

"Darrell James; Hill" is my proper name; all parties, including the court, are authorized only refer to the human being "Darrell James, Hill" the man; I am not fiduciary for an individual, fictitious person, or other such construct. My status is lawfully declared in my Affidavit of Citizenship, Domicile, and Tax Status enclosed.

I request for you to expediently and discreetly address and favorably determine RG2 to comply with my simple demand upon them, please. For them to do otherwise would further complicate my settlement and expose RG2, John R. Davis, Esq., to criminal penalties and civil complaints.

I will contact you after your receipt of this communication.

Lastly, I hope any proceeds undeliverable to class members would be sent as food to food banks, soup kitchens and homeless shelters, as support for prenatal care programs, and otherwise be given in support of the poor, the homeless, the forgotten, and the ignored men, women, children and the yet unborn in need. The court record should know this too is nursing.

Sincerely;

Darrell James; Hill

Re: Claimant ID#: AZA000000930; I Terminated the SSA Account in 2006; I Do Not Authorize RG2 Claims Administration To Use A SSN Regarding Me

Mr. Davis, To Whom This May Concern:

I (and my spouse) terminated the SSA account and number in 2006 in accordance with 20 CFR 3 A7 404.1905, **Termination of agreements.**

> Each agreement shall contain provisions for its possible termination. If an agreement is terminated, entitlement to benefits and coverage acquired by an individual before termination shall be retained. The agreement shall provide for notification of termination to the other party and the effective date of termination.

I made RG2 notice of my non-SSN status about the claims application SSN entry box, for the fact that the SSN required was rescinded in 2006; it is merely a historical truth that the assigned number was once active. See attached: a) initial rescission filing in 2006 and b) letter in 2010 compliance with 20 CFR 3 A7 404.1905.

I ceased all use of a SSA account and number in 2006 according to law and federal regulations: I am not entitled to SSA benefits or coverage. All coverage and monies paid into the SSA system was retained and forfeited to that system.

Thus, in accordance with my non-SSN status this is my decision:

I prohibit RG2 to use any SSN in my regard;

I prohibit RG2 to pay any tax obligations or make any distributions to any taxing authority for any obligation assumed or alleged owed (I will manage these matters privately for my status.);

This prohibition of RG2 is my decision, thus:

I HEREBY assure that RG2 has no complicity with my decision to prohibit RG2 from all assumed authority in my regard to use of any SSN or to limit any claims distributions due to me by any configuration.

Further, if RG2 uses a SSN or distributes any funds against the explicit prohibitions herein, then RG2 agrees thereby to assure without contest all costs, charges, penalties and associated costs for all efforts to recover any and all losses in status and/or funds.

I authorize RG2 to use of ONLY my name, address and telephone number on a 1099 form as required, and as the Secretary requests (IRC 6041).

In conclusion, I am NOT a SSA account holder by law and in accordance with federal regulations. I do NOT use a SSN. I prohibit RG2 to use a SSN regarding me. I prohibit RG2 from withholding any funds from me by any means or condition(s). I assume all responsibility for my non-SSN status and claim full responsibility for the prohibitions herein.

RG2 agrees that for violation of these prohibitions by any method RG2 agrees to assure without contest all costs and related expenses for the recovery of all losses and making this claimant whole for same.

Sincerely;

Darrell James, Hill

Dear Messrs. Gonzales, Mineta, Gutierrez, Korb, Nelson, Kuxhausen, Koppang, George, Charlton, Parizek, Prentky, Pett, Ms. Brewer, Ms. Rice, Ms, Carmouche, Ms. Brown, Ms. Garriott, Ms. Henline

You and your agents are hereby notified that I, a man, above signed, appearing as Darrell James Hill, have properly filed a SSA-521 Form with the Social Security Administration, on May 22, 2006. As such, I have effectively rebutted any and all presumptions as to my status and receipt of limited liability insurance benefits. I have further, by this filing, provided notice to the world at this time of application I was not capable of contract. See SSA-521 attached hereto. In addition, I am providing notice that I am operating under my full commercial liability, having no parity with any government agency, I.R.S., U.S. District Court, etc.

Additionally, you will find enclosed a true copy of the correspondence I have sent to Mr. Mendez, the Secretary of the Treasury in San Juan, Puerto Rico, regarding account 274 64 9172. Demand has been made upon Mr. Mendez, for set off in the nature of UCC § 3-501 and to zero balance the account. I fully expect that Mr. Mendez being an honorable man, will comply with my instructions upon receipt of same.

Additional Remarks:

time of application for benefits, SS-5 form, I was not capable of Contract, having no knowledge of terms and conditions, reciprocity requirements, etc., of the SS-5. Said SS-5 being unconscionable, provides no equal exchange of consideration, and cannot be made valid for lack of consideration. The SS-5 being an adhesion contract fails on its face, setting forth no terms, no conditions, no reciprocity requirements, and is therefore unconscionable and ultra vires.

Whereas, I, Darrell James Hill, nunc pro tunc, Rescind, Terminate, Reject, Forfeit and Waive any and all benefits arrived therefrom. I notice that any and all funds extracted from DARRELL JAMES HILL, aka DARRELL J. HILL and that any such funds are not bail in fact under any Trading with the Enemy Act Doctrine.

Whereas I, Darrell James Hill, nunc pro tunc, state for the Record, that I am not a U. S. B) Demand for Verified Assessment of Your Lawful Authority to force a Social Security Administration contract/membership upon Darrell James, Hill;

C) Demand for Rescission Termination of Social Security Account and Number [redacted] Assigned to Darrell James, Hill, as of May 2006;

Michael J. Astrue, David F. Black; To Whom This May Concern:

I hope you are well.

You, et al., for unknown reasons ignored my 2006 "application" to terminate the social security administration account and number as demanded (see attached, Form SSA-521, "Request for withdrawal of Application" for SS-5 for account and number [redacted] assigned to Darrell James, Hill);

The Form SSA-521 I filed in 2006 **was not a request** for permission to terminate the account, **the filing was an order;** accordingly, your prompt action is herein demanded to bring this long overdue order to complete closure as it imposes an undue burden upon my religious belief:

YOU ARE HEREIN DEMANDED TO:

1) Determine the Disposition of the Document for Rescission Termination, Form SSA-521 Request for withdrawal of Application for SS-5 for account [redacted], Darrell James, Hill;

2) Provide verified assessment of lawful authority for you forcing a Social Security Administration contract/membership upon Darrell James, Hill, after on or about May of 2006; and,

3) Formally rescind terminate the social security account and number [redacted] assigned to Darrell James, Hill, as of May 2006: documentation of the unequivocal incontrovertible administrative release and termination is demanded.

You have 20 consecutive days from the delivery of this document to comply with this DEMAND;

To Whom This May Concern:

1. My name is Darrell James, Hill. I am a class member within the JOHNSON, ET AL. V. ARIZONA HOSPITAL & HEALTHCARE ASSOCIATION, ET AL. UNITED STATES DISTRICT COURT CASE NO. 07-CV-1292-SRB (D. Az.): class member number AZA000000930.

2. As indicated to you above, and before in my initial contact with you regarding my statuses, I rescinded the SSA account in 2006. The SSA, IRS (national headquarters and locally) was notified, as well as other agencies.

3. On December 1, 2011, I wrote and sent to you by USPO certified mail a demand letter about my status (CMN 7011 0470 0002 1606 2151) which in short states that I do not authorize you (RG2) to withhold any amounts payable to any taxation agency, or any other agency: I will manage for my self all tax matters and any other controversy that arises, if any. I deny you authority to withhold any proceeds due to me.

That, in any case wherein you pursue by any means to redirect any amounts due to me in disregard of my absolute non-authorization demand upon you then thereby you agree to reimburse me immediately for your act(s), and to seek recovery of your reimbursement to me from any such entity of your disbursement, at their own expense, jeopardy and liability, if you desire. Please notice the warnings in the attachments concerning our relationship.

<u>The Social Security Administration (SSA)</u>

I (We) rescinded the SSA system under assigned name DARRELL JAMES HILL in May of 2006: both, I and my wife each so did.

Identically, 1) we no longer use the SSA system; all past years of contributions into the SSA system, and any distributions possible from the SSA system, were forfeited to the SSA system in 2006. 2) We are non-resident alien NON- individuals with regard to the federal government, and who are <u>not</u> engaged in trade or business in the United States. **3) See attached the <u>AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS</u> to notify and determine my citizenship, domicile and tax status to you so to help clarify my demands upon you.**

4. I DO NOT have a statutory "residence" anywhere within the statutory "United States" per 26 CFR §2.871-2(b) because I am not a statutory "alien".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

5. **WARNING**: You may not lawfully withhold any amount from proceeds due to me. The remainder of this section provides legally admissible evidence proving why this is.

6. Your withholding is ONLY on "wages" as legally defined in **26 U.S.C. §3401.** The earnings of nonresident alien NON-individuals not engaged in a "trade or business" as legally defined are excluded from "wages" per **26 U.S.C. §3401**(a)(6) and 26 U.S.C. §3401(a)(11) and therefore may not lawfully become the subject of tax withholding. If you withhold, you will therefore be guilty of the following crimes:

6.1. **18 U.S.C. §654**: Conversion of private property to a "public use" and a "public office". You are converting my PRIVATE proceeds as a class member into a public purpose and a "public office" by fraudulently and falsely connecting same with a "trade or business".

6.2. **18 U.S.C. §201**: Bribery of public officials and witnesses. You are bribing public officials who will receive the money you STOLE from me in violation of the law. The punishment is a fine and up to 15 years in jail. I remind you that all tax withholdings are classified as "gifts" by the IRS. See IRS Document 6209, pp. 4-1 and 4-2, which identify W-2 forms as "Estate and gift taxes". All tax withholdings are "gifts" to public officials that also constitute bribes.

6.3. **18 U.S.C. §1956**(a)(1)(A)(ii): Money laundering. You are laundering unlawfully withheld proceeds. The punishment is a fine up to $500,000 and imprisonment for up to twenty years.

7. IRS Publication 515 indicates that nonresident alien individuals who give you IRS form W-8BEN are exempt from backup withholding. This requirement is also found in **26 U.S.C. § 3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b). This Affidavit serves the equivalent of IRS Form W-8BEN because IRS doesn't have a form for those who are "nonresident aliens" but who are not "individuals", "persons", or "taxpayers".

> **[IRS Publication 515, Year 2001, p.3]**

8. You MAY NOT lawfully tamper with, reject, redact any portion of, or alter any withholding form that I give you. You must accept them AS IS and may not lawfully threaten me to change them. If you do, you could be prosecuted for extortion.

> *"The employer is not authorized to alter the form or to dishonor the employee's claim. The certificate goes into effect automatically in accordance with certain standards enumerated in* **§3402(f)(3).**"
> *[U.S. v. Malinowski, 347 F.Supp. 347 (1972)]*

9. The proceeds connected with our relationship do not constitute "income" and therefore cannot be the subject of any tax or withholding or reporting within the Internal Revenue Code. The only definition of "income" in the Internal Revenue code is found in **26 U.S.C. §643**(b) and it includes ONLY the earnings of a trust or estate. I am not representing a domestic trust or estate. My earnings and my entire estate instead are a "foreign estate" pursuant to 26 U.S.C. §7701(a)(31).

10. Any earnings that result from our relationship *do not* originate from "sources within the United States". The term "United States" is defined below.

If you dispute this definition, please provide the definition that expressly identifies states of the Union as being included in the meaning of "United States".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

Sec. 1210. Same; definitions
(d) The term "State" includes any Territory or possession of the United States.

"Expression unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

11. The financial transactions likely to result from relationship are excluded from (not "subject to" but not "exempt") taxation pursuant to the following authorities and therefore not subject to withholding:

- 11.1. **26 U.S.C. § 861**(a)(3)(C)(i): Earning from labor of "nonresident aliens" not engaged in a "trade or business" and working in the "United States" is not deemed to be income from sources within the "United States".
- 11.2. **26 U.S.C. § 3401**(a)(6): Nonresident aliens do not earn "wages".
- 11.3. **26 U.S.C. §1402**(b): Nonresident aliens do not earn "self-employment income".
- 11.4. **26 U.S.C. §864**(b)(1)(A): Earning of "nonresident aliens" working for foreign employers such as private employers do not have earnings associated with a "trade or business in the United States"
- 11.5. 26 CFR §31.3401(a)(6)-1(b): Remuneration of nonresident aliens outside the "United States" is not subject to taxation.
- 11.6. 26 CFR §1.872-2(f): Earning of nonresident aliens outside "United States" do not constitute "gross income".
- 11.7 26 CFR §1.871-7(a)(4): Nonresident aliens not engaged in a "trade or business" earn no "gross income".

12. Tax withholding is only appropriate for those having a tax liability. A nonresident alien NON-individual such as the submitter with no "income" or earning form "sources with the United States" under **26 U.S.C. §871** can have no tax liability. If you think you, as a private employer or private institution constitutes a "source within the United States", then why did the IRS Internal Revenue Manual say the following and where are the states of the Union included in "United States" as defined above?:

IRM 5.14.10.2 (09-30-2004)
Payroll Deduction Agreements

2. Private employers, states, and political subdivisions are not required to enter into payroll deduction agreements. Taxpayers should determine whether their employers will accept and process executed agreements before agreements are submitted for approval or finalized.
[http://www.irs.gov/irm/part5/ch14s10.html]

13. You can only be an "employer" if I am an "employee", according to 26 U.S.C. §3401(d). I am NOT an "employee", because all "employees" are "public officers" engaged in a "trade or business" who work for the United States government as the equivalent of "temps or "Kelly Girls" on loan to private employers such as you. I DO NOT consent to act in such capacity, and therefore you cannot be an "employer" in the context of me"

26 CFR § 31.3401(c)-1 Employee:

"...the term [employee] includes [is limited to] officers and employees, whether elected or appointed, of the United States, a [federal] State, Territory, Puerto Rico or any political subdivision, thereof, or the District of Columbia, or any agency of instrumentality of any one of more of the foregoing. The term 'employee' also includes an officer of a corporation."

---

26 U.S.C. §3401(c) Employee

For purposed of this chapter, the term "employee" includes [is limited to] an officer, employee, or elected official of the United States, a State, or any political thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing. The term "employee" also includes an officer of a corporation.

Employee: "The term employee specifically includes officers and employees whether elected or appointed, of the United States, a state, territory, or political subdivision thereof or the District of Columbia or any agency or instrumentality of any one or more of the foregoing."

If you disagree with this item, please rebut the foregoing within 30 days or be held in default and estoppels to challenge later.

14. You are only liable to withhold if you are an "employer" and if I receive "wages". 26 CFR 31.3403-1, 26 CFR §31.3111-4, 26 CFR §3102-1(c). The only way I can receive "wages" is to sign a contract called a W-4 absent duress consenting to call what proceeds I receive "wages" as legally defined but not commonly understood. If I don't sign the contract, then I don't earn "wages" subject to any withholding or reporting:

"Every man has a natural right to the fruits of his own labor, is generally admitted; and no other person can rightfully deprive him of those fruits, and appropriate them against his will..."
*[The antelope, **23 U.S. 66**: 10 Wheat 66, 6 L.Ed. 268 (1825)]*

"Included in the rights of personal liberty and the right of private property—partaking of the nature of each—is the right to make contracts for the acquisition of property. Chief among such contracts is that of personal employment, by which labor and other services are exchanged for money or other forms or property."

"...The right of a person to sell his labor upon such terms as he deems proper is, in its essence, the same as the right of the purchaser of labor to prescribe the conditions under which he will accept such labor from the person offering to sell it."

26 CFR §31.3401(a)-3 Amounts deemed wages under voluntary withholding agreements

(a) In general.

Notwithstanding the exceptions to the definition of wages specified in section 3401(a) and the regulations thereunder, the term "wages" includes the amounts described in paragraph (b)(1) of this section with respect to which there is a voluntary withholding agreement in effect under section 3402(p). References in this chapter to the definition of wages contained in section 3410(a) shall be deemed to refer also to this section (§31.3401(a)-3).

Title 26 : Internal Revenue
PART 31—EMPLOYMENT TAXES AND COLLECTION OF INCOME TAX AT SOURCE
Subpart E—Collection of Income Tax at Source
§31.3402(p)-1 Voluntary withholding agreements

(a) In general.

An employee and his employer may enter into an agreement under section 3402(b) to provide for the withholding of income tax upon payments of amounts described in paragraph (b)(1) of §31.34(a)-3, made after December 31, 1970. And agreement may be entered into under this section only with respect to amounts which are includible in the gross income of the employee under section 61, and must be applicable to all such amounts paid by the employer to the employee. The amount to be withheld pursuant to an agreement under section 3402(p) shall be determined under the rules contained in section 3402 and the regulations thereunder. See §31.3405(c)-1, Q&A-3 concerning agreements to have more than 20-percent Federal income tax withheld from eligible rollover distributions with the meaning of section 402.

15. If I never give you an IRS for W-4 and thereby consent to call what proceeds I am due "wages" as defined in the Internal Revenue Code, then you can't lawfully withhold or report anything:

15.1. Everything that goes on the IRS form W-2 constitutes "wages" as legally defined and not commonly understood.

15.2 Tax withholding ONLY pertains to "wages" as legally defined and NOT all earnings. The U.S. Supreme Court confirmed this:

"We must reject in this case, as we have rejected in cases arising under the Corporation Excise Tax Act of 1909 (Doyle, Collector, v. Mitchells Brother Co., 247 U.S. 179, 38 Sup. Ct. 467, 62 L. Ed. --) the broad contention submitted on behalf of the government that all receipts—everything that comes in –are income with the proper definition of the term 'gross income.' And that the entire proceeds of a conversion of capital assets, in whatever form and under whatever circumstances accomplished, should be treated as gross income. Certainly the term "income' has no broader meaning in the 1913 act than in that of 1909 (See Stratton's Independence v. Howbert, 231 U.S. 399, 416, 417 S., 34 Sup. Ct. 136), and for the present purpose we assume there is no difference in its meaning as used in the two acts."
[Southern Pacific Co., v. Lowe, 247 U.S. 330, 335, 38 S. Ct 540 (1918)]

15.3. If you are ordered by the IRS, et al., to withhold proceeds because I refuse to submit an IRS for W-4, then you must withhold and report ONLY on "wages" as statutorily defined and limited pursuant to the I.R.C. "trade or business" franchise agreement. I don't earn "wages" if I never consented to call them "wages" using a private contract called an IRS form W-4.

16. On the subject of unlawful withholding the Bible say the following. "Wages" as used below implies the ordinary and excludes the statutory definition:

"Woe to him who builds his house by unrighteousness
And his chambers by injustice,
Who [whether individual or government] uses his neighbor's service without wages
And give him nothing for his work
[Jer. 22:13, Bible, NKJV]

"Come now, you rich, weep and howl for your miseries that are coming upon you! Your riches are corrupted, and you garments are moth-eaten. Your gold and silver are corroded, and their corrosion will be a witness against you and will eat your flesh like fire. You have heaped up treasure in the last days. Indeed the wages of the laborers who mowed you fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord of Sabaoth. You [business owner who control the purse of the workers] have lived on the earth in pleasure and luxury; you have fattened your hearts as in a day of slaughter. You have condemned, you have murdered the just, he does not resist you."
[James 5:1-6, Bible, NKJV]

"You shall not cheat your neighbor, nor rob him. The wages of him who is hired shall not remain with you all night until morning.
[Lev. 19.13, Bible, NKJV]

6. TAX REPORTING LEGAL REQUIREMENTS:

WARNING: It is a criminal offense to file information returns against any payments you make in connection with our relationship. Filing of false information returns carries severe civil and criminal penalties. Information returns include IRS Forms W-2, 1042S, 1098, and 1099.

can only earn "wages" reportable on an IRS form W-2 if I am lawfully engaged in a "public office" in the U.S. Government as equired by 26 U.S.C. §6041(a). Voluntarily signing a contract/agreement called an IRS form W-4 is the only way that a onresident alien NON-individual not engaged in a "trade or business" can engage in such a "public office" per 26 CFR 31.3401(a)-3(a), and 26 CFR 31.3402(p)-1. Otherwise, it is a crime to impersonate a public officer in violation of **18 U.S.C. §912** o file an information return. If you file any kind of information return relating to me, you will be guilty of conspiracy to commit all he following crimes and civil infractions:

1.1. False information returns submitted in violation of **26 U.S.C. §7434.** Punishment is all attorney fees plus twice the false amount reported.

1.2. Impersonating a public officer in violation of **18 U.S.C. §912.** Punishment is a fine and up to three years in jail. Only "public officers" can act as "taxpayers", and you are creating a false presumption that I am a "taxpayer" by filing false information returns.

1.3. Conversion of private property to a public use, public purpose, and public office as a "withholding agent" in violation of **18 U.S.C. §654.**

1.4. Impersonating a public officer in violation of **18 U.S.C. §911**. Punishment is a fine and up to three years in jail. Only *statutory* and not *constitutional* "U.S. citizens" can lawfully act as "public officers" engaged in a "trade or business" and I am NOT a statutory "U.S. citizen" pursuant to **8 U.S.C. §1401** but rather a non-citizen national.

1.5. False information returns in violation of **26 U.S.C. §7206**. Punishment is up to a $100,000 fine and 3 years in jail to file a false information return.

1.6. False information returns in violation of **26 U.S.C. §7207**. Punishment is up to $10,000 and 1 year in jail to submit a false information return.

1.7. Perjury in violation of **18 U.S.C. §1001** and **18 U.S.C. §1621**. The IRS Forms W-3 and 1096 submitted with the information return is signed under penalty of perjury and verifies the accuracy of the accompanying information return. These forms are submitted as a government officer and agent called a "withholding agent" defined in 26 U.S.C. 7701(a)(16). Those forms are FRAUDULENT now that you have been notified that they are false and you willfully refuse to either stop filing the false report or correct the false reports already filed.

2. IRS Publication 515 indicates that nonresident aliens who give you IRS form W8BEN are exempt for 1099 reporting. This form serves the equivalent purpose and is a superset of that form.

3. **26 U.S.C. §6041** says that only earnings connected with a "trade or business" may be reported on an information return such as IRS forms W-2, W-3, 1042-S, 1096, and 1099.

IRS Form 1042-S may only be prepared in the case of statutory "nonresident aliens" (per **26 U.S.C. §7701**(b)(1)(B)(who have "income" from "sources within the statutory but not constitutional "United States" that is not connected with a "trade or business" and therefore constitutes "gross income" with the meaning of **26 U.S.C. §61**. The transactions likely to occur between us are NOT government payments and are not listed in **26 U.S.C. §871**(a), and therefore may not lawfully be reported.

SECTION 2: AFFIDAVIT OF TAX STATUS

Human being (but not statutory "Person") who signed this form hereby affirms under penalty of perjury form WITHOUT the statutory "United States" per 28 U.S.C. §1746(1) that:

1. Submitter has NO tax liability or "gross income" pursuant to 26 CFR §1.872-2(f), 26 CFR §1.871-1(a), and 26 U.S.C. §861(a)(C)(i) and therefore no need to deduct or withhold.

2. Submitter is not a statutory "taxpayer" as defined in 26 U.S.C. §7701(a)(14) and not subject to the revenue laws.

> *"Revenue Laws relate to taxpayers [instrumentalities, officers, employees, and elected officials of the Federal Government] and not to non-taxpayers [American Citizens/American Nationals not subject to the exclusive jurisdiction of the Federal Government and not engaged in the "trade or business" franchise as a public officer]. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them [non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."*
> *[Economy Plumbing & Heating v. U.S., 470 F2d. 585 (1972)]*

3. Submitter is not "exempt" or an "exempt individual" as defined in 26 U.S.C. §7701(b)(5) because one must otherwise be subject to the I.R.C. to be such a legal "person". Rather, Submitter is "not subject" to Internal Revenue Code Subtitle A franchise agreement and is a nonresident. Since IRS forms very deliberately do not have a block for "not subject" and are only for use by those who are "taxpayers", Submitter had to make his own form, THIS form, to avoid committing perjury on a government form in describing his status under penalty of perjury. Those who are "not subject" are described NOT as a "person, "individual", or "taxpayer", but simply as "foreign" or a "foreign estate" in 26 U.S.C. §7701(a)(31).

> ***TITLE 26 > Subtitle F > CHAPTER 79 > § 7701***

> *(A) Foreign estate*
>
> *The term "foreign estate" means an estate the income of which, from sources the United States which is not effectively connected with the conduct of a trade or business within the Untied States, is not includible in gross income under subtitle A.*

4. Submitter is a **"nonresident"** as statutorily defined pursuant to 26 U.S.C. § 7701(b)(1)(B) but not a "nonresident alien *individual*". A "nonresident alien" is defined as one who is "neither a citizen nor a resident" of the "United States", which is exactly what an "American National", or national' born in a state of the Union who is not domiciled on federal territory in the "United States" is. The only withholding form that a "nonresident" who is neither a statutory "alien" (per **26 U.S.C. §7701**(b)(1)(A) nor an "individual" (per 26 CFR §1.1441-1(c)(3) and **5 U.S.C. §2105**(a)) and who is not engaged in federal franchises can fill out is a W-8BEN with block 3 modified to add the word "nontaxpayer" or "human being" to it. All statutory "taxpayers" and "individuals" are "aliens" per 26 CFR §1.1441-1(c)(3) and public officers in the national and not state government, and therefore submitter cannot check the "individual" block of the W-8BEN form without committing perjury. Even statutory "U.S. Citizens" per 26 CFR §1.1-1(c) and 26 U.S.C. §3121(e) must be aliens in relation to a foreign country under a tax treaty per 26 U.S.C. §911 in order to be "taxpayers".

5. Submitter is *not* engaged in a "trade or business", which is defined in 26 U.S.C. § 7701(a)(26) as "the functions of a public office". Receipt of earnings from the District of Columbia in connection with a "trade or business" under 26 U.S.C. §871(b)

or not connected under 26 U.S.C. 871(a) are the only types of "gross income" or "taxable income" that nonresidents who are not aliens can have under I.R.C. Subtitle A.

6. Submitter is a "transient foreigner" but not a statutory "foreign person" or statutory "alien" in respect to the national government and federal territory. A human being or artificial entity such as a state corporation domiciled in a state of the Union is a "transient foreigner" but not a "person", 'individual', or "foreign person" for the purposes of the Internal Revenue Code because the term "United States" is defined in 26 U.S.C. §7701(a)(9) and (a)(10) as the District of Columbia and is nowhere expressly expanded to include any state of the Union.

7. Submitter is not in receipt of any treaty benefit under the terms of an income tax treaty with a foreign county.

8. Submitter has not made an election to be treated as a "resident alien" as defined in 26 U.S.C. 7701(b)(1)(A) under the authority of 26 U.S.C. §6013(g) and (h).

9. Submitter is not a statutory "individual" as defined in 26 CFR §1.1441-1(c)(3) or a "person" as defined in 26 U.S.C. §7701(c) because not domiciled or resident on federal territory and not eligible or consensually participating in any federal franchise or "benefit" in the context of this exclusively private and not public transaction. As such, he is not a "public officer" with the government but rather a private human being. The only thing the government can regulate or tax are public activities, public officers, and public "employees" who are the only "persons" mentioned in the I.R.C. franchise per 26 U.S.C. §7343 and 6671(b). It is otherwise unconstitutional to regulate exclusively private conduct.

> *"The power to "legislate generally upon" [the PRIVATE] life, liberty, and property, as opposed to the "power to provide modes of redress' against offensive state [e.g. "public officer"/"employee"] action, was "repugnant" to the Constitution. Although the specific holdings of these early cases might have been superseded or modified, see, e.g., Heart of Atlanta Motel, Inc. v. United States, 379 U.S. 241 (1964); United States v. Guest, 383 U.S. 745 (1966), their treatment of Congress' §5 power as corrective or preventive, not definitional, has not been questioned."*
> *[City of Boerne v. Florez, Archbishop of San Antonio, 521 U.S. 507 (1997)]*

10. Submitter is NOT subject to IRS Form 1099 reporting, withholding, or backup withholding pursuant to 26 U.S.C. §3401(a)(6) or 26 CFR §31.3401(a)(6)-1(b):

> *"Foreign persons who provide Form W-8BEN, Form W-8ECI, or Form W-8EXP (or applicable documentary evidence) are exempt from backup withholding and Form 1099 reporting."*
> *[IRS Publication 515, year 2001, p. 3]*

11. Submitter is not a "U.S. person" as statutorily defined pursuant to 26 U.S.C. 7701(a)(30). The term "U.S. person" is statutorily defined as follows:

> *TITLE 26 > Subtitle F > CHAPTER 79 > Sec. 7701.*
> *Sec. 7701. – Definitions*
>
> *(a)(30) United States person*
> *The term "United States person " means –*

> *(i) a court within the United States is able to exercise primary supervision over the administration of the trust, and*

(a) When used in this title, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof—

(9) United States

The term "United States" when used in a geographical sense includes on the States and the District of Columbia.

(10) State

The term "State" shall be construed to include the District of Columbia, where such construction is necessary to carry out provisions of this title.

13. **Pursuant to the rules for statutory construction, if the states of the Union are not mentioned anywhere in Subtitle A of the Internal Revenue code and are not included in the definition of "United States" above, they can be safely assumed to be EXCLUDED by implication:**

"Expressio unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

14. Nonresidents not engaged in a "trade or business" such as the Submitter are not required to provide identifying number to open financial accounts. The regulation below mentions "nonresident aliens", and nonresidents who are not statutory "aliens" must be treated the same:

Title 31: Money and finance: Treasury
PART 103—FINANCIAL RECORDKEEPING AND RPORTING OF CURRENCY AND FOREIGN TRANSACTIONS
Subpart C—Records Required To Be Maintained
§103.34 additional records to be made and retained by banks.

(a)(3) A taxpayer identification number required under paragraph (a)(1) of this section need not be secured for accounts or transactions with the following:

(x) non-resident aliens who are not engaged in a trade of business in the United States.

In instances described in paragraph (a)(3), (viii) and (ix) of this section, the bank shall, within 15 days following the end of any calendar year in which the interest accrued in that year is $10 or more use its best effort to secure and maintain the appropriate taxpayer identification number or application form therefor.

15. It amounts to "compelled to association" in violation of the First Amendment to force me to associate with and be identified as a "U.S. person" (under **26 U.S.C. § 7701**(a)(30)), a statutory "U.S. Citizen" (under **8 U.S.C. §1401**), or a "taxpayer" (under **26 U.S.C. §7701**(a)(14) or any status OTHER than that described above. I would also be committing perjury under penalty of perjury to sign any government form that identified me as any of the three types of entities.

16. I will not allow you to compel me to participate in the "trade or business" franchise or contract with the government by changing my status to be anything other than that described herein. All franchises are contracts between the grantor and the grantee:

As a rule, franchises spring from contracts between the sovereign power and private citizens, made upon valuable considerations, for purposes of individual advantage as well as public benefit, [1] and thus a franchise partakes of a double nature and character. So far as it affects or concerns the public, it is publici juris and is subject to governmental control. The legislature may prescribe the manner of granting it, to whom it may be granted, the condition and terms upon which it may be held, and the

17. Pursuant to the **Declaratory Judgment Act, 28 U.S.C. §2201**(a) and the federal courts, the recipient of this form and an government agent handling this case has NO authority to assume any tax status other than that indicated on this form or to convert an innocent "nontaxpayer" into a "taxpayer".

*Specifically, Rowen seeks a declaratory judgment against the United States of America with respect to "whether the plaintiff is a taxpayer pursuant to, and/or under **26 U.S.C. § 7701**(a)(14)." (See Compl. At 2.) The court lacks jurisdiction to issue a declaratory judgment "with respect to Federal taxes other than actions brought under section 7428 of the Internal Revenue code of 1986, " a code section that is not at issue in the instant action. See **28 U.S.C. §2201**; see also Hughes v. United States, 953 F.2d 531, 536-537 (9th Cir. 1991) (affirming dismissal of claim for declaratory relief under § 2201 where claim concerned question of tax liability). Accordingly, defendant's motion to dismiss is hereby GRANTED, and the instant action is hereby DISMISSED.*

"And by statutory definition, 'taxpayer' includes any person, trust or estate subject to a tax imposed by the revenue act. ...Since the statutory definition of 'taxpayer' is exclusive, the federal courts do not have the power to create nonstatutory taxpayers for the purpose of applying the provisions of the Revenue Acts..."
[C.I.R. v. Trustrees of L. Inv. Ass'n, 100 F.2d 18 (1939)]

"A reasonable construction of the taxing statutes does not include vesting any tax official with absolute power of assessment against individuals not specified in the statutes as a person liable for the tax without an opportunity for judicial review of this status before the appellation of 'taxpayer' is bestowed upon them and their property is seized..."

SECTION 3: DURESS STATEMENT

If any other government form with the Recipient of this form might have received or viewed which I might have signed contradicts anything contained herein, the reasons are that:

1. I was threatened or felt threatened:
   - 1.1. By the Recipient to either not be hired or be fired if I did not sign a W-4 agreement or submit to a specific government from that doesn't pertain to me and thereby commit what I know to be fraud and/or perjury on a government form. . . OR
   - 1.2. By the Recipient because I was told that I would be denied the EQUAL right of all to engage in a business or financial account needed to sustain my life if I did not fill out and submit the form indicated and which I know misrepresented my status or had no options to correctly represent my status. . . OR
   - 1.3. By the government because I would become the target of unlawful or "selective' IRS/government enforcement that the legal profession, the courts, and the government routinely protect and encourage because of conflicts of interest, undue consolidation of power, and greed.

1.4 By the Recipient, who may have refused to accept this for or sent it back, because they knew they were violating both the law and my right and wanted to obstruct justice, destroy evidence of their wrongdoing, and tamper with a federal witness because this form is signed under penalty of perjury.

2. I was therefore under unlawful duress and the target of racketeering, extortion, and/or unconscionable "adhesion contracts" by the recipient/ government.
3. The origin of the duress was the Recipient of this form acting in a quasi-governmental and "public officer" capacity as a "withholding agent" pursuant to **26 U.S.C. §7701**(a)(16) and who is therefore legally liable to respect my constitutional rights and REFUSED demands to do so.
. . . AND
4. The result of the unlawful duress was that I was compelled to contract with or engage in commerce within the government against my will and/or religious beliefs in violation of Article 1, section 10 of the United States Constitution, and to donate private property to a public use, public purpose, and/or public office in the government such as the "trade or business" franchise that is the heart of the Internal Revenue Code. Participation in all government franchises is an act of contracting because all franchises are contracts.

I hereby for the record declare as void, untrustworthy, and not admissible as evidence of any obligation on my part in any and all forms, declarations of status, or other correspondence in conflict with this form or any attached form I may have provided because such was submitted under unlawful duress.

"An agreement [consensual contract] obtained by duress, coercion, or intimidation is invalid, since the party coerced is not exercising his free will, and the test is not so much the means by which the party is compelled to execute the agreement as the state of mind induced.[3] Duress, like fraud, rarely becomes material, except where a contract or conveyance has been made which the maker wishes to avoid. As a general rule, duress renders the contract or conveyance voidable, not void, at the option of the person coerced, [4] and it is susceptible of ratification. Like other voidable contracts, it is valid until it is avoided by the person entitled to avoid it. [5] However, duress in the form of physical compulsion, in which a party is caused to appear to assent when he has no intention of doing so, is generally deemed to render the resulting purported contract void. [6]"
[American Jurisprudence 2d, Duress, Section 21]

This affidavit of duress and void declaration especially includes, but is not limited to, anything relating to government franchises, disclosures of government identifying numbers such as SSN or TIN, tax withholding or reporting forms such as the W-4 contract forms (26 CFR §31.3401(a)-3(a) and 26 CFR §31.3402(p)-1, tax returns, or licensing forms provided to the government such as driver's license applications, applications for ID cards, voter registration, or benefit applications.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

Per 26 U.S.C. §6065, all tax forms must be signed under penalty of perjury, just as this form is. As such, this form and ALL tax forms I submit to you constitute "testimony of a witness" and are protected by witness tampering laws. I remind the recipient that it is a federal offense to tamper with witnesses. Tampering, but is not limited to:

1. Advising me what to put on this form or any tax or withholding form and thereby conspire to commit PERJURY in violation of 18 U.S.C. §1542, 18 U.S.C. §911, 18 U.S.C. §1101, and 18 U.S.C. §1621. All such attempts shall form an inseparable part of the forms you both receive and must keep on file so that you may be held accountable.
2. Refusing to honor that status that I describe here and thereby compelling me to commit perjury for the PRIVILEGE of being treated EQUALLY to everyone else you service.
3. Telling me that what I put on the form is INCORRECT or FALSE and thereby refusing to accept the form, and yet refusing to offer legal evidence signed under penalty (as required by 26 U.S.C. §6065) PROVING that it is false.
4. Threatening to withhold service or discriminate against me while acting as a public officer called a "withholding agent" defined in 26 U.S.C. §7701(a)(14). That would be a denial of equal protection of the law.
5. Imputing or assuming a legal status OTHER than what I put here, and which might subject me to illegal enforcement or penalties against parties not subject. All such activities constitute an unconstitutional "Bill of Attainder" if implemented against those not consensually and lawfully engaged in government franchises. Not even federal judges can make such determinations. 28 U.S.C. 2201(a) forbids such determinations.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

APPENDIX: LEGAL POINTS AND AUTHORITIES

(This section provided for those who seek supporting authorities of statement made in this document)

1. A "national" is statutorily defined as follows:

> ***TITLE 8*** > ***CHAPTER 12*** > ***SUBCHAPTER I*** *. Sec. 1101.*
> ***Sec. 1101. – Definitions***
> *(a)(21) The term "national" means a person owing permanent allegiance to a state.*

2. The "state" in the above definition is a state of the Union. All states of the Union are "foreign states" with respect to federal government legislative jurisdiction, and therefore are lower case. Federal territories are capitalized as "State" within federal law. For example:

> *TITLE 4 – FLAG AND SEAL, SEAT OF GOVERNMENT, AND THE STATES*
> *CHAPTER 4 – THE STATES*
> ***Sec. 110. Same****; definitions*
> *(d) The term "state" includes any* ***Territory*** *or possession of the United States.*

3. Even the "United States of America" passport recognizes the two types of citizenship defined in federal statutory law. On the inside cover of the passport it says the following. Not the phrase "citizen/national", which means "citizen OR national":

> *"The Secretary of State of the United States of America hereby request all whom it may concern to permit the* ***citizen/national*** *of the United States named herein to pass without delay or hindrance and in case of need to give all lawful aid and protection"*

4. Below are some cites that establish the foreign relationship between the state and federal government for the purposes of legislative jurisdiction:

> *Foreign States: "Nations outside of the United States...Term may also refer to another state: i.e. a sister state. The term 'foreign nations', ...should be construed to mean all nations and states other than that in which the action is brought; and hence, one state of the Union is foreign to another, in that sense." [Black's Law Dictionary, 6th Edition, p. 648]*

> *Foreign Laws: "The laws of a foreign country or sister state." [Black's Law Dictionary, 6th Edition, p. 647]*

> *"Generally, the states of the Union sustain toward each other the relationship of independent sovereigns or independent foreign states, except in so far as the United States is paramount as the dominating government, and in so far as the states are bound to recognize the fraternity among sovereignties established by the federal Constitution, as by the provision requiring each state to give full faith and credit to the public acts, records, and judicial proceedings of the other states..." [81A Corpus Juris Secundum (C.J.S.), United States, §29, legal encyclopedia]*

> *"It is no longer open to question that the general government, unlike the states, Hammer v. Dagenhart, 247 U.S. 251, 275, 38 S.Ct. 529, 3 A.L.R. 649, Ann.Cas. 1918E 724, possesses no inherent power in respect of the internal affairs of the states; and emphatically not with regard to legislation. The question in respect of the inherent power of that government as to the external affairs of the Nation and in the field of international law is a wholly different mater which it is not necessary now to consider. [Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855 (1936)]*

5. The sole function of the federal government of the United States is to handle FOREIGN affairs with other countries, but it has no jurisdiction within states of the Union, including taxation. All of its revenues must derive *only* from the external affairs over which it has exclusive legislative jurisdiction. The rulings below occurred AFTER the passage of the Sixteenth Amendment and still limit the federal government exclusively to external matters in relation to states of the Union.

> *"The States, after they formed the Union, continued to have the same range of [INTERNAL] taxing power which they had before, barring only duties affecting exports, imports, and on tonnage [which all deal with FOREIGN/EXTERNAL commerce only]. 2 Congress, on the other hand, to lay taxes in order 'to pay the Debts and provide for the common Defence and general Welfare of the United States', Art. 1,*

Sec. 8, U.S.C.A. Const., can reach every person and every dollar in the land with due regard to Constitutional limitations as the method of laying taxes."
[Graves. V. People of State of New York, 206 U.S. 466 (1939)]

"The difficulties arising out of our dual form of government and the opportunities for differing opinions concerning the relative rights of state and national governments are many; but for a very long time this court has steadfastly adhered to the doctrine that the taxing power of Congress does not extend to the states of their political subdivisions. The same basic reasoning which leads to that conclusion, we think, requires like limitation upon the power which springs from the bankruptcy clause. United States v. Butler, supra."
[Ashton v. Cameron County Water Improvement District No. 1, 298 U.S. 513; 56 S.Ct. 892 (1936)]

Congress is authorized to lay and collect taxes, and to pay the debts, and provide for the common defence and general welfare of the United States. This does not interfere with the power of the States to tax [internally] for the support of their own governments: nor is the exercise of that power by the States [to tax INTERNALLY], an exercise of any portion of the power that is granted to the United States [to tax EXTERNALLY]. In imposing taxes for State purposes, they are not doing what Congress is empowered to do. Congress is not empowered to tax for those purposes which are within the exclusive province of the States. When, then, each government exercises the power to taxation, neither is exercising the power of the other. But, when a State proceeds to regulate commerce with foreign nations, or among the several States, it is exercising the very power that is granted to Congress, [22 U.S. 1, 200] and is doing the very thing which Congress is authorized to do. There is no analogy, then, between the power of taxation and the power of regulating commerce."
[Gibbons v. Ogden, 22 U.S. 1 (1824)]

"It will contribute to the elucidation of the question if we first consider the differences between the power of the federal government in respect of foreign or external affairs and those in respect of domestic or internal affairs. That there are differences between them, and that these differences are fundamental, may not be doubted. The two classes of powers are different, both in respect of their origin and their nature. The broad statement that the federal government can exercise no power except those specifically enumerated in the Constitution, and such implied power as are necessary and proper to carry into effect the enumerated power, is categorically true only in respect of our internal affairs. In that field, the primary purpose of the Constitution was to carve from the general mass of legislative powers then possessed by the states such portions as it was thought desirable to vest in the federal government, leaving those not included in the enumerations still in the states.
Carter v. Carter Coal Co., 298 U.S. 238, 294, 56 S.Ct. 855, 865. . . .

The Union existed before the Constitution, which was ordained and established among other things to form 'a more perfect Union.' Prior to that event, it is clear that the Union, declared by the Articles of Confederation to be 'perpetual,' was the sole possessor of external sovereignty, and in the Union it remained without change save in so far as the Constitution in express terms qualified its exercise. The Framers' Convention was called and secreted its powers upon the irrefutable postulate that though the states were several their people in respect of foreign affairs were one."
[United States v. Curtiss-Wright Export Corporation, 299 U.S. 304 (1936)]

The states of the Union are "foreign" to federal legislative jurisdiction, because, as the U.S. Supreme Court held above, they are *not* subject to it. This is a result of what is called the "Separation of Powers Doctrine", which was explained by the Supreme Court as follows:

". . . the Constitution divides authority [legislative jurisdiction] between federal and state governments for the protection of individuals. State sovereignty is not just an end in itself: "Rather, federalism secures to citizens the liberties that derive from the diffusion of sovereign power." Coleman v. Thompson, 501 U.S. 722, 759 (1991) (BLACKMUN, J., dissenting). "Just as the separation and independence of the coordinate branches of the Federal Government serve to prevent the accumulation of excessive power in any one branch, a health balance of power between the States and the Federal Government will reduce the risk of tyranny and abuse from either front." Gregory v. [505 U.S. 144, 182] Ashcroft, 501 U.S. at 458. See The Federalist No. 51, p. 323. (C. Rossiter ed. 1961)."
[New York v. United States, 505 U.S. 144 (1992)]

"Judge Story, in his treatise on the Conflicts of Laws, lays down, as the basis upon which all reasonings on the law of comity must necessarily rest, the following maxims: First 'that every nation [or state] possesses an exclusive sovereignty and jurisdiction within its own territory'; secondly, that no state or nation can by its laws directly affect or bind property out of its own territory, or bind persons not resident therein, whether they are natural born subjects or others.' The learned judge then adds: 'From these two maxims or propositions there follows a third, and that is that whatever force and obligation the laws of one country have in another depend solely upon the laws and municipal regulation of the latter; that is to say, upon its own proper jurisdiction and polity, and upon its own express or tacit [voluntary] consent." Story on Conflict of Laws §23.'
[Baltimore & Ohio Railroad Co. v. Chambers, 73 Ohio St. 16; 76 N.E. 91; 11 L.R.A., N.S., 1012 (1905)]

8. The states of the Union are NOT "**territory**" of the federal government. They are instead INDEPENDENT and SOVEREIGN states:

86 Corpus Juris Secundum (C.J.S.) Legal Encyclopedia, Territories:
"§1. Definitions, Nature, and Distinctions
"The word 'territory,' when used to designate a political organization has a distinctive, fixed, and legal meaning under the political institutions of the United States, and does not necessarily include all the territorial possessions of the United States, but may include only the portions thereof which are organized and exercise governmental functions under act of congress."

"While the term 'territory' is often loosely used, and has even been construed to include municipal subdivisions of a territory, and "territories of the " United States is sometimes used to refer to the entire domain over which the United States exercises dominion, the word 'territory," when used to designate a political organization, has a distinctive, fixed, and legal meaning under the political institutions of the United States, and the term 'territory' or 'territories' does not necessarily include only a portion of the portions thereof which are organized and exercise government functions under act of congress. The term 'territories' has been defined to be political subdivisions of the outlying dominion of the United States, and in this sense the term 'territory' is not a description of a definite area of land but of a political unit governing and being governed as such. The question whether a particular subdivision or entity is a territory is not determined by the particular form of government with which it is, more or less temporarily, invested.

*"Territories' or 'territory' as including 'state' or 'states." While the term 'territories of the' **United States** may, under certain circumstances, include the states of the Union, as used in the federal Constitution and in ordinary acts of congress "territory" does not include a **foreign state.***

"As used in this title, the term 'territories' generally refers to the political subdivisions created by congress, and not within the boundaries of any of the several states."

9. States of the Union retain their essential character as independent nations and foreign countries with respect to the federal government except in the matter of EXTERNAL affairs delegated by them to the Federal Government in their corporate capacity as the "United States of America":

*"The States between each other are sovereign and independent. They are distinct and separate sovereignties, except so far as they parted with some of the attributes of sovereignty by the Constitution. **They continue to be nations,** with all their rights, and under all their national obligations, and with all the rights of nations in every particular: except in the surrender by each to the common purposes and objects of the Union, under the Constitution. The rights of each State, when not so yielded up, remain absolute."*
[Bank of Augusta v. Earle, 38 U.S. (13 Pet.) 519; 10 L.Ed. 274 (1839)]

*"In determining the boundaries of apparently conflicting powers between states and the general government, the proper question is, not so much what has been, in terms, reserved to the states, as what has been, expressly or by necessary implication, granted by the people to the national government: for **each state possess all the powers of an independent and sovereign nation, except so far as they have been ceded away by the constitution.** The federal government is but a creature of the people of the states, and, like an agent appointed for definite and specific purposes, must show an express or necessarily implied authority in the charter of its appointment, to give validity to its acts."*

10. A human being (but NOT "person") who is born in a state of the Union, which is outside of federal exclusive legislative jurisdiction, is called a "national". A person who is a "national" is subject to the "political jurisdiction" but not the "legislative jurisdiction" of their mother country because they are outside of the territorial reach of its general law, because the Congress cannot write any law that governs what happens with states of the Union, as the above citations indicate (see, for instance, Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855, (1936)). The reason is that the states and the people in them are SOVEREIGN, and their creation, the federal government, cannot be greater than its Creator, which is the states and the people in them. The federal government is a SERVANT to the states, not their master: the equivalent of an independent contract that handles EXTERNAL affairs only. This was confirmed by the Federalist Papers, which were written prior to the ratification of the Constitution by the states of the Union in 1789:

> *"No legislative act [of Congress] contrary to the Constitution can be valid. To deny this would be to affirm that the deputy (agent) [which is the federal government] is greater than his principal [the States and the people in them]; that the servant is above the master; that the representatives of the people are superior to the people; that men, acting by virtue of powers may do not only what their powers do not authorize, but what they forbid...[text omitted] It is not otherwise to be supposed that the Constitution could intend to enable the representatives of the people to substitute their will to that of their constituents. It is far more rational to suppose, that the courts were designed to be an intermediate body between the people and the legislature, in order, among other things, to keep the latter within the limits assigned to their authority. The interpretation of the laws is the proper and peculiar province of the courts. **A Constitution is, in fact, and must be regard by judges, as fundamental law.** If there should happen to be an irreconcilable variance between the two, the Constitution is to be preferred to the statute."*
> *[Alexander Hamilton, Federalist Paper # 78]*

11. It is absurdly ridiculous to demand from the submitter a federal statute that confers but defines citizenship status of a person born outside of federal jurisdiction. States of the Union have exclusive and "plenary" jurisdiction to determine the status of the people born within their jurisdiction and they have never yielded that authority to the federal government either in the Constitution or in any subsequent amendment and enactment. To conclude otherwise is to admit that states of the Union have NO SOVEREIGNTY, because the federal government could just pass a law to literally STEAL all of their citizens. If the federal government had jurisdiction to pass a law that allowed them to STEAL all citizens of the states, then the states would be left with not one to govern!

12. Congress has the power to "**naturalize**" people coming *into* America, and when they do this, these people become statutory "nationals" and constitutional but not statutory "citizens".

> *"Provision of Nationality Act of 1940 that a person becoming a national by naturalization shall lose his nationality by residing continuously for three years in territory of a foreign state, being practically identical to its successor, which was condemned by United States Supreme Court as discriminatory, would have been invalid as a congressional attempt to expatriate regardless of intent."*
> *[United States v. Lucienne D'Hotelle, 558 F.2d 37 (1976)]*

The statutory definition of "naturalization" confirms that in America, naturalization means conferring the character of a statutory "national" and *not* a statutory "citizen":

> ***8 U.S.C. §1101(a)(23) naturalization defined***
>
> *(a)(23) The term "naturalization" means the conferring of **nationality** [NOT "citizen" or "U.S. citizen" status, but "nationality", which means "**national**"] of a state [of the Union] upon a person after birth, by any means whatsoever.*
> ***[NOTE:** Compare with the definition of "**expatriation**"]*
>
> *"The power of naturalization, vested in congress by the constitution, is a power to confer citizenship, not a power to take it away. 'A naturalized citizen,' said Chief Justice Marshall, 'becomes a member of the society, possessing all the rights of a native citizen, and standing, in the view of the constitution, on the footing of a native. **The constitution does not authorize congress to enlarge or abridge those rights. The simple power of the national legislature [over citizenship] is to prescribe a uniform rule of naturalization, and the exercise of this power exhausts it, so far as respects the individual.**"*

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

13. A human being who is a "national" but not a "citizen" under federal statutory law is identified as a "citizen of the United States" within the **Fourteenth Amendment to the U.S. Constitution**. The United States Constitution confines itself to describing citizenship ***within*** the states and the Union and therefore, the term "United States", as used within the Constitution, means the collective states of the Union [called "The United States of America"] and EXCLUDES federal territories and possessions and the District of Columbia. The "United States" mentioned in the Constitution and the "United States" mentioned in most federal enactments are two completely different and mutually exclusive places. This is VERY important and fundamental to understanding the **Separation of Powers Doctrine**.

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

PUROSE OF THIS FORM:
This form is intended to provide succinct, convenient evidence proving beyond all doubt that the submitter may not lawfully have or use government issued identifying numbers and would be violating criminal and civil laws to do so. It is intended to be submitted to financial institutions, employers, and businesses who demand numbers from those they do business with.

SECTION 1: REQUIREMENTS FOR THE ISSUANCE OF SOCIAL SECURTY NUMBERS (SSN)

The authority to issue Social Security Numbers (SSNs) is found in 20 CFR §422.104. Below are the specific persons who are eligible:

Title 20: Employees' Benefits
PART 422—ORGANIZATION AND PROCEDURES
Subpart B—General Procedures

§422.104 Who can be assigned a social security number.

(a) Persons eligible for SSN assignment. We can assign you a social security number if you meet the evidence requirements in §422.107 and you are:

(1) A United States citizen; or

(2) An alien lawfully admitted to the Unites States for permanent residence or under other authority of law permitting you to work in the United States (§422.105 describes how we determine if a nonimmigrant alien is permitted to work in the United States: or

(3) An alien who cannot provide evidence of alien status showing lawful admission to the U.S., or an alien with evidence of lawful admission but without authority to work in the U.S., if the evidence described in §422.107(e) does not exist, but only for a valid nonwork reason. We consider you to have a valid nonwork reason if:

(i) You need a social security number to satisfy a Federal statue or regulation that requires you to have a social security number in order to receive a Federally-funded benefit to which you have otherwise established entitlement and you reside either in or outside the U.S.; or

(ii) You need a social security number to satisfy a State or local law that requires you to have a social security number in order to receive public assistance benefits to which you have otherwise established entitlement, and you are legally in the United States.

e "United States citizen" described in 20 CFR §422.104(a)(1) is a statutory "citizen of the United States" described in **8.U.S.C. §1401** t NOT a constitutional "citizen of the United States" identified in Section 1 of the Fourteenth Amendment. The difference between statutory and a constitutional citizen arises from the difference in the meaning of the term "United States" as used in the nstitution versus "United States" as used in federal statutory law. This person is born of federal territory and not within any state of e Union. This is confirmed by the following definitions:

TITLE 8 > CHAPTER 12 > SUBCHAPTER I > Sec. 1101. [Aliens and Nationality]
Sec. 1101. – Definitions

*(a)(38) The term "United States", except as otherwise specifically herein provided, when used in a geographical sense means the **continental United States**, Alaska, Hawaii, Puerto Rico, Guam, and the Virgin Islands of the United States.*

---

8 U.S.C. Sec. 1101(a)(36): State {Aliens and Nationality}
The term "State" includes the District of Columbia, Puerto Rico, Guam, and the Virgin Islands of the United States.

TITLE 8—ALIENS AND NATIONALITY CHAPTER I—IMMIGRATION AND NATURALIZATION SERVICE, DEPARTMENT OF JUSTICE
PART 215—CONTROLS OF ALIENS DEPARTING FORM THE UNITED STATES
Section 215.1: Definitions

*(f) The term **continental United States means the District of Columbia and the several States, except Alaska and Hawaii.***

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

> *"As the only judicial power vested in Congress is to create courts whose judges shall hold their offices during good behavior, it necessarily follows that, **if Congress authorizes the creation of courts and the appointment of judges for limited time, it must act independently of the Constitution upon territory which is not part of the United States within the meaning of the Constitution."***
> *[O'Donohue v. United States, 289 U.S. 516, 53 S.Ct 740 (1933)]*

Notice the last quote from the Supreme Court "NOT PART OF THE UNITED STATES WITHIN **THE MEANING OF THE CONSTITUTION**", which implies that there is ONLY ONE meaning of "United States" within the Constitution, and that this meaning does not include community property of the states of the Union under the care and management of the general government called the "territory of the United States".

I emphasize once again that I am NOT a statutory "U.S. citizen" pursuant to **8 U.S.C. §1401** because I do not maintain a legal domicile on federal territory called the "United States" or with any "State" as defined above. I was born in the "United States of America" or the "United States" as constitutionally defined, not the "United States as statutorily defined and I do not reside or maintain a domicile on federal territory subject to the exclusive jurisdiction of Congress pursuant to Article 1, Section 8, Clause 17 of the United States Constitution.

The "permanent resident" described in 20 CFR 422.104(a)(2) is a person born outside the United States of America and who made application to the United States government pursuant to 26 CFR §1.871-4 to become a "permanent resident": "permanent residents" are described in **26 U.S.C. §7701**(b)(1)(A) and **8 U.S.C. 1101**(a)(3) as an alien man or woman who has a domicile in the "United States". The "United States" is then defined in **26 U.S.C. §7701(a)(9) and (a)(10)** as being the district of Columbia. Nowhere are the several states of the Union *expressly* included, and therefore they are implicitly excluded by implication:

> *"**When a statute includes an explicit definition, we must follow that definition, even if it varies from that term's ordinary meaning.** Meese v. Keene, 481 U.S. 465, 484-485 (1987) ("It is axiomatic that the statutory definition of the term excludes unstated meanings of that term"); Colautti v. Franklin, 439 U.S. at 392-393, n. 10 ("As a rule, 'a definition which declares what a term "means" . . . excludes any meaning that is not stated'"); Western Union Telegraph Co. v. Lenroot, 323 U.S. 490, 502 (1945); Fox v. Standard Oil Co. of N.J., 294 U.S. 87, 95-96 (1935) (Cardozo, J.); see also 2A N. Singer, Sutherland on Statutes and Statutory Construction § 47.07, p. 152, and n. 10 (5th ed. 1992) (collecting cases). That is to say, the statute, read "as a whole," post at 998 [530 U.S. 943] (THOMAS, J., dissenting), leads the reader to a definition. That definition does not include the Attorney General's restriction—"the child up to the head." Its words, "substantial portion," indicate the contrary."*
> *[Stenberg v. Carhart, 530 U.S. 914 (2000)]*

> *"Expressio unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes., 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision, other exceptions of effects are excluded."*
> *[Black's Law Dictionary, Sixth Edition, p. 581]*

I emphasize that I am also NOT an "alien", "resident", or "permanent resident" as defined in **8 U.S.C. §1101**(a)(3) or **26 U.S.C. §7701**(b)(1)(A) because I was born in the United States of America but not the statutory "United States" and maintain a domicile nowhere with the "United States" (federal territory).

If you think I belong in one of the categories described in 20 CFR §422.104, please identify exactly which one and present all evidence as may be in your possession signed under penalty of perjury from someone with personal knowledge of my circumstances that proves your hypothesis. If you do not do so within 10 days of receipt of this document, you agree with me and therefore are estopped form later contradicting yourself.

26 U.S.C. § 6109(d) prescribes that an "individual's" social security number shall be used as the Taxpayer Identification Number of the individual:

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

The provisions of paragraph (b)(1) of this section regarding the furnishing of one's own number shall apply to the following foreign persons—

(i) A foreign person that has income effectively connected with the conduct of a U.S. trade or business at time during the taxable year;
(ii) A foreign person that has a U.S. office or place of business or a U.S. fiscal or paying agent at any time during the taxable year;
(iii) A nonresident alien treated as a resident under section 6013(g) or (h);
(iv) A foreign person that makes a return of tax (including income, estate, and gift tax returns), an amended return, or a refund claim under this title but excluding information returns, statements, or documents;
(v) A foreign person that makes an election under Sec. 301.7701-3(c);
(vi) A foreign person that furnishes a withholding certificate described in Sec. 1.1441-1(e)(2) or (3) of this chapter or Sec. 1.441-5(c)(2)(iv) or (3)(iii) of this chapter to the extent required under Sec. 1.441-1(e)(4)-1(e)(4)(vii) of this chapter;
(vii) A foreign person whose taxpayer identifying number is required to be furnished on any return, statement, of other document as required by the income tax regulations under 897 or 1445. This paragraph (b)(2)(vii) applies as of November 3, 2003; and
(viii) A foreign person that furnishes a withholding certificate described in Sec. 1.1446-1(c)(2) or (3) of this chapter or whose taxpayer identification number is required to be furnished on any return, statement, or other document as required by the income tax regulations under section 1446. This paragraph (b)(2)(viii) shall apply to partnership taxable years beginning May 18, 2005, or such earlier time as the regulations under Sec 1.1446-1 through 1.1446-5 of this chapter apply by reason of an election under Sec. 1.1446-7 of this chapter.

26 CFR §1.1441-1(c)(3) agrees with the above by defining an "individual" as either an "alien" or a "nonresident alien". Nowhere are "citizens" included in the definition, and therefore they are excluded by implication. Expressio unius est exclusio alterius:

25 CFR 1.1441-1 Requirement for the deduction and withholding of tax on payments to foreign persons.

(c) Definitions
(3) Individual.
(i) Alien individual.

The term alien individual means an individual who is not a citizen or a national of the United States Sec 1.1-1(c).

(ii) Nonresident alien individual.

The term nonresident alien individual means a person described in section 7701(b)(1)(B), an alien individual who is a resident of a foreign country under the residence article of an income tax treaty and Sec. 301.7701(b)-7(a)(1) of this chapter, or an alien individual who is a resident of Puerto Rico, Guam, the Commonwealth of Northern Marian Islands, the U.S. Virgin Islands, or American Samoa as determined under Sec. 301.7701(b)-1(d) of this chapter. An alien individual who has made an election under section 6013 (g) or (h) to be treated as a resident of the United States is nevertheless treated as a nonresident alien individual for purposes of withholding under chapter 3 of the Code and the regulations thereunder.

Consequently, the following rules apply to the application for and the use of Taxpayer Identification Numbers:

1. "Aliens" as defined in **26 U.S.C. §7701**(b)(1)(A) and "nonresident aliens" as defined in 26 U.S.C. 7701(b)(1)(B) are NOT equivalent. They are separate and distinct groups and "nonresident aliens" are NOT a subset of all "aliens". One may be a "nonresident alien" WITHOUT being an "alien". Such is the case with a man or woman who is a "national" but not a "citizen" as described in **8 U.S.C. §1101**(a)(21) AND **8 U.S.C. §1452**. All people born within the several Constitutional but not statutory states of the Union and domiciled outside of federal territory are "nationals" but not "citizens" under federal statutory law.

(Consequently, the withholding agent Recipient's reliance upon a third party unsigned informational return as evidence supporting one's actions in conclusion that the Affiant is a "taxpayer" is inadmissible as evidence under Federal Rule of Evidence 802 because not signed under penalty of perjury. Furthermore, the withholding agent of these forms seldom have personal knowledge that the Submitter Affirmant is in fact and in deed engaged in a "trade or business" as required by 26 U.S.C. §6041(a). Most people don't know, for instance, that a "trade or business" includes ONLY "the functions of a public office".)

2. Individual Taxpayer Identification Numbers (ITINs) may only lawfully be issued to aliens and **not** "nonresident aliens", pursuant to 26 CFR §301.6109-1. Nonresident aliens need only apply for an ITIN if they are engaged in the "trade or business" excise taxable franchise, at which time they effectively make an "election" to be treated as a "resident alien":

26 CFR § 301.7701-5 Domestic, foreign, resident, and nonresident persons.

*A domestic corporation is one organized or created in the United States, including only the States (and during the periods when not States, the Territories of Alaska and Hawaii), and the District of Columbia, or under the law of the United States or of any State or Territory. A foreign corporation is one which is not domestic. A domestic corporation is a resident corporation even though it does no business and owns no property in the United States. **A foreign corporation engaged in trade or business within the United States is referred to in the regulation in this chapter as a resident foreign corporation, and a foreign corporation not engaged in trade or business with the United States, as a nonresident foreign corporation. A partnership engaged in trade or business with the United States is referred to in the regulations in this chapter as a resident partnership, and a partnership not engaged in trade or business with the United States, as a nonresident partnership. Whether a partnership is to be regarded as resident or nonresident is not determined by the nationality or residence of its members or by the place in which it was created or organized.***

Such is the case with a man or woman who is a "national" but not "citizen" as described in **8 U.S.C. §1101**(a)(21) and **8 U.S.C. §1452.** One cannot be an "individual" as a nonresident alien without having a domicile on federal territory. Note that the term "individual" as used in the **Privacy Act, 5 U.S.C.** §552a(a)(2) does not include "nonresident aliens". One must be either a statutory "U.S. citizen" pursuant to 8 U.S.C. §1401 or a "resident alien" pursuant to 26 7701(b)(1)(A) in order to be an "individual", an both of these conditions have in common a domicile on federal territory and not within any state of the Union.

4. If an ITIN is used in the case of a "nonresident alien", such an alien has made an "election" to be treated as a "resident alien" pursuant to 26 U.S.C.§6013(g) and (h). Such an election may only lawfully be made in the case of a "nonresident alien" married to a

statutory but not constitutional "U.S. citizen" as defined in 8 U.S.C. §1401. Any other use constitutes a violation of the Internal Revenue Code and a fraud upon the United States.

5. Pursuant to **26 U.S.C. §6109**(d), Social Security Numbers (SSNs) may only lawfully be used in place of Individual Taxpayer Identification Numbers (ITINs) in the case of aliens, but not statutory "U.S. citizens" pursuant to **8 U.S.C. §1401**.

6. **26 U.S.C. § 7701**(a)(41) defines the term "TIN" as a number assigned to a "person" by the IRS under the authority of **26 U.S.C. §6109**. Nowhere are the terms "TIN" and Taxpayer Identification Number" made equivalent.

> ***TITLE 26*** > ***Subtitle F*** > ***CHAPTER 79*** > *§ 7701*

>

>
> *The term "TIN" means the identifying number assigned to a person under section 6109.*

It is a violation of due process of law to presume that a "TIN" and a "Taxpayer Identification Number" are the same think or are equivalent.

7. If a statutory "U.S. citizen" is asked to provide a Taxpayer Identification Number and he or she gives you a Social Security Number, indirectly he or she is agreeing to accept being treated as an "alien" who has voluntarily and effectively surrendered the protections and privileges of a citizen and who agrees to accept the disabilities of alienage in exchange for governmental franchises. This choice cannot be compelled and must be voluntary.

SECTION 3: LAWS VIOLATED BY APPLYING FOR SOCIAL SECURITY NUMBER OR COMPELLING ME TO APPLY FOR ONE

The process of applying for a Social Security Number is initiated by filling out SSA form SS-5. A copy of that for is available below:

> *Social Security Administration Form SS-5, Application for Social Security Card*
> **http://famguardian.org/TaxFreedom/Forms/Emancipations/SS-5.pdf**

lock 3 of the form is used to indicate one's citizenship status. The block that most Americans unknowingly check is "U.S. citizen", leaning a statutory and not constitutional "citizen" under federal law. As explained in Section 1 earlier, 20 CFR §442.104 only uthorizes statutory but not constitutional citizens to make application to the Social Security Administration. Men and women born ith and domiciled with the several states of the Union who check the statutory "U.S. citizen" box on SSA Form SS-5 are therefore:

1. Committing perjury under penalty of perjury by declaring themselves to be a statutory "U.S. citizen" pursuant to **8 U.S.C. §1401**.
2. Impersonating a statutory "U.S. citizen" in criminal violation of **18 U.S.C. §911**.
3. Attempting to defraud the United States by applying for a "benefit" that they are not legally entitled to.
4. Are unwittingly impersonating an officer or employee of the United States in criminal violation of **18 U.S.C. §912**.

> ***TITLE 18*** > ***PART I*** > ***CHAPTER*** > *§912*
> ***§912. Officer or employee of the United States***

The **Privacy Act at 5 U.S.C. §552a**(a)(13) defines "federal personnel" as any person entitled to receive any retirement payment from he federal government, INCLUDING Social Security benefits. Such benefits are ONLY available to person who ALREADY were federal personnel BEFORE they made application to participate in Social Security. The federal government cannot lawfully use or abuse their power to tax as a means to redistribute wealth among *private parties* who are NOT also "federal personnel" or "public officers" within the U.S. government:

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

To lay, with one hand, the power of the government on the property of the citizen, and with the other to bestow it upon favored individuals to aid private enterprises and build up private fortunes, is not the less a robbery because it is done under the forms of law and is called taxation. This is not legislation. It is a decree under legislative forms.

Nor is it taxation. 'A tax," say Webster's Dictionary, 'is a rate or sum of money assessed on the person or property of a citizen by government for the use of the nation or State.' 'Taxes are burdens or charges imposed by the Legislature upon persons or property to raise money for public purposes.' Cooley, Const. Lim, 479

Coulter, J., in Northern Liberties v. St. John's Church, 13 Pa. St., 104 says, very forcibly, 'I think the common mind has everywhere taken in the understanding that taxes are a public imposition, levied by authority of the government in all its machinery and operations—that they are imposed for a public purpose.' See, also Pray v. Northern Liberties, 31 Pa.St., 69; Matter of Mayor of N.Y., 11 Johns., 77; Camden v. Allen, 2 Dutch., 398; Sharpless v. Mayor, supra; Hanson v. Vernon, 27 Ia., 47; Whiting v. Fon du Lac, supra."
[Loan Association v. Topeka, 20 Wall. 655 (1874)]

"A tax, in the general understanding of the term and as used in the constitution, signifies an exaction for the support of the government. The word has never thought to connote the expropriation of money from one group for the benefit of another."
[U.S. v. Butler, 297 U.S. 1 (1936)]

The only thing the government can lawfully pay "benefits" to, including Social Security, are people who are its own "officers" PRIOR to applying for the "benefit". There is no provision within the Internal Revenue Code or the Social Security Act which authorizes the CREATION of "public offices" using any tax form. The I.R.C. and the Social Security Act simply authorize "benefits" to persons who are ALREADY officers of the United States government. **4 U.S.C. §72** says that if such offices have been created within a state of the Union, then a statute authorizing this MUST appear somewhere within the statutes which administer the benefit, and no such statute exists.

TITLE 4 > CHAPTER 3 > §72
§ 72. Public offices: at seat of Government

All offices attached to the seat of government shall be exercised in the District of Columbia, and not elsewhere, except as otherwise expressly provided by law.

Consequently, benefits such as Medicare and Social Security are ONLY available to "federal personnel" who ALREADY hold "public office" within the U.S. government. "Benefits" may NOT lawfully be offered to private individuals. All such "public officers" are then defined in **5 U.S.C. §2105** as "employees" and 5 U.S.C. §2105(a) identifies such persons as "officers AND individuals". The only way one can lawfully be an "individual" is to work for or contract with the government.

SECTION 4: LAWS VIOLATED BY APPLYING FOR A TAXPAYER IDENTIFICATION NUMBER OR COMPELLING ME TO APPLY FOR ONE

Taxpayer Identification Numbers are requested using IRS forms W-7 and W-9:

1. Form W-7 says at the top the following:

"For use by individuals who are not U.S. citizens or nationals."

As pointed out in section 1 earlier, I am a "national" but not a statutory "U.S. citizen" or an "individual", and therefore it would constitute fraud and perjury in criminal violation of **18 U.S.C. §1001**, **18 U.S.C. §1542**, and **18 U.S.C. §1621** to complete and submit the W-7 form.

2. Form W-9 is entitled "Request for Taxpayer Identification Number and Certification". Part III of this form requires the applicant to admit under penalty of perjury that they are a "U.S. person". **26 U.S.C. §7701**(a)(30) defines a "U.S. person" as a statutory "U.S. citizen" pursuant to 8 U.S.C. §1401 or a statutory "permanent resident" as defined in **26 U.S.C. §7701**(b)(1)(A) and **8 U.S.C. §1101**(a)(3). As stated in section 1 earlier, I am NEITHER a statutory "U.S. citizen" pursuant to 8 U.S.C. §1401 nor a statutory

"permanent resident" (alien) pursuant to **26 U.S.C. §7701**(b)(1)(A) and **8 U.S.C. §1101**(a)(3). Therefore, once again, it would constitute fraud and perjury in criminal violation of **18 U.S.C. §1001**, **18 U.S.C. § 1542**, and **18 U.S.C. §1621** to use the W-9 form.

Once again, the American Affirmant who gave you this form is:

1. A "nontaxpayer" not subject to any provision of subtitles A through C of the Internal Revenue Code:

> *"Revenue Laws relate to taxpayers [officers, employees, instrumentalities, and elected officials of the Federal Government] and not to non-taxpayers [American Citizens/American Nationals not subject to the exclusive jurisdiction of the Federal Government]. The latter are without the their scope. No procedures are prescribed or non-taxpayers and no attempt is made to annul any of their Right or Remedies in due course of law. With them [non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."*
> *[Economy Plumbing & Heating v. U.S., 470 F2d. 585 (1972)]*

2. A *constitutional* "Citizen of the United States **OF AMERICA**".
3. A "non-citizen national" as defined in **8 U.S.C. §1101**(a)(21) and **8 U.S.C. §1452**.
4. Domiciled on other than federal **territory** and not with any internal revenue district or United States Judicial District or "State" defined in 28 U.S.C. §1332(d), **26 U.S.C. §7701**(a)(10), or **4 U.S.C. §110**(d).
5. Subject to constitutional diversity of citizenship pursuant to **U.S. Const. Art. III. Section 2**, but NOT statutory diversity pursuant to **28 U.S.C. §1332**.
6. A "**nonresident alien**" as defined in **26 U.S.C. 7701**(b)(1)(B) but not a "nonresident alien *individual*" as defined in 26 CFR §1.1441-1(c)(3).
7. A "**stateless person**" immune from the jurisdiction of federal courts within the meaning of **28 U.S.C. §1332**. See Newman-Green v. Alfonso Lorrain, 490 U.S. 826 (1989).
8. NOT engaged in the "**trade or business**" federal franchise as defined in **26 U.S.C. §7701**(a)(26).
9. NOT a *statutory* "citizen and national of the United States" as described in **8 U.S.C. § 1401** or 26 CFR 1.1-1(c).
10. NOT a statutory "**U.S. national**" as defined in **8 U.S.C. §1408** or **8 U.S.C. §1101**(a)(22)(B).
11. NOT an "**alien**" as defined in **26 U.S.C. §7701**(b)(1)(A).
12. NOT *the* "**individual**" as defined in **5 U.S.C. §552a**(a)(2) or referenced in **5 U.S.C. §2105**(a) because neither a statutory "**U.S. citizen**" pursuant to **8 U.S.C. §1401** nor a "**resident**" (alien) pursuant to **26 U.S.C. §7701**(b)(1)(A) nor a government "employee" or officer. I am an individual in a common sense of the term, but *not* with the meaning of any federal statute. I must have a domicile on federal territory to be anything described in federal statutory civil law, and I do not maintain such a domicile. Only "public officers", "**employees**", agencies and instrumentalities operating in a representative capacity within the United States government pursuant to **Federal Rule of Civil Procedure 17**(b) can be "**individuals**" within the meaning of any provision of the I.R.C.
13. NOT *the* "**individual**" the mentioned in **26 U.S.C. §7701**(a)(1) OR 26 CFR 1.1441-1(c)(3), because not an officer, "**employee**", agency or instrumentality of the United States government or the District of Columbia as described in **26 U.S.C. §6631**(a) or any other federal law.
14. NOT an "**employee**" as defined in **26 U.S.C. §3401**(c) or 26 CFR §31.3401(c)-1 or **5 U.S.C. §2105**.
15. NOT *the* "**person**" described in **26 U.S.C. §6671**(b) or **26 U.S.C. §7343**.

WARNING: Recipient is reminded that **28 U.S.C. §2201**(a) PROHIBITS the federal courts form presuming any status OTHER than that listed above in the context of federal or state taxes. Only I as the sovereign being may declare and establish my tax and citizenship status, because only I can lawfully exercise my First Amendment right of association and freedom from compelled association in deciding what political group I wish to associate with and thereby have allegiance toward, a domicile within, and protection from. "**Domicile**" is the origin of ALL of the government's authority to impose an income tax pursuant to **26 U.S.C. §911**(d)(3) and Miller Brothers Co. v. Maryland, 347 U.S. 340 (1954), and only I can determine my domicile.

26 CFR §301.6109-1(d)(3) authorizes the issuance of Individual Taxpayer Identification Numbers ONLY to "aliens", and not all "nonresident aliens" are "aliens". I am a "nonresident alien" and a "national" but not a statutory "citizen" who is NOT an "alien" and therefore am NOT eligible for a Taxpayer Identification Number. I cannot submit an application for such a number without committing criminal perjury and impersonating a "public officer" within the U.S. government in criminal violation of **18 U.S.C. §912**. If you want to direct me to a form that can be used by a person with all of the qualifications above for lawfully obtaining such a number without committing a crime, please direct me to the proper form, as I am not now aware of any such instrument.

Pursuant to 20 CFR §422.103(d) and the back of the Social Security Card itself, Social Security Numbers and Social Security Cards are property of the Social Security Administration (SSA) and must be returned upon request:

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

PART 422—ORGANIZATION AND PROCEDURES
Subpart B—General Procedures
§422.103 Social security numbers.

(d) Social security number cards. A person who is assigned a social security number will receive a social security number card from SSA within a reasonable time after the number has been assigned. (See §422.104 regarding the assignment of social security number cards to aliens.) **Social security number cards are the property of SSA and must be returned upon request.**

The only "persons" or "individuals" who may lawfully be in possession, use, or control of government property are "public officers", trustees, and fiduciaries of the government who are described in **26 U.S.C. §6671**(b) and **26 U.S.C. §7343**. These persons all work for a federal corporation called the "United States" (28 U.S.C. §3002(15)(A)) as officers of said corporation and public trust. I am NOT such a person nor do I intend or wish to be. By applying for or using such a number, you are compelling me to donate my private property to a "public use" and to a federal franchise without compensation in violation of the United States Constitution's Fifth Amendment takings clause.

> *"Men are endowed by their Creator with certain unalienable rights,-'life, liberty, and the pursuit of happiness;' and to 'secure,' not grant or create, these rights, governments are instituted. That property [or income] which a man has honestly acquired he retains full control of, subject to these limitations: First, that he shall not use it to his neighbor's injury, and that does not mean that he must use it for his neighbor's benefit; second, **that if he devotes it to a public use, he gives to the public a right to control that use;** and third, that whenever the public needs require, the public may take it upon payment of due compensation.*
> *[Budd v. People of State of New York, 143 U.S. 517 (1892)]*

It is UNLAWFUL for a private person such as myself to use public property such as a Social Security Number or a Social Security Card for my own personal benefit to the exclusion of the government because it constitutes theft and embezzlement in criminal violation of **18 U.S.C. §641**. I am not in receipt of any evidence which would authorize me to BECOME a "public officer" or federal "employee" by virtue of applying for or using such a number. Rather, such a person must ALREADY be such officer or employee BEFORE they apply for or using such number. This is mandated by **4 U.S.C. §72**, which says that all public offices MUST be exercised in the District of Columbia and not elsewhere except as expressly provided by and enactment of Congress. There is no statue authorizing the establishment of the "public offices" that are the subject of the franchise tax called the income tax, which is upon a "trade or business"/"public office" within the U.S. government. The U.S. Supreme Court has also said that Congress CANNOT lawfully establish such offices within a state of the Union in order to tax them:

> *"Congress cannot authorize a [privileged] **trade or business** [as defined in 26 U.S.C. §7701(a)(26)] within a State in order to tax it."*

Nowhere in the I.R.C. Subtitle A are states of the Union included in the definition of "United States" and therefore it must be presumed that they are purposefully excluded. It therefore constitutes CONSTRUCTIVE FRAUD to associate me with being a "U.S. person" or with the duties of a "U.S. person" by associating me with a federal identifying number when nowhere is the place of my domicile included in the definition of "U.S." within the Internal Revenue code Subtitle A, and you aren't allowed to "assume" anything without violating due process of law and causing the government to become a religion in violation of the First Amendment to the United States Constitution. Any "presumption" that you can't support with evidence amounts to the equivalent of religious faith, an no officer of the government or "withholding agent", whether voluntary or working for pay, may lawfully engage in an act of religion without violating the Constitution.

2. **42 U.S.C. §408**(a)(7): Penalties.

SECTION 6: WARNING ABOUT USING IDENTFYING NUMBER ONINFORMATION RETURNS OR OTHER GOVERNMENT FORMS

WARNING TO RECIPIENT!: Any document, form, or information in your possession which associates a federal government issued identifying number with the Submitter of this form is knowingly false and fraudulent. Please immediately:

1. Correct your records to remove all such FALSE numbers.
2. Cease and desist filing of information returns containing such numbers. Information returns include IRS Forms W-2, 1042s, 1098, 1099, and K-1. Pursuant to **26 U.S.C. §6041**(a), all such information returns may only lawfully be submitted against persons who are engaged in a "trade or business", which is then defined as "the functions of a public office" in the U.S. Government pursuant to **26 U.S.C. §7701**(a)(26). I am not now and never have lawfully been engaged in a "public office" within the U.S. Government.
3. Send in corrected information returns which remove the false identifying number associated with me and change the amount of earnings reported that are connected to a "trade or business" to ZERO.

WHY IT IS ILLEGAL FOR ME TO REQUEST OR TO USE A TAXPAYER IDENTIFICATION NUMBER (TIN)

If you do not do the above immediately, you could be the subject of a criminal complaint against the recipient of this form based on all the violations of law resulting from fraudulent or compelled use of government issued identifying numbers described herein. That criminal complaint may also include a complaint under **26 U.S.C. §§7206** and **7207**, which make it a crime to file knowingly false information returns. These returns are false in my case because I AM NOT engaged in the "trade or business" federal franchise and because I am not eligible for, do not consent to use, and have terminated unlawful participation in all government programs that would issue a government number or convey any kind of government benefit whatsoever to the Submitter.

SECTION 7: CONSTRAINTS ON THE DELEGATED AUTHORITY OF THE SUMBIGTTER IN RELATION TO THE GOVERNMENT

1. Submitter is acting in a fiduciary and trustee capacity for God and ONLY God 24 hours a day, seven days a week
The terms of the trust indenture and constraining this delegated authority are found in the **Holy Bible Trust Indenture.**
Under the terms of the **Holy bible Trust indenture**, Submitter has NO DELEGATED AUTHORITY to:

3.1 Contract with or conduct any kind of commerce with any government other that God's government on earth.

> "You shall make no covenant with them [foreigners], nor with their [pagan government] gods [or judges]. They shall not dwell in your land [and you shall not dwell in theirs by becoming a "resident" in the process of contracting with them], lest they make you sin against Me. For if you serve their gods [under contract or agreement], it will surely be a snare to you."
> [Exodus 23:32-33, Bible, NKJV]

> "It is our true policy to steer clear of permanent alliances [contract/covenants] with any portion of the foreign world."
> [George Washington, Farewell Address]

> "Peace, commerce, and honest friendship with all nations – **entangling alliances [contracts, covenants, treaties] with none."**
> [Thomas Jefferson, First Inaugural Address, March 4, 1801]

Act as a "**public officer**" or agent of the government in any capacity, and especially in the context of the "**trade or business**" franchise defined in **26 U.S.C §7701**(a)(26) as "the function of a public office". I may ONLY serve the Lord and ONLY have allegiance protection from him and not any man.

> "No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon."
> [Luke 16:13, Bible, KJV]

4. The Holy Bible Trust Indenture applies from the date that the Submitter became a Christian.
5. Any express or implied agreements or contract between the Submitter and the government must be deemed to have been undertaken *without delegated authority* and are therefore null and void ab initio.

> *"All persons dealing with public officers [or Heavenly officers] are bound to take notice of the [Biblical] law prescribing their authority and powers."*
> *[State ex rel McConnell v. First State Bank, 22 Tenn. App. 577, 124 S.W.2d 726, 733 (1938)]*

> *"Of this it is enough to say that the United States is neither bound nor stopped by acts of its officers or agents in entering into an arrangement of agreement to do or cause to be done what the [Biblical] law does not sanction or permit, " 243 U.S., at 409. [ditto for officers of Heaven]*
> *[Utah Power and Light Co. v. United States, 243 U.S. 289, 37 S.Ct 387 (1917)]*

> *"Where an executive officer, under his misconstruction of the [Biblical] law, has acted without or beyond the powers given him, the courts have jurisdiction to restore the status quo ante insofar as that may be done (cites omitted)."*
> *[United States v. Mott, 37 F.2d 860, 862 (10th Cir. 1930), Affirmed, Mott v. United States, 283 U.S. 747, 51 S.Ct. 642 (1931)]*

> *"Whatever the form in which the [Heavenly] Government functions, anyone entering into an arrangement with the [Heavenly] Government takes the risk of having accurately ascertained that he who purports to act for the [Heavenly] Government stays within the bounds of his authority. The scope of this authority may be explicitly defined by Congress [or the Holy Bible] or be limited by delegated legislation, properly exercised through the rule-making power. And this is so even though, as here, the agent himself may have been unaware of the limitation upon his authority," 332 U.S., at 384.*

7. Government has received reasonable notice of the revocation of the Social Security Contract by being sent the SSA Form 521 (and posted in the public record) in 2006 (and, reestablishing the same rescission in the public record in 2009).
8. Submitter reserves all his God given unalienable rights pursuant to UCC 1-208 and its predecessor, UCC 1-207, and UCC 1-103.
9. Because Submitter reserves all rights and has no authority to delegate any of them under the terms of the Holy Bible Trust Indenture, then he is a foreign sovereign within the meaning of the **Foreign Sovereign Immunities Act, 28 U.S.C. Part IV, Chapter 97**.
10. Submitter has and will continue to notify the government in ONLY in written forms that all obligations, contracts, or agreements between him and any other foreign sovereign such as the United States government are ceased.
11. Any obligations, debts, or collection notices sent to the Submitter by the government must be accompanied by the written instrument containing his signature that created the alleged debt pursuant to the documents attached herein and the **Fair Debt Collection Practices Act, 15 U.S.C. §1692(g)(b)** and UCC 3-501.
12. Recipient is reminded that if the government can enact anything requiring all contracts with the government to be in writing, then I have *equal* right to enforce the same requirement upon the government by giving reasonable notice of the existence of such requirement.

> *"Every man is supposed to know the law. A party who makes a contract with an officer [of the government or of God's government] without having it reduced to writing is knowingly accessory to a violation of duty on his part. Such a party aids in the violation of the law."*

3. Tell me you have a "policy" to disregard or contradict what appears here. Corporate or private policy cannot and does not supersede the requirements of enacted law. I am NOT interested in your "policy", but only in doing what the law allows and require both me and you to do or not do in this circumstance. I WILL NOT help you violate the laws clearly documented here by applying for r using government issued identifying number, regardless of what your "policy" is. I am not interested in what the policy" of the recipient is because I don't and won't govern my life by "policy" or even "public policy" disguised as de facto law. I ust obey the laws of my God, which say that I can't contract with, do business with, be a "resident", "citizen", or domiciliary of, or ay money to any government, which it calls "the Beast" in Rev. 19:19.

RE: Johnson v. AzHHA class member Darrell James, Hill (member 000000932): See related correspondence to SSA Commissioner Astrue (c/o President Obama) re: sovereign status (See Affidavit DOC# 360413, McKinley County, N. Mex.).

Dear Mr. Samson,

I am writing again concerning my complete prohibition of all deductions made upon RG2 Claims; correspondence was initially sent to you by USPO CMN: 70021830000210300038. Historically:

I denied RG2 authority to make any deductions from any proceeds due to me.
RG2 did not respond.
I sent my Citizenship status declaration to you (which you sent to David Sorensen). Thenafter,
I spoke with David regarding the deductions matter, and David reportedly:
i) spoke with RG2 Claims; and,
ii) **RG2 concluded to ignore my Sovereign rights, Constitutional law and federal statutes to impose unlawful actions against me despite my clearly expressed non-authorization of their proposed deductions upon any class member distributions due to me.**

My wife and I are not "U.S. Citizens" in the statutory sense; we are American Citizens in the Constitutional sense. To this end my wife and I have written to the Commissioner of the SSA AGAIN to illuminate our choices of SSA Non-association. The attached Affidavit, DOC# 360413, McKinley County, N. Mex. is important as relates to our American Citizen Non-SSA association statuses, and as relates to our to be expected RG2 Claims suit for recovery of redistributed funds.

I want to begin the suit as soon as deductions have for fact been made upon receipts due to me. I know that RG2 Claims is not my enemy; however, I will need to sue them on Constitutional grounds for the immediate and direct repayment to me of all funds redistributed in Any case, and damages if the court allows. I do not consent to RG2's mechanical predilections in my case (all considered), NOR has or could the district court(s) sanction RG2 to impose Constitutional law or federal statutory violations upon my wife and I.

Please contact me at: djhill4yah@yahoo.com; 1.505.783.2499, concerning the RG2 deduction matter. And, I will need Pennsylvania counsel for Constitutional court. I have asked David for same but he has not yet responded; I hope he is well.

Sincerely,

Darrell James, Hill

Re: Commissioner John J. Astrue c/o President Barack H. Obama Affidavits (attached)

Dear Mr. President:

Our name is Hill: Darrell James, Hill, husband, and wife Beverly Jean Romero- Hill. We are American Citizens born in states of the union of States of America. We trust in God Almighty, the God of Abraham, Isaac and Jacob, and keep the commandments of the Most High God YHVH sacred.

We have written to Commissioner Astrue c/o You the attached Affidavit(s) (Notices of Default) **because you are this agency's direct chief executive**. The Affidavit decrees our Non-SSA association status and demands the Commissioner's strict compliance with our Constitutional decree.

Issue History and Status

We administratively ordered Commissioner to rescind the any SSA association (account, number, et seq.) over six years ago necessitating writing the American Citizen Sovereign's Affidavits now enclosed to Commissioner c/o you.

The statuses are not administrative issues, not requests, and not subject to dispute. The decrees and demands are plainly from inalienable Constitutional rights of choice as we did act, and the Commissioner is Constitutionally constrained and duty bound to serve in accordance with each decree and order. (When a Constitutional republic's principles are abandoned without apprehension of repercussion, look for a dulocracy.)

What We want you to do

Commit the letter to the addressee; and, oblige the Commissioner to without hesitation obey our decrees and demands, to respect our choices under obligation to the Constitution for United States of America. Your expedience in this matter would be appreciated.

Sincerely;

Darrell James, Hill (husband)

NOTICE OF DEFAULT

You are in Default of Notice and Demand:
this document is the service of Notice of Default upon you Commissioner Astrue, et al., (Commissioner) of the Social Security Administration (SSA) for dishonor upon the demand and all prior notices of same from Darrell James, Hill, (Submitter) to rescind all SSA association as ordered, noticed and demanded.

Darrell James, Hill:
Submitter is an American citizen, a private human being born within the states of the Union of States of America. Submitter is Not a "U.S. Citizen", "person", "individual", "resident", "entity" , or "etc." other terms of the municipal, administrative law and adhesion contract(s) of the "United States"; Rather, Submitter is a non-volunteer of same.

I, Darrell James, Hill, have settled my belief and place all my trust in God Almighty, the Torah God of Abraham, Isaac and Jacob, YHVH to protect and provide for me forever, now and hereafter. All I have ever needed is manifested through Him. This fact is my experience, understanding, my religious choice of Sovereign right, and not alienable under the Constitution for the United States of America. No other guarantor, specifically the United States SSA, is necessary or needed as I decided in May of 2006, the date of the ORIGINAL Order of Rescission received by the SSA association, et seq. See Since 2006 the Commissioner has ignored Submitter's determination (below).

Since 2006 the Commissioner has ignored Submitter's determination:

1. See Judges Order in United States of America v. Beverly J. Hill, and Darrell J. Hill, individually,..., No. CV 05-877-PHX-DGC permanently enjoined Submitter from any involvement in any way for filing or assisting in filing of any tax return for any "person or entity other than themselves." Submitter is not a "person" or and "entity". As the self, Submitter is an American Citizen under the Constitution for the United States of America, Not a "U.S. Citizen", etc. as determined above.
2. Administrative Demand For Rescission of SSA association was filed in May 22. 2006,at the local SSA office, evidence of which was sent broadly then filed into the public record in Gila County Arizona, Doc. Id. 2006-008777
3. Multiple Demand For Rescission of SSA association was sent and received by Commissioner by USPO Registered Mail RA 337 238 865 US in September 2009.
4. See 2009 Case: 2:09 CV-01956-DGC Darrell Hill v Premier Healthcare Services: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.
5. See 2009 Case 2:09 CV-01957-MHM Darrell Hill v DNA Medical Staffing, LLC: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.

6 See 2009 Case 2:09 CV-01958-JAT Darrell Hill v Promise Hospital of Phoenix, Inc.: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.

U.S. Commissioner of SSA Authority

Submitter does Not volunteer His sovereign Constitutional rights to Commissioner. Under the Constitution for the United States of America public servants' actions ignoring Submitter Sovereign's order for rescission of the SSA association are criminal behaviors imposed without right against Submitter's sovereign rights of choice for rescission of and non-association with the SSA.

Commissioner Acquiesced by Inaction upon Sovereign's demand

NO response is acquiescence in the Default of Notice and Demand. Further, No acknowledgment by Commissioner of Submitter's sovereign authority to command rescission of the SSA association is a direct violation of Commissioner's Constitutional obligation to the People of the United States of America. Thus, you are in Dishonor.

Thus, the Commissioner's inaction after Submitter's sovereign demand:

breached Commissioner's sworn Constitutional duty;
failed stated administrative regulations governing Commissioner's actions; and,
violated Submitter's sovereign constitutional rights of choice.

As Commissioner's behavior is plainly un-Constitutional your dysfunction should not be enabled because:

Submitter is a Sovereign private human being

Submitter is a Sovereign Citizen under the Constitution for the United States of America. As such, Submitter prohibits future record keeping of this Submitter, Darrell James, Hill, the private human being, in Commissioner's governmental and/or other associated databases as anything other than a Sovereign Citizen under the Constitution for the United States of America in the Constitutional sense.

Submitter does Not relinquish His Sovereignty to the Commissioner

Because of the Amendment X to the Constitution for the United States of America, the federal United States government has no authority and cannot assume authority over the People.

> *"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."*
> *[Constitution for the United States of America, Amendment X]*

Sovereignty is a natural right which cannot lawfully be relinquished involuntarily. Any removal of sovereignty must be accomplished voluntarily by the Submitter: Government powers may not reach beyond that which is constitutionally granted. Thus, in order for the "United States" government to vicariously subject Submitter to its law(s) it is necessary for Submitter to relinquish sovereignty to the "United States" government. Since 2006 the SSA association has been INVOLUNTARY, compelled in this instance by the Commissioner's disobedience of Submitter's Sovereign Choice.

Commissioner's strict compliance with Sovereign's rescission order was demanded

Upon receipt of Notice and Demand for the rescission of the SSA association, you were thereby immediately obligated to: 1) correct Submitter's all association, history and "Numident" consistent with Submitter's Non-SSA association determination; 2) provide documentation of (i) your strict compliance with Submitter's rescission order (ii) noting that it was effective as of the date of original order of rescission (May 2006).

Commissioner has Not had Nor has now authority to disobey Submitter's Order of Rescission

Commissioner has not had and still yet has No Constitutional authority, presumed or assumable, to disobey Submitter's order of rescission of the SSA association. **Submitter Sovereign herein**

Sovereign Decree

Because the Commissioner dishonors his office before the lawful order from Darrell James, Hill, a sovereign Citizen of the United States of America, by:

(a)
(1) denial of Constitutional compliance to Submitter's order;
(2) disobeying rescission order of all SSA association: and, that

(b) upon all prima facie evidence herein, that Sovereign:
(1) made known the order to the United States Commissioner of SSA;
(2) noticed, demanded and severally made known the demand to the United States SSA Commissioner's attention so that Commissioner knew or should have known Submitter's Command.

Submitter confirms final compliance with all Constitutional requirements to sever the SSA association. Therefore,

Submitter Sovereign Constitutionally demands:
1) immediate elimination of all SSA association; and,
(2) Commissioner will immediately provide Submitter written compliance with Sovereign's decree, effective to the date of Submitter's order of first filing, to wit, May 2006.

Dear Commissioner Astrue;

The Hills, Darrell James (husband), and Beverly Jean, Romero- (wife), wrote and sent to you c/o President Barack Hussein Obama two affidavits by USPS registered mail (RE 430 969 426 US; received September 13, 2012). See "**Affidavit: Notice of Default**, from husband (4 pages) and **Affidavit: Notice of Default** from wife (3 pages)", enclosed.

The Affidavits are Constitutional decrees that compel your attention and direct your compliance in achieving the duties in completion of May 2006 orders for the absolute rescissions of all SSA association(s) as noticed, demanded, and defaulted upon by you.

You no doubt may have a busy position, so under stand that these People chose **to Not** be associated with the SSA, et.al, system in 2006 (a fact you have repeatedly ignored). Thus, you have been commanded in the two Constitutional decrees by these People to straightaway i) comply with the severance of all SSA association as ordered and ii) report your compliance of same to each Constitutional Sovereign, Darrell James, Hill (husband); and, Beverly Jean, Romero-Hill (wife).

Commissioner, Your hands-on determination to get these firm orders promptly fulfilled is required; your expedience would be greatly appreciated. (You can execute this order in moments; please do so sir.)

Sincerely:

Darrell James, Hill (husband)

NOTICE OF DEFAULT

You are in Default of Notice and Demand:
this document is the service of Notice of Default upon you Commissioner Astrue, et al., (Commissioner) of the Social Security Administration (SSA) for dishonor upon the demand and all prior notices of same from Darrell James, Hill, (Submitter) to rescind all SSA association as ordered, noticed and demanded.

Darrell James, Hill:
Submitter is an American citizen, a private human being born within the states of the Union of States of America. Submitter is Not a "U.S. Citizen", "person", "individual", "resident", "entity" , or "etc." other terms of the municipal, administrative law and adhesion contract(s) of the "United States"; Rather, Submitter is a non-volunteer of same.

I, Darrell James, Hill, have settled my belief and place all my trust in God Almighty, the Torah God of Abraham, Isaac and Jacob, YHVH to protect and provide for me forever, now and hereafter. All I have ever needed is manifested through Him. This fact is my experience, understanding, my religious choice of Sovereign right, and not alienable under the Constitution for the United States of America. No other guarantor, specifically the United States SSA, is necessary or needed as I decided in May of 2006, the date of the ORIGINAL Order of Rescission received by the SSA association, et seq. See Since 2006 the Commissioner has ignored Submitter's determination (below).

Since 2006 the Commissioner has ignored Submitter's determination;

1. See Judges Order in United States of America v. Beverly J. Hill, and Darrell J. Hill, individually, .., No. CV 05-877-PHX-DGC permanently enjoined Submitter from any involvement in any way for filing or assisting in filing of any tax return for any "person or entity other than themselves." Submitter is not a "person" or and "entity". As the self, Submitter is an American Citizen under the Constitution for the United States of America, Not a "U.S. Citizen", etc. as determined above.
2. Administrative Demand For Rescission of SSA association was filed in May 22. 2006,at the local SSA office, evidence of which was sent broadly then filed into the public record in Gila County Arizona, Doc. Id. 2006-008777
3. Multiple Demand For Rescission of SSA association was sent and received by Commissioner by USPO Registered Mail RA 337 238 865 US in September 2009.
4. See 2009 Case: 2:09 CV-01956-DGC Darrell Hill v Premier Healthcare Services: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.
5. See 2009 Case 2:09 CV-01957-MHM Darrell Hill v DNA Medical Staffing, LLC: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.

6 See 2009 Case 2:09 CV-01958-JAT Darrell Hill v Promise Hospital of Phoenix, Inc.: Commissioner of SSA is codefendant. Rescission information is Placed in Docket 1, Exhibits.

U.S. Commissioner of SSA Authority
Submitter does Not volunteer His sovereign Constitutional rights to Commissioner. Under the Constitution for the United States of America public servants' actions ignoring Submitter Sovereign's order for rescission of the SSA association are criminal behaviors imposed without right against Submitter's sovereign rights of choice for rescission of and non-association with the SSA.

Commissioner Acquiesced by Inaction upon Sovereign's demand
NO response is acquiescence in the Default of Notice and Demand. Further, No acknowledgment by Commissioner of Submitter's sovereign authority to command rescission of the SSA association is a direct violation of Commissioner's Constitutional obligation to the People of the United States of America. Thus, you are in Dishonor.

Thus, the Commissioner's inaction after Submitter's sovereign demand:
Breached Commissioner's sworn Constitutional duty;
Failed stated administrative regulations governing Commissioner's actions; and,
Violated Submitter's sovereign constitutional rights of choice.

As Commissioner's behavior is plainly un-Constitutional your dysfunction should not be enabled because:

Submitter is a Sovereign private human being
Submitter is a Sovereign Citizen under the Constitution for the United States of America. As such, Submitter prohibits future record keeping of this Submitter, Darrell James, Hill, the private human being, in Commissioner's governmental and/or other associated databases as anything other than a Sovereign Citizen under the Constitution for the United States of America in the Constitutional sense.

Submitter does Not relinquish His Sovereignty to the Commissioner
Because of the Amendment X to the Constitution for the United States of America, the federal United States government has no authority and cannot assume authority over the People.

> *"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."*
> *[Constitution for the United States of America, Amendment X]*

Sovereignty is a natural right which cannot lawfully be relinquished involuntarily. Any removal of sovereignty must be accomplished voluntarily by the Submitter: Government powers may not reach beyond that which is constitutionally granted. Thus, in order for the "United States" government to vicariously subject Submitter to its law(s) it is necessary for Submitter to relinquish sovereignty to the "United States" government. Since 2006 the SSA association has been INVOLUNTARY, compelled in this instance by the Commissioner's disobedience of Submitter's Sovereign Choice.

Commissioner's strict compliance with Sovereign's rescission order was demanded
Upon receipt of Notice and Demand for the rescission of the SSA association, you were thereby immediately obligated to: 1) correct Submitter's all association, history and "Numident" consistent with Submitter's Non-SSA association determination; 2) provide documentation of (i) your strict compliance with Submitter's rescission order (ii) noting that it was effective as of the date of original order of rescission (May 2006).

Commissioner has Not had Nor has now authority to disobey Submitter's Order of Rescission
Commissioner has not had and still yet has No Constitutional authority, presumed or assumable, to disobey Submitter's order of rescission of the SSA association. **Submitter Sovereign herein**

Re: 2ND -Commissioner Astrue c/o President Barack H. Obama: Response Letter; Affidavits (attached)

Dear Mr. President:

AGAIN, we write: Our name is Hill: Darrell James, Hill, husband, and wife Beverly Jean Romero- Hill. We are American Citizens born in states of the union of States of America. We trust in the God of Abraham, Isaac and Jacob; keep the commandments of the Most High God YHVH sacred, and have the testimony of His Son Yushuah, the Almighty God.

This is our SECOND USPO Registered Mail letter to Commissioner Astrue c/o You, continued **upon the same matter: See USPO RMN RE430969426US.**

The Commissioner's Response Letter Request

Clearly, the Commissioner's letter content is simply misguided (See a copy of his "TEH2A, 129010X8" LETTER enclosed, 1 page), as we are plainly not the "persons" and etc. other statutory terms whereupon the Commissioner's response presumes to validate his position. The enclosed Affidavits resolve this actual or feigned ignorance (see the AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS, (2) enclosed).

What We want you Barack to do – in finality

Commit the letter to the addressee; and, this time **ORDER the Commissioner to WITH NO FURTHER DELAY obey our decrees and demands under obligation to the Constitution for United States of America.** NO excuses or other ignorant positions; get this done!

Sincerely;

10/11/2012

SOCIAL SECURITY

TEH2A
129010X8

October 1, 2012

Mr. and Mrs. Darrell J. Hill
28 Hilltop Court
Ramah, New Mexico 87321

Dear Mr. and Mrs. Hill:

Thank you for your September18, 2012 letter about the Social Security program. People cannot voluntarily end their participation in the program. Under Federal law, it is mandatory that everyone pay Social Security taxes, regardless of the citizenship or place of residence of either the employer or the employee. Unless specifically exempt by law, everyone working in the United States must pay Social Security taxes.

Similarly, people cannot withdraw the Social Security taxes that they have already paid. We do not place Social Security taxes paid by employees and employers in individual accounts but use them to pay benefits to workers and their families today. A person must voluntarily file an application to receive these benefits.

The law (Section 205 of the Social Security Act) requires the Social Security Administration to maintain records of workers' earnings and to establish any other records necessary to carry out our responsibilities under the Social Security Act. Since many people have the same name, or change their name, we needed a reliable and permanent system to distinguish one individual from another in our records. Congress established the Social Security number system to meet that need.

The Supreme Court has upheld the constitutionality of the Social Security system, as established by the Social Security Act, and mandatory individual participation. We will not respond further to your correspondence about voluntary participation in the Social Security program or the withdrawal of Social Security taxes.

The Internal Revenue Service has jurisdiction over the issue of liability for Social Security taxes; the United States Citizenship and Immigration Services has jurisdiction over the issue of citizenship. If you have questions about those subjects, you should contact one of those offices.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

Date that UNLAWFUL SSA participation was retroactively terminated was May 22, 2006 (Date SSA Form 521 was mailed to SSA and IRS).

13.3. Submitter is not a Federal elected or appointed "public officer".
13.4. Submitter is not an "employee" as defined In **26 U.S.C. §3401**(c) and 26 CFR §31.3401(c)-1.
13.5. Submitter has a State-issued driver's license. Corporate (not de jure) State name: Arizona
13.6. Submitter has a State issued marriage license.
13.7. Submitter does not possess an Attorney license (Admitted to practice by state-supreme Court).
13.8. **Submitter has no lawful federal government identifying number.**

WARNING: You may not use any government issued identifying number in connection with the Submitter, such as a Social Security Number (SSN) as defined in 20 CFR 422.103(d), Taxpayer Identification Number (TIN) as defined in **26 U.S.C. 6109**, or Employer Identification Number (EIN) as defined in **26 U.S.C. 6109**.
Submitter:

1. Would be violating the law to either request or use a Taxpayer Identification Number. See AFFIRMATION, **WHY IT IS ILLEGAL FOR ME TO REQUEST OR USE A TAXPAYER IDENTIFICATION NUMBER** (attached).
2. Is not required to have or to use a Social Security Number or Taxpayer Identification Number pursuant to 31 CFR §103.34(a)(3)(x) and 31 CFR §306.10, Note 2.
3. Does not participate and is not lawfully eligible to participate in Social Security or the "trade or business" excise taxable franchise described in **26 U.S.C. Subtitle A**.
4. Is not an "alien" for which an Individual Taxpayer Identification Number may lawfully be used pursuant to 26 CFR §301.6109- 1(d)(3). Nonresident aliens are NOT "aliens" are not equivalent. A human being who is a "national" can be a "nonresident alien" with being an "alien". See **26 U.S.C. §7701**(b)(1)(A) and **26 U.S.C. §7701**(b)(1)(B).
5. May not lawfully use or possess any government identifying number because it is "public property" which belongs to the government pursuant to 20 CFR §422.103(d). Only "public officers" on official business may lawfully use public property, and only in strict accordance with law for the benefit of the government and not them as private individuals.
6. Is appearing as a private person and not a public officer. If you compel me to use a government identifying number, you are an accessory to criminal conversion of private property to a public use and a public purpose if you connect me or my assets with a public number in violation of **18 U.S.C. § 654**. You could end up in jail for ten years if you put an identifying number on any records pertaining to me or my property, assets, or my earnings from PRIVATE employment.
7. Has been a victim of identity theft, compelled association, and conversion by the government and its agents in banks and financial institutions in the past by unlawfully and involuntarily connecting them with knowingly false and fraudulent identifying numbers in criminal violation of **18 U.S.C. §1028A**, and a civil violation of **42 U.S.C. §408**(a)(7) and **42 U.S.C. §405**(c)(2)(C)(i). He would like to prevent a recurrence of this behavior again.
8. Will file a criminal complaint in connection with the use of any government issued identifying number connected with his exclusively PRIVATE life, property, and liberty and vociferously prosecute all those who unlawfully compel him to use a knowingly false number or any number at all in order to obtain any service or product in violation of **42 U.S.C. §408**.

WARNING: Any Social Security Number or Taxpayer Identification Number you have on file is FALSE and must be removed from your records. Failure to abide by this absolute requirement of law is a criminal violation of **18 U.S.C. §1028**(a)(7); **18 U.S.C. §1028A**, and a civil violation of **42 U.S.C. §408** and **42 U.S.C. §405**(c)(2)(C)(i).

14. DOMICILE AND RESIDENCE

1. My domicile and NOT "residence" is that indicated earlier on Item 12 above.
2. My domicile is outside the statutory but not constitutional "United States" and outside of federal territory. The Term "statutory United States" includes all statutory definitions of "United States" within any act of Congress.
3. I am not a statutory "resident". All "residents" are statutory "aliens" per **26 U.S.C. §7701**(b)(4).
4. I DO NOT have a statutory "residence" anywhere within the statutory "United States" per 26 CFR §1.871-2(b) because I am not a statutory "alien".

If you believe that the term "residence" includes the domicile of those who are non-citizen nationals, nonresident alien NON-individuals, please produce a statute that expressly includes this status within the meaning of the term "residence".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

5. **WARNING**: You may not lawfully withhold any amount from proceeds due to me. The remainder of this section provides legally admissible evidence proving why this is.

6. Your withholding is ONLY on "wages" as legally defined in **26 U.S.C. §3401.** The earnings of nonresident alien NON-individuals not engaged in a "trade or business" as legally defined are excluded from "wages" per **26 U.S.C. §3401**(a)(6) and 26 U.S.C. §3401(a)(11) and therefore may not lawfully become the subject of tax withholding. If you withhold, you will therefore be guilty of the following crimes:

6.1. **18 U.S.C. §654:** Conversion of private property to a "public use" and a "public office". You are converting my PRIVATE proceeds as a class member into a public purpose and a "public office" by fraudulently and falsely connecting same with a "trade or business".

6.2. **18 U.S.C. §201:** Bribery of public officials and witnesses. You are bribing public officials who will receive the money you STOLE from me in violation of the law. The punishment is a fine and up to 15 years in jail. I remind you that all tax withholdings are classified as "gifts" by the IRS. See IRS Document 6209, pp. 4-1 and 4-2, which identify W-2 forms as "Estate and gift taxes". All tax withholdings are "gifts" to public officials that also constitute bribes.

6.3. **18 U.S.C. §1956**(a)(1)(A)(ii): Money laundering. You are laundering unlawfully withheld proceeds. The punishment is a fine up to $500,000 and imprisonment for up to twenty years.

7. IRS Publication 515 indicates that nonresident alien individuals who give you IRS form W-8BEN are exempt from backup withholding. This requirement is also found in **26 U.S.C. § 3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b). **This Affidavit serves the equivalent of IRS Form W-8BEN because IRS doesn't have a form for those who are "nonresident aliens" but who are not "individuals", "persons", or "taxpayers".**

> **[IRS Publication 515, Year 2001, p.3]**

8. You MAY NOT lawfully tamper with, reject, redact any portion of, or alter any withholding form that I give you. You must accept them AS IS and may not lawfully threaten me to change them. If you do, you could be prosecuted for extortion.

> *"The employer is not authorized to alter the form or to dishonor the employee's claim. The certificate goes into effect automatically in accordance with certain standards enumerated in* **§3402(f)(3).**"
> *[U.S. v. Malinowski, 347 F.Supp. 347 (1972)]*

9. The proceeds connected with our relationship do not constitute "income" and therefore cannot be the subject of any tax or withholding or reporting within the Internal Revenue Code. The only definition of "income" in the Internal Revenue Code is found in **26 U.S.C. §643**(b) and it includes ONLY the earnings of a trust or estate. I am not representing a domestic trust or estate. My earnings and my entire estate instead are a "foreign estate" pursuant to 26 U.S.C. §7701(a)(31).

10. Any earnings that result from our relationship *do not* originate from "sources within the United States". The term "United States" is defined below.

If you dispute this definition, please provide the definition that expressly identifies states of the Union as being included in the meaning of "United States".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

CHAPTER 4 – THE STATES

Sec. 1210. Same; definitions
(d) The term "State" includes any Territory or possession of the United States.

"Expression unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

11. The financial transactions likely to result from relationship are excluded from (not "subject to" but not "exempt") taxation pursuant to the following authorities and therefore not subject to withholding:

11.1. **26 U.S.C. § 861**(a)(3)(C)(i): Earning from labor of "nonresident aliens" not engaged in a "trade or business" and working in the "United States" is not deemed to be income from sources within the "United States".
11.2. **26 U.S.C. § 3401**(a)(6): Nonresident aliens do not earn "wages".
11.3. **26 U.S.C. §1402**(b): Nonresident aliens do not earn "self-employment income".
11.4. **26 U.S.C. §864**(b)(1)(A): Earning of "nonresident aliens" working for foreign employers such as private employers do not have earnings associated with a "trade or business in the United States"
11.5. 26 CFR §31.3401(a)(6)-1(b): Remuneration of nonresident aliens outside the "United States" is not subject to taxation.
11.6. 26 CFR §1.872-2(f): Earning of nonresident aliens outside "United States" do not constitute "gross income".
11.7 26 CFR §1.871-7(a)(4): Nonresident aliens not engaged in a "trade or business" earn no "gross income".

12. Tax withholding is only appropriate for those having a tax liability. A nonresident alien NON-individual such as the submitter with no "income" or earning form "sources within the United States" under **26 U.S.C. §871** can have no tax liability. If you think you, as a private employer or private institution constitutes a "source within the United States", then why did the IRS Internal Revenue Manual say the following and where are the states of the Union included in "United States" as defined above?:

IRM 5.14.10.2 (09-30-2004)
Payroll Deduction Agreements

2. Private employers, states, and political subdivisions are not required to enter into payroll deduction agreements. Taxpayers should determine whether their employers will accept and process executed agreements before agreements are submitted for approval or finalized.
[http://www.irs.gov/irm/part5/ch14s10.html]

13. You can only be an "employer" if I am an "employee", according to 26 U.S.C. §3401(d). I am NOT an "employee", because all "employees" are "public officers" engaged in a "trade or business" who work for the United States government as the equivalent of "temps" or "Kelly Girls" on loan to private employers such as you. **I DO NOT consent to act in such capacity**, and therefore you cannot be an "employer" in the context of me"

26 CFR § 31.3401(c)-1 Employee:

"...the term [employee] includes [is limited to] officers and employees, whether elected or appointed, of the United States, a [federal] State, Territory, Puerto Rico or any political subdivision, thereof, or the District of Columbia, or any agency of instrumentality of any one of more of the foregoing. The term 'employee' also includes an officer of a corporation."

26 U.S.C. §3401(c) Employee

For purpose of this chapter, the term "employee" includes [is limited to] an officer, employee, or elected official of the United States, a State, or any political thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing. The term "employee" also includes an officer of a corporation.

Employee: "The term employee specifically includes officers and employees whether elected or appointed, of the United States, a state, territory, or political subdivision thereof or the District of Columbia or any agency or instrumentality of any one or more of the foregoing."

If you disagree with this item, please rebut the foregoing within 30 days or be held in default and estoppels to challenge later.

14. You are only liable to withhold if you are an "employer" and if I receive "wages". 26 CFR 31.3403-1, 26 CFR §31.3111-4, 26 CFR §3102-1(c). The only way I can receive "wages" is to sign a contract called a W-4 absent duress consenting to call what proceeds I receive "wages" as legally defined but not commonly understood. If I don't sign the contract, then I don't earn "wages" subject to any withholding or reporting:

"Every man has a natural right to the fruits of his own labor, is generally admitted; and no other person can rightfully deprive him of those fruits, and appropriate them against his will..."
*[The antelope, **23 U.S. 66**: 10 Wheat 66, 6 L.Ed. 268 (1825)]*

"Included in the rights of personal liberty and the right of private property--partaking of the nature of each—is the right to make contracts for the acquisition of property. Chief among such contracts is that of personal employment, by which labor and other services are exchanged for money or other forms or property."

"...The right of a person to sell his labor upon such terms as he deems proper is, in its essence, the same as the right of the purchaser of labor to prescribe the conditions under which he will accept such labor from the person offering to sell it."

26 CFR §31.3401(a)-3 Amounts deemed wages under voluntary withholding agreements

(a) In general.

Notwithstanding the exceptions to the definition of wages specified in section 3401(a) and the regulations thereunder, the term "wages" includes the amounts described in paragraph (b)(1) of this section with respect to which there is a voluntary withholding agreement in effect under section 3402(p). References in this chapter to the definition of wages contained in section 3410(a) shall be deemed to refer also to this section (§31.3401(a)-3).

Title 26 : Internal Revenue
PART 31—EMPLOYMENT TAXES AND COLLECTION OF INCOME TAX AT SOURCE
Subpart E—Collection of Income Tax at Source
§31.3402(p)-1 Voluntary withholding agreements

(a) In general.

An employee and his employer may enter into an agreement under section 3402(b) to provide for the withholding of income tax upon payments of amounts described in paragraph (b)(1) of §31.3401(a)-3, made after December 31, 1970. An agreement may be entered into under this section only with respect to amounts which are includible in the gross income of the employee under section 61, and must be applicable to all such amounts paid by the employer to the employee. The amount to be withheld pursuant to an agreement under section 3402(p) shall be determined under the rules contained in section 3402 and the regulations thereunder. See §31.3405(c)-1, Q&A-3 concerning agreements to have more than 20-percent Federal income tax withheld from eligible rollover distributions with the meaning of section 402.

15. If I never give you an IRS form W-4 and thereby consent to call what proceeds I am due "wages" as defined in the Internal Revenue Code, then you can't lawfully withhold or report anything:

15.1. Everything that goes on the IRS form W-2 constitutes "wages" as legally defined and not commonly understood.

15.2 Tax withholding ONLY pertains to "wages" as legally defined and NOT all earnings. The U.S. Supreme Court confirmed this:

> *"We must reject in this case, as we have rejected in cases arising under the Corporation Excise Tax Act of 1909 (Doyle, Collector, v. Mitchells Brother Co., 247 U.S. 179, 38 Sup. Ct. 467, 62 L. Ed. --) the broad contention submitted on behalf of the government that all receipts—everything that comes in –are income with the proper definition of the term 'gross income.' And that the entire proceeds of a conversion of capital assets, in whatever form and under whatever circumstances accomplished, should be treated as gross income. Certainly the term "income' has no broader meaning in the 1913 act than in that of 1909 (See Stratton's Independence v. Howbert, 231 U.S. 399, 416, 417 S., 34 Sup. Ct. 136), and for the present purpose we assume there is no difference in its meaning as used in the two acts."*
> *[Southern Pacific Co., v. Lowe, 247 U.S. 330, 335, 38 S. Ct 540 (1918)]*

15.3. If you are ordered by the IRS, et al., to withhold proceeds because I refuse to submit an IRS for W-4, then you must withhold and report ONLY on "wages" as statutorily defined and limited pursuant to the I.R.C. "trade or business" franchise agreement. I don't earn "wages" if I never consented to call them "wages" using a private contract called an IRS form W-4.

16. On the subject of unlawful withholding the Bible say the following. "Wages" as used below implies the ordinary and excludes the statutory definition:

> *"Woe to him who builds his house by unrighteousness*
> *And his chambers by injustice,*
> *Who [whether individual or government] uses his neighbor's service without wages*
> *And give him nothing for his work*
> *[Jer. 22:13, Bible, NKJV]*

> *"Come now, you rich, weep and howl for your miseries that are coming upon you! Your riches are corrupted, and you garments are moth-eaten. Your gold and silver are corroded, and their corrosion will be a witness against you and will eat your flesh like fire. You have heaped up treasure in the last days. Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord of Sabaoth. You [business owner who control the purse of the workers] have lived on the earth in pleasure and luxury; you have fattened your hearts as in a day of slaughter. You have condemned, you have murdered the just, he does not resist you."*
> *[James 5:1-6, Bible, NKJV]*

> *"You shall not cheat your neighbor, nor rob him. The wages of him who is hired shall not remain with you all night until morning.*
> *[Lev. 19.13, Bible, NKJV]*

16. TAX REPORTING LEGAL REQUIREMENTS:

1. **WARNING: It is a criminal offense to file information returns against any payments you make in connection with our relationship. Filing of false information returns carries severe civil and criminal penalties. Information returns include IRS Forms W-2, 1042S, 1098, and 1099.**

I can only earn "wages" reportable on an IRS form W-2 if I am lawfully engaged in a "public office" in the U.S. Government as required by 26 U.S.C. §6041(a). Voluntarily signing a contract/agreement called an IRS form W-4 is the only way that a nonresident alien NON-individual not engaged in a "trade or business" can engage in such a "public office" per 26 CFR §31.3401(a)-3(a), and 26 CFR 31.3402(p)-1. Otherwise, it is a crime to impersonate a public officer in violation of **18 U.S.C. §912** to file an information return. If you file any kind of information return relating to me, you will be guilty of conspiracy to commit all the following crimes and civil infractions:

1.1. False information returns submitted in violation of **26 U.S.C. §7434**. Punishment is all attorney fees plus twice the false amount reported.

1.2. Impersonating a public officer in violation of **18 U.S.C. §912**. Punishment is a fine and up to three years in jail. Only "public officers" can act as "taxpayers", and you are creating a false presumption that I am a "taxpayer" by filing false information returns.

1.3. Conversion of private property to a public use, public purpose, and public office as a "withholding agent" in violation of **18 U.S.C. §654**.

1.4. Impersonating a public officer in violation of **18 U.S.C. §911**. Punishment is a fine and up to three years in jail. Only *statutory* and not *constitutional* "U.S. citizens" can lawfully act as "public officers" engaged in a "trade or business" and I am NOT a statutory "U.S. citizen" pursuant to **8 U.S.C. §1401** but rather a non-citizen national.

1.5. False information returns in violation of **26 U.S.C. §7206**. Punishment is up to a $100,000 fine and 3 years in jail to file a false information return.

1.6. False information returns in violation of **26 U.S.C. §7207**. Punishment is up to $10,000 and 1 year in jail to submit a false information return.

1.7. Perjury in violation of **18 U.S.C. §1001** and **18 U.S.C. §1621**. The IRS Forms W-3 and 1096 submitted with the information return is signed under penalty of perjury and verifies the accuracy of the accompanying information return. These forms are submitted as a government officer and agent called a "withholding agent" defined in 26 U.S.C. 7701(a)(16). Those forms are FRAUDULENT now that you have been notified that they are false and you willfully refuse to either stop filing the false report or correct the false reports already filed.

2. IRS Publication 515 indicates that nonresident aliens who give you IRS form W-8BEN are exempt for 1099 reporting. **This document serves the equivalent purpose and is a superset of that form.**

the estate or trust for the taxable year determined under the terms of the governing instrument and the applicable local law. Items of gross income constituting extraordinary dividends or taxable stock dividends which the fiduciary, acting in good faith, determines to be allocable to corpus under the terms of the governing instrument and applicable local law shall not be considered income.

IRS Form 1042-S may only be prepared in the case of statutory "nonresident aliens" (per **26 U.S.C. §7701**(b)(1)(B)) who have "income" from "sources within the statutory but not constitutional "United States" that is not connected with a "trade or business" and therefore constitutes "gross income" with the meaning of **26 U.S.C. §61**. All such sources are expressly indicated in **26 U.S.C. §871**(a). All of these sources are government payments. The transactions likely to occur between us are NOT government payments and are not listed in **26 U.S.C. §871**(a), and therefore may not lawfully be reported.

SECTION 2: AFFIDAVIT OF TAX STATUS

*Human being (but not statutory "Person") who signed this form hereby affirms under penalty of perjury from WITHOUT the statutory "United States" per **28 U.S.C. §1746**(1) that:*

1. Submitter has NO tax liability or "gross income" pursuant to **26 CFR §1.872-2**(f), **26 CFR §1.871-1**(a), and **26 U.S.C. §861**(a)(C)(i) and therefore no need to deduct or withhold.

2. Submitter is not a statutory "taxpayer" as defined in **26 U.S.C. §7701**(a)(14) and not subject to the revenue laws.

"Revenue Laws relate to taxpayers [instrumentalities, officers, employees, and elected officials of the Federal Government] and not to non-taxpayers [American Citizens/American Nationals not subject to the exclusive jurisdiction of the Federal Government and not engaged in the "trade or business" franchise as a public officer]. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them [non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."
[Economy Plumbing & Heating v. U.S., 470 F2d. 585 (1972)]

3. Submitter is not "exempt" or an "exempt individual" as defined in **26 U.S.C. §7701**(b)(5) because one must otherwise be subject to the I.R.C. to be such a legal "person". Rather, Submitter is "not subject" to Internal Revenue Code Subtitle A franchise agreement and is a nonresident. Since IRS forms very deliberately do not have a block for "not subject" and are only for use by those who are "taxpayers", Submitter had to make his own form, THIS DOCUMENT, to avoid committing perjury on a government form in describing his status under penalty of perjury. Those who are "not subject" are described NOT as a "person, "individual", or "taxpayer", but simply as "foreign" or a "foreign estate" in **26 U.S.C. §7701**(a)(31).

***TITLE 26** > **Subtitle F** > **CHAPTER 79** > § 7701*
§7701. Definitions

(a) Definitions

(31) Foreign estate or trust

(A) Foreign estate

*The term "foreign estate" means an estate the income of which, from sources without the United States which is not effectively connected with the conduct of a **trade or business** within the **United States**, is not includible in gross income under subtitle A.*

4. Submitter is a "nonresident" as statutorily defined pursuant to **26 U.S.C. § 7701**(b)(1)(B) but not a "nonresident alien *individual*". A "nonresident alien" is defined as one who is "neither a citizen nor a resident" of the "United States", which is exactly what an "American National", or national born in a state of the Union who is not domiciled on federal territory in the "United States" is. The only withholding form that a "nonresident" who is neither a statutory "alien" (per **26 U.S.C. §7701**(b)(1)(A) nor an "individual" (per 26 CFR §1.1441-1(c)(3) and **5 U.S.C. §2105**(a)) and who is not engaged in federal franchises can fill out is a W-8BEN with block 3 modified to add the word "nontaxpayer" or "human being" to it. All statutory "taxpayers" and "individuals" are "aliens" per 26 CFR §1.1441-1(c)(3) and public officers in the national and not state government, and therefore submitter cannot check the "individual" block of the W-8BEN form without committing perjury. Even statutory "U.S. Citizens" per 26 CFR §1.1-1(c) and **26 U.S.C. §3121**(e) must be aliens in relation to a foreign country under a tax treaty per **26 U.S.C. §911** in order to be "taxpayers".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

5. Submitter is *not* engaged in a "**trade or business**", which is defined in **26 U.S.C. § 7701**(a)(26) as "the functions of a public office". Receipt of earnings from the District of Columbia in connection with a "trade or business" under **26 U.S.C. §871(b)** or not connected under **26 U.S.C. 871**(a) are the only types of "gross income" or "taxable income" that nonresidents who are not aliens can have under I.R.C. **Subtitle A**.

6. Submitter is a "**transient foreigner**" but not a statutory "foreign person" or statutory "alien" in respect to the national government and federal territory. A human being or artificial entity such as a state corporation domiciled in a state of the Union is a "transient foreigner" but not a "person", "individual', or "foreign person" for the purposes of the Internal Revenue Code because the term "United States" is defined in **26 U.S.C. §7701**(a)(9) and (a)(10) as the District of Columbia and is nowhere expressly expanded to include any state of the Union.

7. Submitter is not in receipt of any treaty benefit under the terms of an income tax treaty with a foreign country.

8. Submitter has not made an election to be treated as a "resident alien" as defined in **26 U.S.C. 7701**(b)(1)(A) under the authority of **26 U.S.C. §6013**(g) and (h).

9. Submitter is not a statutory "individual" as defined in 26 CFR §1.1441-1(c)(3) or a "person" as defined in **26 U.S.C. §7701**(c) because not domiciled or resident on federal territory and not eligible or consensually participating in any federal franchise or "benefit" in the context of this exclusively private and not public transaction. As such, he is not a "public officer" with the government but rather a private human being. The only thing the government can regulate or tax are public activities, public officers, and public "employees" who are the only "persons" mentioned in the I.R.C. franchise per 26 U.S.C. §7343 and 6671(b). It is otherwise unconstitutional to regulate exclusively private conduct.

10. Submitter is **NOT** subject to IRS Form 1099 reporting, withholding, or backup withholding pursuant to **26 U.S.C. §3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b):

11. Submitter is not a "**U.S. person**" as statutorily defined pursuant to **26 U.S.C. 7701**(a)(30). The term "U.S. person" is statutorily defined as follows:

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

TITLE 26 > Subtitle F > CHAPTER 79 > Sec. 7701. [Internal Revenue Code]
Sec. 7701. – Definitions

(a) When used in this title, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof—

(9) United States

*The term "United States" when used in a geographical sense includes on the **States** and the District of Columbia.*

(10) State

The term "State" shall be construed to include the District of Columbia, where such construction is necessary to carry out provisions of this title.

13. **Pursuant to the rules for statutory construction, if the states of the Union are not mentioned anywhere in Subtitle A of the Internal Revenue code and are not included in the definition of "United States" above, they can be safely assumed to be EXCLUDED by implication:**

"Expressio unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

14. Nonresidents not engaged in a "trade or business" such as the Submitter are not required to provide identifying number to open financial accounts. The regulation below mentions "nonresident aliens", and nonresidents who are not statutory "aliens" must be treated the same:

Title 31: Money and finance: Treasury
PART 103—FINANCIAL RECORDKEEPING AND RPORTING OF CURRENCY AND FOREIGN TRANSACTIONS
Subpart C—Records Required To Be Maintained
§103.34 additional records to be made and retained by banks.

(a)(3) A taxpayer identification number required under paragraph (a)(1) of this section need not be secured for accounts or transactions with the following:

(x) non-resident aliens who are not engaged in a trade of business in the United States.

In instances described in paragraph (a)(3), (viii) and (ix) of this section, the bank shall, within 15 days following the end of any calendar year in which the interest accrued in that year is $10 or more use its best effort to secure and maintain the appropriate taxpayer identification number or application form therefor.

15. It amounts to "compelled to association" in violation of the First Amendment to force me to associate with and be identified as a "U.S. person" (under **26 U.S.C. § 7701**(a)(30)), a statutory "U.S. Citizen" (under **8 U.S.C. §1401**), or a "taxpayer" (under **26 U.S.C. §7701**(a)(14) or any status OTHER than that described above. I would also be committing perjury under penalty of perjury to sign any government form that identified me as any of the three types of entities.

16. I will not allow you to compel me to participate in the "trade or business" franchise or contract with the government by changing my status to be anything other than that described herein. All franchises are contracts between the grantor and the grantee:

As a rule, franchises spring from contracts between the sovereign power and private citizens, made upon valuable considerations, for purposes of individual advantage as well as public benefit, [1] and thus a franchise partakes of a double nature and character. So far as it affects or concerns the public, it is

publici juris and is subject to governmental control. The legislature may prescribe the manner of granting it, to whom it may be granted, the condition and terms upon which it may be held, and the duty of the grantee to the public in exercising it, and may also provide for its forfeiture upon the failure of the grantee to perform that duty. But when granted, it becomes the property of the grantee, and is a private right, subject only to the governmental control growing out of its other nature as publici juris. [2]

17. Pursuant to the **Declaratory Judgment Act, 28 U.S.C. §2201**(a) and the federal courts, the recipient of this form and any government agent handling this case has NO authority to assume any tax status other than that indicated on this form or to convert an innocent "nontaxpayer" into a "taxpayer".

*Specifically, Rowen seeks a declaratory judgment against the United States of America with respect to "whether or not the plaintiff is a taxpayer pursuant to, and/or under **26 U.S.C. § 7701**(a)(14)." (See Compl. At 2.) The court lacks jurisdiction to issue a declaratory judgment "with respect to Federal taxes other than actions brought under section 7428 of the Internal Revenue code of 1986, " a code section that is not at issue in the instant action. See **28 U.S.C. §2201**; see also Hughes v. United States, 953 F.2d 531, 536-537 (9th Cir. 1991) (affirming dismissal of claim for declaratory relief under § 2201 where claim concerned question of tax liability). Accordingly, defendant's motion to dismiss is hereby GRANTED, and the instant action is hereby DISMISSED.*
[Rowen v. US., 05-3766MMC. (N.D.Cal. 11/02/2005)]

"And by statutory definition, 'taxpayer' includes any person, trust or estate subject to a tax imposed by the revenue act. ...Since the statutory definition of 'taxpayer' is exclusive, the federal courts do not have the power to create nonstatutory taxpayers for the purpose of applying the provisions of the Revenue Acts..."
[C.I.R. v. Trustrees of L. Inv. Ass'n, 100 F.2d 18 (1939)]

"A reasonable construction of the taxing statutes does not include vesting any tax official with absolute power of assessment against individuals not specified in the statutes as a person liable for the tax without an opportunity for judicial review of this status before the appellation of 'taxpayer' is bestowed upon them and their property is seized..."
[Botta v. Scanlon, 288 F.2d. 504, 508 (1961)]

SECTION 3: DURESS STATEMENT

If any other government form with the Recipient of this form might have received or viewed which I might have signed contradicts anything contained herein, the reasons are that:

1. I was threatened or felt threatened:
   - 1.1. By the Recipient to either not be hired or be fired if I did not sign a W-4 agreement or submit to a specific government from that doesn't pertain to me and thereby commit what I know to be fraud and/or perjury on a government form. . . OR
   - 1.2. By the Recipient because I was told that I would be denied the EQUAL right of all to engage in a business or financial account needed to sustain my life if I did not fill out and submit the form indicated and which I know misrepresented my status or had no options to correctly represent my status. . . OR
   - 1.3. By the government because I would become the target of unlawful or "selective' IRS/government enforcement that the legal profession, the courts, and the government routinely protect and encourage because of conflicts of interest, undue consolidation of power, and greed.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with may sorrows.

But thou, O man of God, flee these things' and follow after righteousness, godliness, faith, love, patience, meekness.

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses."
[1 Timothy 6:5-12, Bible, NKJV]

1.4 By the Recipient, who may have refused to accept this for or sent it back, because they knew they were violating both the law and my right and wanted to obstruct justice, destroy evidence of their wrongdoing, and tamper with a federal witness because this form is signed under penalty of perjury.

2. I was therefore under unlawful duress and the target of racketeering, extortion, and/or unconscionable "adhesion contracts" by the recipient/ government.

3. The origin of the duress was the Recipient of this form acting in a quasi-governmental and "public officer" capacity as a "withholding agent" pursuant to **26 U.S.C. §7701**(a)(16) and who is therefore legally liable to respect my constitutional rights and REFUSED demands to do so.

. . . AND

4. The result of the unlawful duress was that I was compelled to contract with or engage in commerce within the government against my will and/or religious beliefs in violation of Article 1, section 10 of the United States Constitution, and to donate private property to a public use, public purpose, and/or public office in the government such as the "trade or business" franchise that is the heart of the Internal Revenue Code. Participation in all government franchises is an act of contracting because all franchises are contracts.

I hereby for the record declare as void, untrustworthy, and not admissible as evidence of any obligation on my part in any and all forms, declarations of status, or other correspondence in conflict with this form or any attached form I may have provided because such was submitted under unlawful duress.

"An agreement [consensual contract] obtained by duress, coercion, or intimidation is invalid, since the party coerced is not exercising his free will, and the test is not so much the means by which the party is compelled to execute the agreement as the state of mind induced.[3] Duress, like fraud, rarely becomes material, except where a contract or conveyance has been made which the maker wishes to avoid. As a general rule, duress renders the contract or conveyance voidable, not void, at the option of the person coerced, [4] and it is susceptible of ratification. Like other voidable contracts, it is valid until it is avoided by the person entitled to avoid it. [5] However, duress in the form of physical compulsion, in which a party is caused to appear to assent when he has no intention of doing so, is generally deemed to render the resulting purported contract void. [6]"
[American Jurisprudence 2d, Duress, Section 21]

This affidavit of duress and void declaration especially includes, but is not limited to, anything relating to government franchises, disclosures of government identifying numbers such as SSN or TIN, tax withholding or reporting forms such as the W-4 contract forms (26 CFR §31.3401(a)-3(a) and 26 CFR §31.3402(p)-1, tax returns, or any other declaration of status (e.g. "employee", "taxpayer", "individual", "inhabitant", "U.S. citizen") arising out of any tax, citizenship, or licensing forms provided to the government such as driver's license applications, applications for ID cards, voter registration, or benefit applications.

SECTION 4: DO NOT ATTEMPT TO ADVISE ME WHAT TO PUT ON ANY GOVERNMENT FORM OR TO CHANGE THE STATUS DESCRIBED IN THIS FORM

Per 26 U.S.C. §6065, all tax forms must be signed under penalty of perjury, just as this form is. As such, this form and ALL tax forms I submit to you constitute "testimony of a witness" and are protected by witness tampering laws. I remind the recipient that it is a federal offense to tamper with witnesses. Tampering includes, but is not limited to:

1. Advising me what to put on this form or any tax or withholding form and thereby conspire to commit PERJURY in violation of 18 U.S.C. §1542, 18 U.S.C. §911, 18 U.S.C. §1001, and 18 U.S.C. §1621. All such attempts shall form an inseparable part of the forms you both receive and must keep on file so that you may be held accountable.
2. Refusing to honor that status that I describe here and thereby compelling me to commit perjury for the PRIVILEGE of being treated EQUALLY to everyone else you service.
3. Telling me that what I put on the form is INCORRECT or FALSE and thereby refusing to accept the form, and yet refusing to offer legal evidence signed under penalty of perjury (as required by 26 U.S.C. §6065) PROVING that it is false.
4. Threatening to withhold service or discriminate against me while acting as a public officer called a "withholding agent" defined in 26 U.S.C. §7701(a)(14). That would be a denial of equal protection of the law.
5. Imputing or assuming a legal status OTHER than what I put here, and which might subject me to illegal enforcement or penalties against parties not subject. All such activities constitute an unconstitutional "Bill of Attainder" if implemented against those not consensually and lawfully engaged in government franchises. Not even federal judges can make such determinations. 28 22 U.S.C. 2201(a) forbids such determinations.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

APPENDIX: LEGAL POINTS AND AUTHORITIES

(This section provided for those who seek supporting authorities of statement made in this document)

1. A "national" is statutorily defined as follows:

> *TITLE 8 > CHAPTER 12 > SUBCHAPTER I . Sec. 1101.*
> *Sec. 1101. – Definitions*
> *(a)(21) The term "national" means a person owing permanent allegiance to a state.*

2. The "state" in the above definition is a state of the Union. All states of the Union are "foreign states" with respect to federal government legislative jurisdiction, and therefore are lower case. Federal territories are capitalized as "State" within federal law. For example:

> *TITLE 4 – FLAG AND SEAL, SEAT OF GOVERNMENT, AND THE STATES*
> *CHAPTER 4 – THE STATES*
> *Sec. 110. Same; definitions*
> *(d) The term "state" includes any Territory or possession of the United States.*

3. Even the "United States of America" passport recognizes the two types of citizenship defined in federal statutory law. On the inside cover of the passport it says the following. Note the phrase "citizen/national", which means "citizen OR national":

> *"The Secretary of State of the United States of America hereby request all whom it may concern to permit the citizen/national of the United States named herein to pass without delay or hindrance and in case of need to give all lawful aid and protection"*

4. Below are some cites that establish the foreign relationship between the state and federal government for the purposes of legislative jurisdiction:

> *Foreign States: "Nations outside of the United States...Term may also refer to another state: i.e. a sister state. The term 'foreign nations', ...should be construed to mean all nations and states other than that in which the action is brought; and hence, one state of the Union is foreign to another, in that sense."*
> *[Black's Law Dictionary, 6th Edition, p. 648]*

> *Foreign Laws: "The laws of a foreign country or sister state."*
> *[Black's Law Dictionary, 6th Edition, p. 647]*

> *"Generally, the states of the Union sustain toward each other the relationship of independent sovereigns or independent foreign states, except in so far as the United States is paramount as the dominating government, and in so far as the states are bound to recognize the fraternity among sovereignties established by the federal Constitution, as by the provision requiring each state to give full faith and credit to the public acts, records, and judicial proceedings of the other states..."*
> *[81A Corpus Juris Secundum (C.J.S.), United States, §29, legal encyclopedia]*

> *"It is no longer open to question that the general government, unlike the states, Hammer v. Dagenhart, 247 U.S. 251, 275, 38 S.Ct. 529, 3 A.L.R. 649, Ann.Cas. 1918E 724, possesses no inherent power in respect of the internal affairs of the states; and emphatically not with regard to legislation. The question in respect of the inherent power of that government as to the external affairs of the Nation and in the field of international law is a wholly different mater which it is not necessary now to consider.*
> *[Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855 (1936)]*

5. The sole function of the federal government of the United States is to handle FOREIGN affairs with other countries, but it has no jurisdiction within states of the Union, including taxation. All of its revenues must derive *only* from the external affairs over which it has exclusive legislative jurisdiction. The rulings below occurred AFTER the passage of the Sixteenth Amendment and still limit the federal government exclusively to external matters in relation to states of the Union.

> *"The States, after they formed the Union, continued to have the same range of [INTERNAL} taxing power which they had before, barring only duties affecting exports, imports, and on tonnage [which all deal with FOREIGN/EXTERNAL commerce only]. 2 Congress, on the other hand, to lay taxes in order 'to pay the Debts and provide for the common Defence and general Welfare of the United States', Art. 1,*

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

Sec. 8, U.S.C.A. Const., can reach every person and every dollar in the land with due regard to Constitutional limitations as the method of laying taxes."
[Graves. V. People of State of New York, 306 U.S. 466 (1939)]

"The difficulties arising out of our dual form of government and the opportunities for differing opinions concerning the relative rights of state and national governments are many; but for a very long time this court has steadfastly adhered to the doctrine that the taxing power of Congress does not extend to the states of their political subdivisions. The same basic reasoning which leads to that conclusion, we think, requires like limitation upon the power which springs from the bankruptcy clause. United States v. Butler, supra."
[Ashton v. Cameron County Water Improvement District No. 1, 298 U.S. 513; 56 S.Ct. 892 (1936)]

Congress is authorized to lay and collect taxes, and to pay the debts, and provide for the common defence and general welfare of the United States. This does not interfere with the power of the States to tax [internally] for the support of their own governments: nor is the exercise of that power by the States [to tax INTERNALLY], an exercise of any portion of the power that is granted to the United States [to tax EXTERNALLY]. In imposing taxes for State purposes, they are not doing what Congress is empowered to do. Congress is not empowered to tax for those purposes which are within the exclusive province of the States. When, then, each government exercises the power to taxation, neither is exercising the power of the other. But, when a State proceeds to regulate commerce with foreign nations, or among the several States, it is exercising the very power that is granted to Congress, [22 U.S. 1, 200] and is doing the very thing which Congress is authorized to do. There is no analogy, then, between the power of taxation and the power of regulating commerce."
[Gibbons v. Ogden, 22 U.S. 1 (1824)]

"It will contribute to the elucidation of the question if we first consider the differences between the power of the federal government in respect of foreign or external affairs and those in respect of domestic or internal affairs. That there are differences between them, and that these differences are fundamental, may not be doubted. The two classes of powers are different, both in respect of their origin and their nature. The broad statement that the federal government can exercise no power except those specifically enumerated in the Constitution, and such implied power as are necessary and proper to carry into effect the enumerated power, is categorically true only in respect of our internal affairs. In that field, the primary purpose of the Constitution was to carve from the general mass of legislative powers then possessed by the states such portions as it was thought desirable to vest in the federal government, leaving those not included in the enumerations still in the states.
Carter v. Carter Coal Co., 298 U.S. 238, 294 , 56 S.Ct. 855, 865. . . .

The Union existed before the Constitution, which was ordained and established among other things to form 'a more perfect Union.' Prior to that event, it is clear that the Union, declared by the Articles of Confederation to be 'perpetual,' was the sole possessor of external sovereignty, and in the Union it remained without change save in so far as the Constitution in express terms qualified its exercise. The Framers' Convention was called and exerted its powers upon the irrefutable postulate that though the states were several their people in respect of foreign affairs were one."
[United States v. Curtiss-Wright Export Corporation, 299 U.S. 304 (1936)]

6. The states of the Union are "foreign" to federal legislative jurisdiction, because, as the U.S. Supreme Court held above, they are *not* subject to it. This is a result of what is called the "Separation of Powers Doctrine", which was explained by the Supreme Court as follows:

". . . the Constitution divides authority [legislative jurisdiction] between federal and state governments for the protection of individuals. State sovereignty is not just an end in itself: "Rather, federalism secures to citizens the liberties that derive from the diffusion of sovereign power." Coleman v. Thompson, 501 U.S. 722, 759 (1991) (BLACKMUN, J., dissenting). "Just as the separation and independence of the coordinate branches of the Federal Government serve to prevent the accumulation of excessive power in any one branch, a health balance of power between the States and the Federal Government will reduce the risk of tyranny and abuse from either front." Gregory v. [505 U.S. 144, 182] Ashcroft, 501 U.S. at 458. See The Federalist No. 51, p. 323. (C. Rossiter ed. 1961)."

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

7. The federal government has no legislative power outside of its **"territory".**

> *"Judge Story, in his treatise on the Conflicts of Laws, lays down, as the basis upon which all reasonings on the law of comity must necessarily rest, the following maxims: First 'that every nation [or state] possesses an exclusive sovereignty and jurisdiction within its own territory'; secondly, that no state or nation can by its laws directly affect or bind property out of its own territory, or bind persons not resident therein, whether they are natural born subjects or others.' The learned judge then adds: 'From these two maxims or propositions there follows a third, and that is that whatever force and obligation the laws of one country have in another depend solely upon the laws and municipal regulation of the latter; that is to say, upon its own proper jurisdiction and polity, and upon its own express or tacit [voluntary] consent." Story on Conflict of Laws §23.*
> *[Baltimore & Ohio Railroad Co. v. Chambers, 73 Ohio St. 16; 76 N.E. 91; 11 L.R.A., N.S., 1012 (1905)]*

8. The states of the Union are NOT **"territory"** of the federal government. They are instead INDEPENDENT and SOVEREIGN states:

> *86 Corpus Juris Secundum (C.J.S.) Legal Encyclopedia, Territories:*
> *"§1. Definitions, Nature, and Distinctions*
> *"The word 'territory,' when used to designate a political organization has a distinctive, fixed, and legal meaning under the political institutions of the United States, and does not necessarily include all the territorial possessions of the United States, but may include only the portions thereof which are organized and exercise governmental functions under act of congress."*
>
> *"While the term 'territory' is often loosely used, and has even been construed to include municipal subdivisions of a territory, and "territories of the " United States is sometimes used to refer to the entire domain over which the United States exercises dominion, the word 'territory," when used to designate a political organization, has a distinctive, fixed, and legal meaning under the political institutions of the United States, and the term 'territory' or 'territories' does not necessarily include only a portion of the portions thereof which are organized and exercise government functions under act of congress. The term 'territories' has been defined to be political subdivisions of the outlying dominion of the United States, and in this sense the term 'territory' is not a description of a definite area of land but of a political unit governing and being governed as such. The question whether a particular subdivision or entity is a territory is not determined by the particular form of government with which it is, more or less temporarily, invested.*
>
> *"Territories' or 'territory' as including 'state' or 'states." While the term 'territories of the' **United States** may, under certain circumstances, include the states of the Union, as used in the federal Constitution and in ordinary acts of congress "territory" does not include a **foreign state.***
>
> *"As used in this title, the term 'territories' generally refers to the political subdivisions created by congress, and not within the boundaries of any of the several states."*

9. States of the Union retain their essential character as independent nations and foreign countries with respect to the federal government except in the matter of EXTERNAL affairs delegated by them to the Federal Government in their corporate capacity as the "United States of America":

> *"The States between each other are sovereign and independent. They are distinct and separate sovereignties, except so far as they parted with some of the attributes of sovereignty by the Constitution. **They continue to be nations,** with all their rights, and under all their national obligations, and with all the rights of nations in every particular: except in the surrender by each to the common purposes and objects of the Union, under the Constitution. The rights of each State, when not so yielded up, remain absolute."*
> *[Bank of Augusta v. Earle, 38 U.S. (13 Pet.) 519; 10 L.Ed. 274 (1839)]*
>
> *"In determining the boundaries of apparently conflicting powers between states and the general government, the proper question is, not so much what has been, in terms, reserved to the states, as what has been, expressly or by necessary implication, granted by the people to the national government: for **each state possess all the powers of an independent and sovereign nation, except so far as they have been ceded away by the constitution.** The federal government is but a creature of the people of the states, and, like an agent appointed for definite and specific purposes, must show an express or necessarily implied authority in the charter of its appointment, to give validity to its acts."*

[People ex re. Atty. Gen V. Naglee, 1 Cal 234 (1850)]

10. A human being (but NOT "person") who is born in a state of the Union, which is outside of federal exclusive legislative jurisdiction, is called a "national". A person who is a "national" is subject to the "political jurisdiction" but not the "legislative jurisdiction" of their mother country because they are outside of the territorial reach of its general laws, because the Congress cannot write any law that governs what happens with states of the Union, as the above citations indicate (see, for instance, Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855, (1936)). The reason is that the states and the people in them are SOVEREIGN, and their creation, the federal government, cannot be greater than its Creator, which is the states and the people in them. The federal government is a SERVANT to the states, not their master: the equivalent of an independent contract that handles EXTERNAL affairs only. This was confirmed by the Federalist Papers, which were written prior to the ratification of the Constitution by the states of the Union in 1789:

> *"No legislative act [of Congress] contrary to the Constitution can be valid. To deny this would be to affirm that the deputy (agent) [which is the federal government] is greater than his principal [the States and the people in them]; that the servant is above the master; that the representatives of the people are superior to the people; that men, acting by virtue of powers may do not only what their powers do not authorize, but what they forbid...[text omitted] It is not otherwise to be supposed that the Constitution could intend to enable the representatives of the people to substitute their will to that of their constituents. It is far more rational to suppose, that the courts were designed to be an intermediate body between the people and the legislature, in order, among other things, to keep the latter within the limits assigned to their authority. The interpretation of the laws is the proper and peculiar province of the courts. **A Constitution is, in fact, and must be regard by judges, as fundamental law.** If there should happen to be an irreconcilable variance between the two, the Constitution is to be preferred to the statute."*
> *[Alexander Hamilton, Federalist Paper # 78]*

11. It is absurdly ridiculous to demand from the submitter a federal statute that confers but NOT defines citizenship status of a person born *outside* of federal jurisdiction. The laws of the States of the Union, and not federal law, govern the citizenship status of people born within their jurisdiction. States of the Union have exclusive and "plenary" jurisdiction to determine the status of people born with their jurisdiction and they have never yielded that authority to the federal government either in the Constitution or in any subsequent amendment or enactment. To conclude otherwise is to admit that states of the Union have NO SOVEREIGNTY, because the federal government could just pass a law to literally STEAL all of their citizens. If the federal government had jurisdiction to pass a law that allowed them to STEAL all citizens of the states, then the states would be left with not one to govern!

12. Congress has the power to "**naturalize**" people coming *into* America, and when they do this, these people become statutory "nationals" and constitutional but not statutory "Citizens".

> *"Provision of Nationality Act of 1940 that a person becoming a national by naturalization shall lose his nationality by residing continuously for three years in territory of a foreign state, being practically identical to its successor, which was condemned by United States Supreme Court as discriminatory, would have been invalid as a congressional attempt to expatriate regardless of intent."*
> *[United States v. Lucienne D'Hotelle, 558 F.2d 37 (1976)]*

The statutory definition of "naturalization" confirms that in America, naturalization means conferring the character of a st "national" and *not* a statutory "citizen":

> ***8 U.S.C. §1101(a)(23)** naturalization defined*
>
> *(a)(23) The term "naturalization" means the conferring of **nationality** [NOT "citizen" or "U.S. citizen" status, but "nationality", which means "**national**"] of a state [of the Union] upon a person after birth, by any means whatsoever.*
> *[**NOTE:** Compare with the definition of "**expatriation**"]*
>
> *"The power of naturalization, vested in congress by the constitution, is a power to confer citizenship, not a power to take it away. 'A naturalized citizen,' said Chief Justice Marshall, 'becomes a member of the society, possessing all the rights of a native citizen, and standing, in the view of the constitution, on the footing of a native. **The constitution does not authorize congress to enlarge or abridge those rights. The simple power of the national legislature [over citizenship] is to prescribe a uniform rule of naturalization, and the exercise of this power exhausts it, so far as respects the individual.**"*

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

[U.S. v. Wong Kim Ark, 169 U.S. 649 (1898)]

13. A human being who is a "national" but not a "citizen" under federal statutory law is identified as a "citizen of the United States" within the **Fourteenth Amendment to the U.S. Constitution**. The United States Constitution confines itself to describing citizenship ***within*** the states and the Union and therefore, the term "United States", as used within the Constitution, means the collective states of the Union [called "The United States of America"] and EXCLUDES federal territories and possessions and the District of Columbia. The "United States" mentioned in the Constitution and the "United States" mentioned in most federal enactments are two completely different and mutually exclusive places. This is VERY important and fundamental to understanding the **Separation of Powers Doctrine**.

2. Is not required to have or to use a Social Security Number or Taxpayer Identification Number pursuant to 31 CFR §103.34(a)(3)(x) and 31 CFR §306.10, Note 2.
3. Does not participate and is not lawfully eligible to participate in Social Security or the "trade or business" excise taxable franchise described in **26 U.S.C. Subtitle A**.
4. Is not an "alien" for which an Individual Taxpayer Identification Number may lawfully be used pursuant to 26 CFR §301.6109- 1(d)(3). Nonresident aliens are NOT "aliens" are not equivalent. A human being who is a "national" can be a "nonresident alien" with being an "alien". See **26 U.S.C. §7701**(b)(1)(A) and **26 U.S.C. §7701**(b)(1)(B).
5. May not lawfully use or possess any government identifying number because it is "public property" which belongs to the government pursuant to 20 CFR §422.103(d). Only "public officers" on official business may lawfully use public property, and only in strict accordance with law for the benefit of the government and not them as private individuals.
6. Is appearing as a private person and not a public officer. If you compel me to use a government identifying number, you are an accessory to criminal conversion of private property to a public use and a public purpose if you connect me or my assets with a public number in violation of **18 U.S.C. § 654**. You could end up in jail for ten years if you put an identifying number on any records pertaining to me or my property, assets, or my earnings from PRIVATE employment.

She would like to prevent a recurrence of this behavior again.
8. Will file a criminal complaint in connection with the use of any government issued identifying number connected with his exclusively PRIVATE life, property, and liberty and vociferously prosecute all those who unlawfully compel him to use a knowingly false number or any number at all in order to obtain any service or product in violation of **42 U.S.C. §408**.

WARNING: Any Social Security Number or Taxpayer Identification Number you have on file is FALSE and must be removed from your records. Failure to abide by this absolute requirement of law is a criminal violation of **18 U.S.C. §1028**(a)(7); **18 U.S.C. §1028A**, and a civil violation of **42 U.S.C. §408** and **42 U.S.C. §405**(c)(2)(C)(i).

14. DOMICILE AND RESIDENCE

1. My domicile and NOT "residence" is that indicated earlier on Item 12 above.
2. My domicile is outside the statutory but not constitutional "United States" and outside of federal territory. The Term "statutory United States" includes all statutory definitions of "United States" within any act of Congress.
3. I am not a statutory "resident". All "residents" are statutory "aliens" per **26 U.S.C. §7701**(b)(4).
4. I DO NOT have a statutory "residence" anywhere within the statutory "United States" per 26 CFR §1.871-2(b) because I am not a statutory "alien".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

If you believe that the term "residence" includes the domicile of those who are non-citizen nationals, nonresident alien NON-individuals, please produce a statute that expressly includes this status within the meaning of the term "residence".

15. TAX WITHHOLDING LEGAL REQUIREMENTS

5. **WARNING**: You may not lawfully withhold any amount from proceeds due to me. The remainder of this section provides legally admissible evidence proving why this is.

6. Your withholding is ONLY on "wages" as legally defined in **26 U.S.C. §3401.** The earnings of nonresident alien NON-individuals not engaged in a "trade or business" as legally defined are excluded from "wages" per **26 U.S.C. §3401**(a)(6) and 26 U.S.C. §3401(a)(11) and therefore may not lawfully become the subject of tax withholding. If you withhold, you will therefore be guilty of the following crimes:

6.1. **18 U.S.C. §654:** Conversion of private property to a "public use" and a "public office". You are converting my PRIVATE proceeds as a class member into a public purpose and a "public office" by fraudulently and falsely connecting same with a "trade or business".

6.2. **18 U.S.C. §201:** Bribery of public officials and witnesses. You are bribing public officials who will receive the money you STOLE from me in violation of the law. The punishment is a fine and up to 15 years in jail. I remind you that all tax withholdings are classified as "gifts" by the IRS. See IRS Document 6209, pp. 4-1 and 4-2, which identify W-2 forms as "Estate and gift taxes". All tax withholdings are "gifts" to public officials that also constitute bribes.

6.3. **18 U.S.C. §1956**(a)(1)(A)(ii): Money laundering. You are laundering unlawfully withheld proceeds. The punishment is a fine up to $500,000 and imprisonment for up to twenty years.

7. IRS Publication 515 indicates that nonresident alien individuals who give you IRS form W-8BEN are exempt from backup withholding. This requirement is also found in **26 U.S.C. § 3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b). **This Affidavit serves the equivalent of IRS Form W-8BEN because IRS doesn't have a form for those who are "nonresident aliens" but who are not "individuals", "persons", or "taxpayers".**

> **[IRS Publication 515, Year 2001, p.3]**

8. You MAY NOT lawfully tamper with, reject, redact any portion of, or alter any withholding form that I give you. You must accept them AS IS and may not lawfully threaten me to change them. If you do, you could be prosecuted for extortion.

> *"The employer is not authorized to alter the form or to dishonor the employee's claim. The certificate goes into effect automatically in accordance with certain standards enumerated in* **§3402(f)(3).***"*
> *[U.S. v. Malinowski, 347 F.Supp. 347 (1972)]*

9. The proceeds connected with our relationship do not constitute "income" and therefore cannot be the subject of any tax or withholding or reporting within the Internal Revenue Code. The only definition of "income" in the Internal Revenue Code is found in **26 U.S.C. §643**(b) and it includes ONLY the earnings of a trust or estate. I am not representing a domestic trust or estate. My earnings and my entire estate instead are a "foreign estate" pursuant to 26 U.S.C. §7701(a)(31).

10. Any earnings that result from our relationship *do not* originate from "sources within the United States". The term "United States" is defined below.

If you dispute this definition, please provide the definition that expressly identifies states of the Union as being included in the meaning of "United States".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

The term "State" shall be construed to include the District of Columbia, where such construction is necessary to carry out provisions of this title.

TITLE 4 – FLAG AND SEAL, SEAT OF GOVERNMENT, AND THE STATES
CHAPTER 4 – THE STATES

Sec. 1210. Same; definitions
(d) The term "State" includes any Territory or possession of the United States.

"Expression unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

11. The financial transactions likely to result from relationship are excluded from (not "subject to" but not "exempt") taxation pursuant to the following authorities and therefore not subject to withholding:
    - 11.1. **26 U.S.C. § 861**(a)(3)(C)(i): Earning from labor of "nonresident aliens" not engaged in a "trade or business" and working in the "United States" is not deemed to be income from sources within the "United States".
    - 11.2. **26 U.S.C. § 3401**(a)(6): Nonresident aliens do not earn "wages".
    - 11.3. **26 U.S.C. §1402**(b): Nonresident aliens do not earn "self-employment income".
    - 11.4. **26 U.S.C. §864**(b)(1)(A): Earning of "nonresident aliens" working for foreign employers such as private employers do not have earnings associated with a "trade or business in the United States"
    - 11.5. 26 CFR §31.3401(a)(6)-1(b): Remuneration of nonresident aliens outside the "United States" is not subject to taxation.
    - 11.6. 26 CFR §1.872-2(f): Earning of nonresident aliens outside "United States" do not constitute "gross income".
    - 11.7 26 CFR §1.871-7(a)(4): Nonresident aliens not engaged in a "trade or business" earn no "gross income".
12. Tax withholding is only appropriate for those having a tax liability. A nonresident alien NON-individual such as the submitter with no "income" or earning form "sources within the United States" under **26 U.S.C. §871** can have no tax liability. If you think you, as a private employer or private institution constitutes a "source within the United States", then why did the IRS Internal Revenue Manual say the following and where are the states of the Union included in "United States" as defined above?:

IRM 5.14.10.2 (09-30-2004)
Payroll Deduction Agreements

2. Private employers, states, and political subdivisions are not required to enter into payroll deduction agreements. Taxpayers should determine whether their employers will accept and process executed agreements before agreements are submitted for approval or finalized.
[http://www.irs.gov/irm/part5/ch14s10.html]

13. You can only be an "employer" if I am an "employee", according to 26 U.S.C. §3401(d). I am NOT an "employee", because all "employees" are "public officers" engaged in a "trade or business" who work for the United States government as the equivalent of "temps" or "Kelly Girls" on loan to private employers such as you. **I DO NOT consent to act in such capacity**, and therefore you cannot be an "employer" in the context of me"

26 CFR § 31.3401(c)-1 Employee:

"...the term [employee] includes [is limited to] officers and employees, whether elected or appointed, of the United States, a [federal] State, Territory, Puerto Rico or any political subdivision, thereof, or the District of Columbia, or any agency of instrumentality of any one of more of the foregoing. The term 'employee' also includes an officer of a corporation."

26 U.S.C. §3401(c) Employee

For purpose of this chapter, the term "employee" includes [is limited to] an officer, employee, or elected official of the United States, a State, or any political thereof, or the District of Columbia, or any agency

8 Federal Register, Tuesday, September 7, 1943, §404.104, pg 12267

Employee: "The term employee specifically includes officers and employees whether elected or appointed, of the United States, a state, territory, or political subdivision thereof or the District of Columbia or any agency or instrumentality of any one or more of the foregoing."

If you disagree with this item, please rebut the foregoing within 30 days or be held in default and estoppels to challenge later.

14. You are only liable to withhold if you are an "employer" and if I receive "wages". 26 CFR 31.3403-1, 26 CFR §31.3111-4, 26 CFR §3102-1(c). The only way I can receive "wages" is to sign a contract called a W-4 absent duress consenting to call what proceeds I receive "wages" as legally defined but not commonly understood. If I don't sign the contract, then I don't earn "wages" subject to any withholding or reporting:

"Every man has a natural right to the fruits of his own labor, is generally admitted; and no other person can rightfully deprive him of those fruits, and appropriate them against his will..."
*[The antelope, **23 U.S. 66: 10 Wheat 66, 6 L.Ed. 268 (1825)**]*

"Included in the rights of personal liberty and the right of private property—partaking of the nature of each—is the right to make contracts for the acquisition of property. Chief among such contracts is that of personal employment, by which labor and other services are exchanged for money or other forms or property."

"...The right of a person to sell his labor upon such terms as he deems proper is, in its essence, the same as the right of the purchaser of labor to prescribe the conditions under which he will accept such labor from the person offering to sell it."

26 CFR §31.3401(a)-3 Amounts deemed wages under voluntary withholding agreements

(a) In general.

Notwithstanding the exceptions to the definition of wages specified in section 3401(a) and the regulations thereunder, the term "wages" includes the amounts described in paragraph (b)(1) of this section with respect to which there is a voluntary withholding agreement in effect under section 3402(p). References in this chapter to the definition of wages contained in section 3410(a) shall be deemed to refer also to this section (§31.3401(a)-3).

PART 31—EMPLOYMENT TAXES AND COLLECTION OF INCOME TAX AT SOURCE
Subpart E—Collection of Income Tax at Source
§31.3402(p)-1 Voluntary withholding agreements

(a) In general.

An agreement may be entered into under this section only with respect to amounts which are includible in the gross income of the employee under section 61, and must be applicable to all such amounts paid by the employer to the employee. The amount to be withheld pursuant to an agreement under section 3402(p) shall be determined under the rules contained in section 3402 and the regulations thereunder. of section 402.

15. If I never give you an IRS form W-4 and thereby consent to call what proceeds I am due "wages" as defined in the Internal Revenue Code, then you can't lawfully withhold or report anything:

15.1. Everything that goes on the IRS form W-2 constitutes "wages" as legally defined and not commonly understood.

15.2 Tax withholding ONLY pertains to "wages" as legally defined and NOT all earnings. The U.S. Supreme Court confirmed this:

> *"We must reject in this case, as we have rejected in cases arising under the Corporation Excise Tax Act of 1909 (Doyle, Collector, v. Mitchells Brother Co., 247 U.S. 179, 38 Sup. Ct. 467, 62 L. Ed. --) the broad contention submitted on behalf of the government that all receipts--everything that comes in --are income with the proper definition of the term 'gross income.' And that the entire proceeds of a conversion of capital assets, in whatever form and under whatever circumstances accomplished, should be treated as gross income. Certainly the term "income' has no broader meaning in the 1913 act than in that of 1909 (See Stratton's Independence v. Howbert, 231 U.S. 399, 416, 417 S., 34 Sup. Ct. 136), and for the present purpose we assume there is no difference in its meaning as used in the two acts."*
> *[Southern Pacific Co., v. Lowe, 247 U.S. 330, 335, 38 S. Ct 540 (1918)]*

15.3. If you are ordered by the IRS, et al., to withhold proceeds because I refuse to submit an IRS for W-4, then you must withhold and report ONLY on "wages" as statutorily defined and limited pursuant to the I.R.C. "trade or business" franchise agreement. I don't earn "wages" if I never consented to call them "wages" using a private contract called an IRS form W-4.

16. On the subject of unlawful withholding the Bible say the following. "Wages" as used below implies the ordinary and excludes the statutory definition:

> *"Woe to him who builds his house by unrighteousness*
> *And his chambers by injustice,*
> *Who [whether individual or government] uses his neighbor's service without wages*
> *And give him nothing for his work*
> *[Jer. 22:13, Bible, NKJV]*

> *"Come now, you rich, weep and howl for your miseries that are coming upon you! Your riches are corrupted, and you garments are moth-eaten. Your gold and silver are corroded, and their corrosion will be a witness against you and will eat your flesh like fire. You have heaped up treasure in the last days. **Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord of Sabaoth.** You [business owner who control the purse of the workers] have lived on the earth in pleasure and luxury; you have fattened your hearts as in a day of slaughter. You have condemned, you have murdered the just, he does not resist you."*
> *[James 5:1-6, Bible, NKJV]*

> *"You shall not cheat your neighbor, nor rob him. The wages of him who is hired shall not remain with you all night until morning.*
> *[Lev. 19.13, Bible, NKJV]*

16. TAX REPORTING LEGAL REQUIREMENTS:

1. **WARNING: It is a criminal offense to file information returns against any payments you make in connection with our relationship. Filing of false information returns carries severe civil and criminal penalties. Information returns include IRS Forms W-2, 1042S, 1098, and 1099.**

I can only earn "wages" reportable on an IRS form W-2 if I am lawfully engaged in a "public office" in the U.S. Government as required by 26 U.S.C. §6041(a). Voluntarily signing a contract/agreement called an IRS form W-4 is the only way that a nonresident alien NON-individual not engaged in a "trade or business" can engage in such a "public office" per 26 CFR §31.3401(a)-3(a), and 26 CFR 31.3402(p)-1. Otherwise, it is a crime to impersonate a public officer in violation of **18 U.S.C. §912** to file an information return. If you file any kind of information return relating to me, you will be guilty of conspiracy to commit all the following crimes and civil infractions:

1.1. False information returns submitted in violation of **26 U.S.C. §7434**. Punishment is all attorney fees plus twice the false amount reported.

1.2. Impersonating a public officer in violation of **18 U.S.C. §912**. Punishment is a fine and up to three years in jail. Only "public officers" can act as "taxpayers", and you are creating a false presumption that I am a "taxpayer" by filing false information returns.

1.3. Conversion of private property to a public use, public purpose, and public office as a "withholding agent" in violation of **18 U.S.C. §654**.

1.4. Impersonating a public officer in violation of **18 U.S.C. §911**. Punishment is a fine and up to three years in jail. 1.5. False information returns in violation of **26 U.S.C. §7206**. Punishment is up to a $100,000 fine and 3 years in jail to file a false information return.

1.6. False information returns in violation of **26 U.S.C. §7207**. Punishment is up to $10,000 and 1 year in jail to submit a false information return.

1.7. Perjury in violation of **18 U.S.C. §1001** and **18 U.S.C. §1621**. The IRS Forms W-3 and 1096 submitted with the information return is signed under penalty of perjury and verifies the accuracy of the accompanying information return. These forms are submitted as a government officer and agent called a "withholding agent" defined in 26 U.S.C. 7701(a)(16). Those forms are FRAUDULENT now that you have been notified that they are false and you willfully refuse to either stop filing the false report or correct the false reports already filed.

2. IRS Publication 515 indicates that nonresident aliens who give you IRS form W-8BEN are exempt for 1099 reporting. **This document serves the equivalent purpose and is a superset of that form.**

For purpose of this subpart and subparts B, C, and D, the term "income, when not preceded by the words "taxable", "distributable net", "undistributed net", or "gross", means that amount of income of the estate or trust for the taxable year determined under the terms of the governing instrument and the applicable local law. Items of gross income constituting extraordinary dividends or taxable stock dividends which the fiduciary, acting in good faith, determines to be allocable to corpus under the terms of the governing instrument and applicable local law shall not be considered income.

IRS Form 1042-S may only be prepared in the case of statutory "nonresident aliens" (per **26 U.S.C. §7701**(b)(1)(B)) who have "income" from "sources within the statutory but not constitutional "United States" that is not connected with a "trade or business" and therefore constitutes "gross income" with the meaning of **26 U.S.C. §61**. All such sources are expressly indicated in **26 U.S.C. §871**(a). All of these sources are government payments. The transactions likely to occur between us are NOT government payments and are not listed in **26 U.S.C. §871**(a), and therefore may not lawfully be reported.

SECTION 2: AFFIDAVIT OF TAX STATUS

Human being (but not statutory "Person") who signed this form hereby affirms under penalty of perjury from WITHOUT the statutory "United States" per 28 U.S.C. §1746(1) that:

1. Submitter has NO tax liability or "gross income" pursuant to 26 CFR §1.872-2(f), 26 CFR §1.871-1(a), and 26 U.S.C. §861(a)(C)(i) and therefore no need to deduct or withhold.

2. Submitter is not a statutory "taxpayer" as defined in 26 U.S.C. §7701(a)(14) and not subject to the revenue laws.

"Revenue Laws relate to taxpayers [instrumentalities, officers, employees, and elected officials of the Federal Government] and not to non-taxpayers [American Citizens/American Nationals not subject to the exclusive jurisdiction of the Federal Government and not engaged in the "trade or business" franchise as a public officer]. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them [non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."
[Economy Plumbing & Heating v. U.S., 470 F2d. 585 (1972)]

3. Submitter is not "exempt" or an "exempt individual" as defined in 26 U.S.C. §7701(b)(5) because one must otherwise be subject to the I.R.C. to be such a legal "person". Rather, Submitter is "not subject" to Internal Revenue Code Subtitle A franchise agreement and is a nonresident. Since IRS forms very deliberately do not have a block for "not subject" and are only for use by those who are "taxpayers", Submitter had to make his own form, THIS DOCUMENT, to avoid committing perjury on a government form in describing his status under penalty of perjury. Those who are "not subject" are described NOT as a "person, "individual", or "taxpayer", but simply as "foreign" or a "foreign estate" in 26 U.S.C. §7701(a)(31).

TITLE 26 > Subtitle F > CHAPTER 79 > § 7701
§7701. Definitions

(a) Definitions

(31) Foreign estate or trust

(A) Foreign estate

The term "foreign estate" means an estate the income of which, from sources without the United States which is not effectively connected with the conduct of a trade or business within the United States, is not includible in gross income under subtitle A.

4. Submitter is a **"nonresident"** as statutorily defined pursuant to 26 U.S.C. § 7701(b)(1)(B) but not a "nonresident alien *individual*". A "nonresident alien" is defined as one who is "neither a citizen nor a resident" of the "United States", which is exactly what an "American National", or national born in a state of the Union who is not domiciled on federal territory in the "United States" is. The only withholding form that a "nonresident" who is neither a statutory "alien" (per **26 U.S.C. §7701**(b)(1)(A) nor an "individual" (per 26 CFR §1.1441-1(c)(3) and **5 U.S.C. §2105**(a)) and who is not engaged in federal franchises can fill out is a W-8BEN with block 3 modified to add the word "nontaxpayer" or "human being" to it. All statutory "taxpayers" and "individuals" are "aliens" per 26 CFR §1.1441-1(c)(3) and public officers in the national and not state government, and therefore submitter cannot check the "individual" block of the W-8BEN form without committing perjury. Even statutory "U.S. Citizens" per

26 CFR §1.1-1(c) and 26 U.S.C. §3121(e) must be aliens in relation to a foreign country under a tax treaty per 26 U.S.C. §911 in order to be "taxpayers".

5. Submitter is *not* engaged in a "trade or business", which is defined in 26 U.S.C. § 7701(a)(26) as "the functions of a public office". Receipt of earnings from the District of Columbia in connection with a "trade or business" under 26 U.S.C. §871(b) or not connected under 26 U.S.C. 871(a) are the only types of "gross income" or "taxable income" that nonresidents who are not aliens can have under I.R.C. Subtitle A.

6. Submitter is a "transient foreigner" but not a statutory "foreign person" or statutory "alien" in respect to the national government and federal territory. A human being or artificial entity such as a state corporation domiciled in a state of the Union is a "transient foreigner" but not a "person", "individual', or "foreign person" for the purposes of the Internal Revenue Code because the term "United States" is defined in 26 U.S.C. §7701(a)(9) and (a)(10) as the District of Columbia and is nowhere expressly expanded to include any state of the Union.

7. Submitter is not in receipt of any treaty benefit under the terms of an income tax treaty with a foreign country.

8. Submitter has not made an election to be treated as a "resident alien" as defined in 26 U.S.C. 7701(b)(1)(A) under the authority of 26 U.S.C. §6013(g) and (h).

9. Submitter is not a statutory "individual" as defined in 26 CFR §1.1441-1(c)(3) or a "person" as defined in 26 U.S.C. §7701(c) because not domiciled or resident on federal territory and not eligible or consensually participating in any federal franchise or "benefit" in the context of this exclusively private and not public transaction. As such, she is not a "public officer" with the government but rather a private human being. The only thing the government can regulate or tax are public activities, public officers, and public "employees" who are the only "persons" mentioned in the I.R.C. franchise per 26 U.S.C. §7343 and 6671(b). It is otherwise unconstitutional to regulate exclusively private conduct.

> *"The power to "legislate generally upon" [the PRIVATE] life, liberty, and property, as opposed to the "power to provide modes of redress' against offensive state [e.g. "public officer"/"employee"] action, was "repugnant" to the Constitution. 10. Submitter is NOT subject to IRS Form 1099 reporting, withholding, or backup withholding pursuant to 26 U.S.C. §3401(a)(6) or 26 CFR §31.3401(a)(6)-1(b):

> *"Foreign persons who provide Form W-8BEN, Form W-8ECI, or Form W-8EXP (or applicable documentary evidence) are exempt from backup withholding and Form 1099 reporting."*
> *[IRS Publication 515, year 2001, p. 3]*

11. Submitter is not a "U.S. person" as statutorily defined pursuant to 26 U.S.C. 7701(a)(30). The term "U.S. person" is statutorily defined as follows:

> ***TITLE 26 > Subtitle F > CHAPTER 79 > Sec. 7701.***
> ***Sec. 7701. – Definitions***
>
> *(a)(30) United States person*
> *The term "United States person" means –*

> *(D) any estate (other than a foreign estate, within the meaning of paragraph (31)), and*
> *(E) any trust if –*

12. The term "**United States** " as used in "U.S. person" above is defined in **26 U.S.C. § 7701**(a)(9) and (a)(10) as follows:

13. **Pursuant to the rules for statutory construction, if the states of the Union are not mentioned anywhere in Subtitle A of the Internal Revenue code and are not included in the definition of "United States" above, they can be safely assumed to be EXCLUDED by implication:**

Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."*
> *[Black's Law Dictionary, Sixth Edition, p. 581]*

14. Nonresidents not engaged in a "trade or business" such as the Submitter are not required to provide identifying number to open financial accounts. The regulation below mentions "nonresident aliens", and nonresidents who are not statutory "aliens" must be treated the same:

> *Title 31: Money and finance: Treasury*
> ***PART 103—FINANCIAL RECORDKEEPING AND RPORTING OF CURRENCY AND FOREIGN TRANSACTIONS***
> ***Subpart C—Records Required To Be Maintained***
> ***§103.34 additional records to be made and retained by banks.***

> *In instances described in paragraph (a)(3), (viii) and (ix) of this section, the bank shall, within 15 days following the end of any calendar year in which the interest accrued in that year is $10 or more use its best effort to secure and maintain the appropriate taxpayer identification number or application form therefor.*

15. It amounts to "compelled to association" in violation of the First Amendment to force me to associate with and be identified as a "U.S. person" (under **26 U.S.C. § 7701**(a)(30)), a statutory "U.S. Citizen" (under **8 U.S.C. §1401**), or a "taxpayer" (under **26 U.S.C. §7701**(a)(14) or any status OTHER than that described above. I would also be committing perjury under penalty of perjury to sign any government form that identified me as any of the three types of entities.

16. I will not allow you to compel me to participate in the "trade or business" franchise or contract with the government by changing my status to be anything other than that described herein. All franchises are contracts between the grantor and the grantee:

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

As a rule, franchises spring from contracts between the sovereign power and private citizens, made upon valuable considerations, for purposes of individual advantage as well as public benefit, [1] and thus a franchise partakes of a double nature and character. So far as it affects or concerns the public, it is publici juris and is subject to governmental control. The legislature may prescribe the manner of granting it, to whom it may be granted, the condition and terms upon which it may be held, and the duty of the grantee to the public in exercising it, and may also provide for its forfeiture upon the failure of the grantee to perform that duty. But when granted, it becomes the property of the grantee, and is a private right, subject only to the governmental control growing out of its other nature as publici juris. [2]
[Am.Jur.2d, Franchises, §4: Generally]

17. Pursuant to the **Declaratory Judgment Act, 28 U.S.C. §2201**(a) and the federal courts, the recipient of this form and any government agent handling this case has NO authority to assume any tax status other than that indicated on this form or to convert an innocent "nontaxpayer" into a "taxpayer".

*Specifically, Rowen seeks a declaratory judgment against the United States of America with respect to "whether or not the plaintiff is a taxpayer pursuant to, and/or under **26 U.S.C. § 7701**(a)(14)." (See Compl. At 2.) The court lacks jurisdiction to issue a declaratory judgment "with respect to Federal taxes other than actions brought under section 7428 of the Internal Revenue code of 1986, " a code section that is not at issue in the instant action. See **28 U.S.C. §2201**; see also Hughes v. United States, 953 F.2d 531, 536-537 (9th Cir. 1991) (affirming dismissal of claim for declaratory relief under § 2201 where claim concerned question of tax liability). Accordingly, defendant's motion to dismiss is hereby GRANTED, and the instant action is hereby DISMISSED.*
[Rowen v. US., 05-3766MMC. (N.D.Cal. 11/02/2005)]

"And by statutory definition, 'taxpayer' includes any person, trust or estate subject to a tax imposed by the revenue act. ...Since the statutory definition of 'taxpayer' is exclusive, the federal courts do not have the power to create nonstatutory taxpayers for the purpose of applying the provisions of the Revenue Acts..."
[C.I.R. v. Trustrees of L. Inv. Ass'n, 100 F.2d 18 (1939)]

"A reasonable construction of the taxing statutes does not include vesting any tax official with absolute power of assessment against individuals not specified in the statutes as a person liable for the tax without an opportunity for judicial review of this status before the appellation of 'taxpayer' is bestowed upon them and their property is seized..."
[Botta v. Scanlon, 288 F.2d. 504, 508 (1961)]

SECTION 3: DURESS STATEMENT

If any other government form with the Recipient of this form might have received or viewed which I might have signed contradicts anything contained herein, the reasons are that:

1. I was threatened or felt threatened:
   - 1.1. By the Recipient to either not be hired or be fired if I did not sign a W-4 agreement or submit to a specific government from that doesn't pertain to me and thereby commit what I know to be fraud and/or perjury on a government form. . . OR
   - 1.2. By the Recipient because I was told that I would be denied the EQUAL right of all to engage in a business or financial account needed to sustain my life if I did not fill out and submit the form indicated and which I know misrepresented my status or had no options to correctly represent my status. . . OR
   - 1.3. By the government because I would become the target of unlawful or "selective' IRS/government enforcement that the legal profession, the courts, and the government routinely protect and encourage because of conflicts of interest, undue consolidation of power, and greed.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with may sorrows.

But thou, O man of God, flee these things' and follow after righteousness, godliness, faith, love, patience, meekness.

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses."
[1 Timothy 6:5-12, Bible, NKJV]

1.4 By the Recipient, who may have refused to accept this for or sent it back, because they knew they were violating both the law and my right and wanted to obstruct justice, destroy evidence of their wrongdoing, and tamper with a federal witness because this form is signed under penalty of perjury.

2. I was therefore under unlawful duress and the target of racketeering, extortion, and/or unconscionable "adhesion contracts" by the recipient/ government.
3. The origin of the duress was the Recipient of this form acting in a quasi-governmental and "public officer" capacity as a "withholding agent" pursuant to **26 U.S.C. §7701**(a)(16) and who is therefore legally liable to respect my constitutional rights and REFUSED demands to do so.
... AND
4. The result of the unlawful duress was that I was compelled to contract with or engage in commerce within the government against my will and/or religious beliefs in violation of Article 1, section 10 of the United States Constitution, and to donate private property to a public use, public purpose, and/or public office in the government such as the "trade or business" franchise that is the heart of the Internal Revenue Code. Participation in all government franchises is an act of contracting because all franchises are contracts.

I hereby for the record declare as void, untrustworthy, and not admissible as evidence of any obligation on my part in any and all forms, declarations of status, or other correspondence in conflict with this form or any attached form I may have provided because such was submitted under unlawful duress.

"An agreement [consensual contract] obtained by duress, coercion, or intimidation is invalid, since the party coerced is not exercising his free will, and the test is not so much the means by which the party is compelled to execute the agreement as the state of mind induced.[3] Duress, like fraud, rarely becomes material, except where a contract or conveyance has been made which the maker wishes to avoid. As a general rule, duress renders the contract or conveyance voidable, not void, at the option of the person coerced, [4] and it is susceptible of ratification. Like other voidable contracts, it is valid until it is avoided by the person entitled to avoid it. [5] However, duress in the form of physical compulsion, in which a party is caused to appear to assent when he has no intention of doing so, is generally deemed to render the resulting purported contract void. [6]"
[American Jurisprudence 2d, Duress, Section 21]

This affidavit of duress and void declaration especially includes, but is not limited to, anything relating to government franchises, disclosures of government identifying numbers such as SSN or TIN, tax withholding or reporting forms such as the W-4 contract forms (26 CFR §31.3401(a)-3(a) and 26 CFR §31.3402(p)-1, tax returns, or any other declaration of status (e.g. "employee", "taxpayer", "individual", "inhabitant", "U.S. citizen") arising out of any tax, citizenship, or licensing forms provided to the government such as driver's license applications, applications for ID cards, voter registration, or benefit applications.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

SECTION 4: DO NOT ATTEMPT TO ADVISE ME WHAT TO PUT ON ANY GOVERNMENT FORM OR TO CHANGE THE STATUS DESCRIBED IN THIS FORM

Per **26 U.S.C. §6065**, all tax forms must be signed under penalty of perjury, just as this form is. As such, this form and ALL tax forms I submit to you constitute "testimony of a witness" and are protected by witness tampering laws. I remind the recipient that it is a federal offense to tamper with witnesses. Tampering includes, but is not limited to:

1. Advising me what to put on this form or any tax or withholding form and thereby conspire to commit PERJURY in violation of **18 U.S.C. §1542**, **18 U.S.C. §911**, **18 U.S.C. §1001**, and **18 U.S.C. §1621**. All such attempts shall form an inseparable part of the forms you both receive and must keep on file so that you may be held accountable.
2. Refusing to honor that status that I describe here and thereby compelling me to commit perjury for the PRIVILEGE of being treated EQUALLY to everyone else you service.
3. Telling me that what I put on the form is INCORRECT or FALSE and thereby refusing to accept the form, and yet refusing to offer legal evidence signed under penalty of perjury (as required by **26 U.S.C. §6065**) PROVING that it is false.
4. Threatening to withhold service or discriminate against me while acting as a public officer called a "withholding agent" defined in **26 U.S.C. §7701**(a)(14). That would be a denial of equal protection of the law.
5. Imputing or assuming a legal status OTHER than what I put here, and which might subject me to illegal enforcement or penalties against parties not subject. All such activities constitute an unconstitutional "Bill of Attainder" if implemented against those not consensually and lawfully engaged in government franchises. Not even federal judges can make such determinations. 28 22 U.S.C. 2201(a) forbids such determinations.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

SECTION 4: DO NOT ATTEMPT TO ADVISE ME WHAT TO PUT ON ANY GOVERNMENT FORM OR TO CHANGE THE STATUS DESCRIBED IN THIS FORM

Per **26 U.S.C. §6065**, all tax forms must be signed under penalty of perjury, just as this form is. As such, this form and ALL tax forms I submit to you constitute "testimony of a witness" and are protected by witness tampering laws. I remind the recipient that it is a federal offense to tamper with witnesses. Tampering includes, but is not limited to:

1. Advising me what to put on this form or any tax or withholding form and thereby conspire to commit PERJURY in violation of **18 U.S.C. §1542**, **18 U.S.C. §911**, **18 U.S.C. §1001**, and **18 U.S.C. §1621**. All such attempts shall form an inseparable part of the forms you both receive and must keep on file so that you may be held accountable.
2. Refusing to honor that status that I describe here and thereby compelling me to commit perjury for the PRIVILEGE of being treated EQUALLY to everyone else you service.
3. Telling me that what I put on the form is INCORRECT or FALSE and thereby refusing to accept the form, and yet refusing to offer legal evidence signed under penalty of perjury (as required by **26 U.S.C. §6065**) PROVING that it is false.
4. Threatening to withhold service or discriminate against me while acting as a public officer called a "withholding agent" defined in **26 U.S.C. §7701**(a)(14). That would be a denial of equal protection of the law.
5. Imputing or assuming a legal status OTHER than what I put here, and which might subject me to illegal enforcement or penalties against parties not subject. All such activities constitute an unconstitutional "Bill of Attainder" if implemented against those not consensually and lawfully engaged in government franchises. Not even federal judges can make such determinations. 28 22 U.S.C. 2201(a) forbids such determinations.

SECTION 5: SIGNTURE OF SUBMITTER

Worker Signature:	I certify under penalty of perjury from without the "United States" in accordance with **28 U.S.C. § 1746**(1) that the information provided on this form is true, correct, and complete. Beverly Jean Romero Hill **Beverly Jean, Romero- Hill**	**Date signed:**	10/11/12

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

APPENDIX: LEGAL POINTS AND AUTHORITIES

(This section provided for those who seek supporting authorities of statement made in this document)

1. A "national" is statutorily defined as follows:

> ***TITLE 8*** *>* ***CHAPTER 12*** *>* ***SUBCHAPTER I*** *. Sec. 1101.*
> ***Sec. 1101. – Definitions***
> *(a)(21) The term "national" means a person owing permanent allegiance to a state.*

2. The "state" in the above definition is a state of the Union. All states of the Union are "foreign states" with respect to federal government legislative jurisdiction, and therefore are lower case. Federal territories are capitalized as "State" within federal law. For example:

> *TITLE 4 – FLAG AND SEAL, SEAT OF GOVERNMENT, AND THE STATES*
> *CHAPTER 4 – THE STATES*
> ***Sec. 110. Same****; definitions*
> *(d) The term "state" includes any* ***Territory*** *or possession of the United States.*

3. Even the "United States of America" passport recognizes the two types of citizenship defined in federal statutory law. On the inside cover of the passport it says the following. Note the phrase "citizen/national", which means "citizen OR national":

> *"The Secretary of State of the United States of America hereby request all whom it may concern to permit the* ***citizen/national*** *of the United States named herein to pass without delay or hindrance and in case of need to give all lawful aid and protection"*

4. Below are some cites that establish the foreign relationship between the state and federal government for the purposes of legislative jurisdiction:

> *Foreign States: "Nations outside of the United States...Term may also refer to another state: i.e. a sister state. The term 'foreign nations', ...should be construed to mean all nations and states other than that in which the action is brought; and hence, one state of the Union is foreign to another, in that sense."*
> *[Black's Law Dictionary, 6th Edition, p. 648]*

> *Foreign Laws: "The laws of a foreign country or sister state."*
> *[Black's Law Dictionary, 6th Edition, p. 647]*

> *"Generally, the states of the Union sustain toward each other the relationship of independent sovereigns or independent foreign states, except in so far as the United States is paramount as the dominating government, and in so far as the states are bound to recognize the fraternity among sovereignties established by the federal Constitution, as by the provision requiring each state to give full faith and credit to the public acts, records, and judicial proceedings of the other states..."*
> *[81A Corpus Juris Secundum (C.J.S.), United States, §29, legal encyclopedia]*

> *"It is no longer open to question that the general government, unlike the states, Hammer v. Dagenhart, 247 U.S. 251, 275, 38 S.Ct. 529, 3 A.L.R. 649, Ann.Cas. 1918E 724, possesses no inherent power in respect o f the internal affairs of the states; and emphatically not with regard to legislation. The question in respect of the inherent power of that government as to the external affairs of the Nation and in the field of international law is a wholly different mater which it is not necessary now to consider.*
> *[Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855 (1936)]*

5. The sole function of the federal government of the United States is to handle FOREIGN affairs with other countries, but it has no jurisdiction within states of the Union, including taxation. All of its revenues must derive *only* from the external affairs over which it has exclusive legislative jurisdiction. The rulings below occurred AFTER the passage of the Sixteenth Amendment and still limit the federal government exclusively to external matters in relation to states of the Union.

> *"The States, after they formed the Union, continued to have the same range of [INTERNAL] taxing power which they had before, barring only duties affecting exports, imports, and on tonnage [which all deal with FOREIGN/EXTERNAL commerce only]. 2 Congress, on the other hand, to lay taxes in order 'to pay the Debts and provide for the common Defence and general Welfare of the United States', Art. 1,*

Sec. 8, U.S.C.A. Const., can reach every person and every dollar in the land with due regard to Constitutional limitations as the method of laying taxes."
[Graves. V. People of State of New York, 306 U.S. 466 (1939)]

"The difficulties arising out of our dual form of government and the opportunities for differing opinions concerning the relative rights of state and national governments are many; but for a very long time this court has steadfastly adhered to the doctrine that the taxing power of Congress does not extend to the states of their political subdivisions. The same basic reasoning which leads to that conclusion, we think, requires like limitation upon the power which springs from the bankruptcy clause. United States v. Butler, supra."
[Ashton v. Cameron County Water Improvement District No. 1, 298 U.S. 513; 56 S.Ct. 892 (1936)]

Congress is authorized to lay and collect taxes, and to pay the debts, and provide for the common defence and general welfare of the United States. This does not interfere with the power of the States to tax [internally] for the support of their own governments: nor is the exercise of that power by the States [to tax INTERNALLY], an exercise of any portion of the power that is granted to the United States [to tax EXTERNALLY]. In imposing taxes for State purposes, they are not doing what Congress is empowered to do. Congress is not empowered to tax for those purposes which are within the exclusive province of the States. When, then, each government exercises the power to taxation, neither is exercising the power of the other. But, when a State proceeds to regulate commerce with foreign nations, or among the several States, it is exercising the very power that is granted to Congress, [22 U.S. 1, 200] and is doing the very thing which Congress is authorized to do. There is no analogy, then, between the power of taxation and the power of regulating commerce."
[Gibbons v. Ogden, 22 U.S. 1 (1824)]

"It will contribute to the elucidation of the question if we first consider the differences between the power of the federal government in respect of foreign or external affairs and those in respect of domestic or internal affairs. That there are differences between them, and that these differences are fundamental, may not be doubted. The two classes of powers are different, both in respect of their origin and their nature. The broad statement that the federal government can exercise no power except those specifically enumerated in the Constitution, and such implied power as are necessary and proper to carry into effect the enumerated power, is categorically true only in respect of our internal affairs. In that field, the primary purpose of the Constitution was to carve from the general mass of legislative powers then possessed by the states such portions as it was thought desirable to vest in the federal government, leaving those not included in the enumerations still in the states.
Carter v. Carter Coal Co., 298 U.S. 238, 294 , 56 S.Ct. 855, 865. . . .

The Union existed before the Constitution, which was ordained and established among other things to form 'a more perfect Union.' Prior to that event, it is clear that the Union, declared by the Articles of Confederation to be 'perpetual,' was the sole possessor of external sovereignty, and in the Union it remained without change save in so far as the Constitution in express terms qualified its exercise. The Framers' Convention was called and exerted its powers upon the irrefutable postulate that though the states were several their people in respect of foreign affairs were one."
[United States v. Curtiss-Wright Export Corporation, 299 U.S. 304 (1936)]

6. The states of the Union are "foreign" to federal legislative jurisdiction, because, as the U.S. Supreme Court held above, they are *not* subject to it. This is a result of what is called the "Separation of Powers Doctrine", which was explained by the Supreme Court as follows:

". . . the Constitution divides authority [legislative jurisdiction] between federal and state governments for the protection of individuals. State sovereignty is not just an end in itself: "Rather, federalism secures to citizens the liberties that derive from the diffusion of sovereign power." Coleman v. Thompson, 501 U.S. 722, 759 (1991) (BLACKMUN, J., dissenting). "Just as the separation and independence of the coordinate branches of the Federal Government serve to prevent the accumulation of excessive power in any one branch, a health balance of power between the States and the Federal Government will reduce the risk of tyranny and abuse from either front." Gregory v. [505 U.S. 144, 182] Ashcroft, 501 U.S. at 458. See The Federalist No. 51, p. 323. (C. Rossiter ed. 1961)."

7. The federal government has no legislative power outside of its "territory".

"Judge Story, in his treatise on the Conflicts of Laws, lays down, as the basis upon which all reasonings on the law of comity must necessarily rest, the following maxims: First 'that every nation [or state] possesses an exclusive sovereignty and jurisdiction within its own territory'; secondly, that no state or nation can by its laws directly affect or bind property out of its own territory, or bind persons not resident therein, whether they are natural born subjects or others.' The learned judge then adds: 'From these two maxims or propositions there follows a third, and that is that whatever force and obligation the laws of one country have in another depend solely upon the laws and municipal regulation of the latter; that is to say, upon its own proper jurisdiction and polity, and upon its own express or tacit [voluntary] consent." Story on Conflict of Laws §23.'
[Baltimore & Ohio Railroad Co. v. Chambers, 73 Ohio St. 16; 76 N.E. 91; 11 L.R.A., N.S., 1012 (1905)]

8. The states of the Union are NOT "territory" of the federal government. They are instead INDEPENDENT and SOVEREIGN states:

86 Corpus Juris Secundum (C.J.S.) Legal Encyclopedia, Territories:
"§1. Definitions, Nature, and Distinctions
"The word 'territory,' when used to designate a political organization has a distinctive, fixed, and legal meaning under the political institutions of the United States, and does not necessarily include all the territorial possessions of the United States, but may include only the portions thereof which are organized and exercise governmental functions under act of congress."

"While the term 'territory' is often loosely used, and has even been construed to include municipal subdivisions of a territory, and "territories of the " United States is sometimes used to refer to the entire domain over which the United States exercises dominion, the word 'territory," when used to designate a political organization, has a distinctive, fixed, and legal meaning under the political institutions of the United States, and the term 'territory' or 'territories' does not necessarily include only a portion of the portions thereof which are organized and exercise government functions under act of congress. The term 'territories' has been defined to be political subdivisions of the outlying dominion of the United States, and in this sense the term 'territory' is not a description of a definite area of land but of a political unit governing and being governed as such. The question whether a particular subdivision or entity is a territory is not determined by the particular form of government with which it is, more or less temporarily, invested.

"Territories' or 'territory' as including 'state' or 'states." While the term 'territories of the' United States may, under certain circumstances, include the states of the Union, as used in the federal Constitution and in ordinary acts of congress "territory" does not include a foreign state.

"As used in this title, the term 'territories' generally refers to the political subdivisions created by congress, and not within the boundaries of any of the several states."

9. *States of the Union retain their essential character as independent nations and foreign countries with respect to the federal government except in the matter of EXTERNAL affairs delegated by them to the Federal Government in their corporate capacity as the "United States of America":*

"The States between each other are sovereign and independent. They are distinct and separate sovereignties, except so far as they parted with some of the attributes of sovereignty by the Constitution. They continue to be nations, with all their rights, and under all their national obligations, and with all the rights of nations in every particular: except in the surrender by each to the common purposes and objects of the Union, under the Constitution. The rights of each State, when not so yielded up, remain absolute."
[Bank of Augusta v. Earle, 38 U.S. (13 Pet.) 519; 10 L.Ed. 274 (1839)]

"In determining the boundaries of apparently conflicting powers between states and the general government, the proper question is, not so much what has been, in terms, reserved to the states, as what has been, expressly or by necessary implication, granted by the people to the national government: for each state possess all the powers of an independent and sovereign nation, except so far as they have been ceded away by the constitution. The federal government is but a creature of the people of the states, and, like an agent appointed for definite and specific purposes, must show an express or necessarily implied authority in the charter of its appointment, to give validity to its acts."

[People ex re. Atty. Gen V. Naglee, 1 Cal 234 (1850)]

10. A human being (but NOT "person") who is born in a state of the Union, which is outside of federal exclusive legislative jurisdiction, is called a "national". A person who is a "national" is subject to the "political jurisdiction" but not the "legislative jurisdiction" of their mother country because they are outside of the territorial reach of its general laws, because the Congress cannot write any law that governs what happens with states of the Union, as the above citations indicate (see, for instance, Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855, (1936)). The reason is that the states and the people in them are SOVEREIGN, and their creation, the federal government, cannot be greater than its Creator, which is the states and the people in them. The federal government is a SERVANT to the states, not their master: the equivalent of an independent contract that handles EXTERNAL affairs only. This was confirmed by the Federalist Papers, which were written prior to the ratification of the Constitution by the states of the Union in 1789:

> *"No legislative act [of Congress] contrary to the Constitution can be valid. To deny this would be to affirm that the deputy (agent) [which is the federal government] is greater than his principal [the States and the people in them]; that the servant is above the master; that the representatives of the people are superior to the people; that men, acting by virtue of powers may do not only what their powers do not authorize, but what they forbid...[text omitted] It is not otherwise to be supposed that the Constitution could intend to enable the representatives of the people to substitute their will to that of their constituents. It is far more rational to suppose, that the courts were designed to be an intermediate body between the people and the legislature, in order, among other things, to keep the latter within the limits assigned to their authority. The interpretation of the laws is the proper and peculiar province of the courts. **A Constitution is, in fact, and must be regard by judges, as fundamental law.** If there should happen to be an irreconcilable variance between the two, the Constitution is to be preferred to the statute."*
> *[Alexander Hamilton, Federalist Paper # 78]*

11. It is absurdly ridiculous to demand from the submitter a federal statute that confers but NOT defines citizenship status of a person born *outside* of federal jurisdiction. The laws of the States of the Union, and not federal law, govern the citizenship status of people born within their jurisdiction. States of the Union have exclusive and "plenary" jurisdiction to determine the status of people born with their jurisdiction and they have never yielded that authority to the federal government either in the Constitution or in any subsequent amendment or enactment. To conclude otherwise is to admit that states of the Union have NO SOVEREIGNTY, because the federal government could just pass a law to literally STEAL all of their citizens. If the federal government had jurisdiction to pass a law that allowed them to STEAL all citizens of the states, then the states would be left with not one to govern!

12. Congress has the power to "**naturalize**" people coming *into* America, and when they do this, these people become statutory "nationals" and constitutional but not statutory "Citizens".

> *"Provision of Nationality Act of 1940 that a person becoming a national by naturalization shall lose his nationality by residing continuously for three years in territory of a foreign state, being practically identical to its successor, which was condemned by United States Supreme Court as discriminatory, would have been invalid as a congressional attempt to expatriate regardless of intent."*
> *[United States v. Lucienne D'Hotelle, 558 F.2d 37 (1976)]*

The statutory definition of "naturalization" confirms that in America, naturalization means conferring the character of a statutory "national" and *not* a statutory "citizen":

> ***8 U.S.C. §1101(a)(23) naturalization defined***
>
> *(a)(23) The term "naturalization" means the conferring of **nationality** [NOT "citizen" or "U.S. citizen" status, but "nationality", which means "**national**"] of a state [of the Union] upon a person after birth, by any means whatsoever.*
> ***[NOTE:** Compare with the definition of "**expatriation**"]*
>
> *"The power of naturalization, vested in congress by the constitution, is a power to confer citizenship, not a power to take it away. 'A naturalized citizen,' said Chief Justice Marshall, 'becomes a member of the society, possessing all the rights of a native citizen, and standing, in the view of the constitution, on the footing of a native. **The constitution does not authorize congress to enlarge or abridge those rights. The simple power of the national legislature [over citizenship] is to prescribe a uniform rule of naturalization, and the exercise of this power exhausts it, so far as respects the individual.**"*

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

[U.S. v. Wong Kim Ark, 169 U.S. 649 (1898)]

13. A human being who is a "national" but not a "citizen" under federal statutory law is identified as a "citizen of the United States" within the **Fourteenth Amendment to the U.S. Constitution**. The United States Constitution confines itself to describing citizenship ***within*** the states and the Union and therefore, the term "United States", as used within the Constitution, means the collective states of the Union [called "The United States of America"] and EXCLUDES federal territories and possessions and the District of Columbia. The "United States" mentioned in the Constitution and the "United States" mentioned in most federal enactments are two completely different and mutually exclusive places. This is VERY important and fundamental to understanding the **Separation of Powers Doctrine**.

Re: **Your October 31, 2012 letter/ Fed Ex Express, TRK # 201, 5366 8192 2909**

David,

Again, Glad to hear you are well.

About your October 31, 2012 letter (Fed Ex Express, TRK # 201, 5366 8192 2909, see attached for the record, 2 pages), David - **NO!** (I'll just be frank: May the truth be said and known.):

1) I submitted my demand and all facts upon RG2 claims for RG2's compliance with law and federal regulations (See my Affidavit of Citizenship, Domicile, and Tax Status.-See most recent Affidavit of Citizenship, Domicile, and Tax Status sent to Commissioner Astrue c/o President Obama based upon Commissioner Astrue's letter response/request - RMN: RE 430 969 752 US, 20 pages.).

2) As I repeatedly told you, my demand was sent directly to RG2 Claims because this matter was and remains between RG2 (as the "withholding agent " of the TD/IRS) and my "status" for "reporting"/ "withholding."

3) My only request to you was and remains restricted to solely advancing my position, assuring RG2's compliance with my position.

4) **Note: Your opinion on my position and "status", as you were repeatedly told, is not requested, authorized, relevant nor accepted.**

Your October 31, 2012 letter (attached) is false presumption on your part.

a) See paragraph 2, sentence 2: Regarding "applicable taxes" refer to my "status" statement Affidavit of Citizenship, Domicile, and Tax Status (enclosed). As established by law and regulations "no withholding" nor "reporting" by the "withholding agent" is permitted. Accordingly,

b) as indicated in my Affidavit of Citizenship, Domicile, and Tax Status (enclosed), the "withholding agent" RG2 claims and you shall commit willful fraud upon ignoring my "status" statement made.

c) Regarding your paragraph 3, sentence 2, you shamelessly state corroboration with RG2 to violate my demand, ignore my status statement, despite my express directions to you to ONLY support my position, NOT to corroborate 'business as usual' with RG2 claims against me!

5) This is likely to become a constitutional matter regarding apportionment. Thus, I inquired of you whether you knew of trustworthy PA lawyers to counsel me with the impending case against RG2, and you did not answer.

-Who are you protecting?

to defraud me?

-Why do you persecute me?

When RG2 Claims "withholding agent" "withholds" anything ignoring my demand, or "status," and, consequently, law and federal regulations I will pursue them in constitutional court. It is a lie that the USDC – D of Arizona authorized a Pennsylvania business (or you) to violate laws and regulations (which is a felony by them) concerning my "status".

All considered your actions of late warrant reporting your unethical corroboration with RG2 Claims' proposed actions to your state bar for blatant corroboration in willful fraud with RG2 Claims against this class member. Where are your professional ethics David?!

Fix this!

Sincerely,

Darrell James, Hill

Re: Johnson, et al. v. Arizona Hospital and Healthcare Assoc., et al.

Dear Mr. Hill:

I hope you are well, and I greatly appreciate and thank you for your concern for my own health (which is fine, thank you).

I am writing again about your individual request that, as to the claim you submitted in connection with the settlements in the Johnson v. AzHHA matter, the claims administrator not withhold applicable taxes from any settlement distribution payment you might receive as a claimant after we have moved for, and the Court has approved, distributions in this matter. As I have explained to you previously, the claims administrator (RG/2 Claims Administration) is required by law and the settlement agreements to calculate and withhold applicable taxes, and remit them to the appropriate authorities.

You have submitted various documents, but as I have explained to you, unless you can produce documents *from* the Social Security Administration (not just *to* them) and/or from other taxing authorities officially agreeing with your view of your tax status, RG/2 is required to withhold taxes and remit them to the appropriate authorities. We note that, in support of your claim in this matter, you submitted W-2 tax forms which document wages and federal and state tax withholding, and the settlement distribution payment you may ultimately receive in connection with this matter, similarly, relates to those same wages and is also subject to withholding.

Please understand that this is our final determination regarding your individual request. If you wish to appeal to the Court overseeing this case, you may contact the Court at: Clerk of Court, Johnson v. Arizona Hospital and Healthcare et al., No. 07-1292, U.S. District Court for

Re: 2ND -Commissioner Astrue c/o President Barack H. Obama: Response Letter; Affidavits (attached)

Dear Mr. President:

AGAIN, we write: Our name is Hill: Darrell James, Hill, husband, and wife Beverly Jean Romero- Hill. We are American Citizens born in states of the union of States of America. We trust in the God of Abraham, Isaac and Jacob; keep the commandments of the Most High God YHVH sacred, and have the testimony of His Son Yushuah, the Almighty God.

This is our SECOND USPO Registered Mail letter to Commissioner Astrue c/o You, continued **upon the same matter: See USPO RMN RE430969426US.**

The Commissioner's Response Letter Request

Clearly, the Commissioner's letter content is simply misguided (See a copy of his "TEH2A, 129010X8" LETTER enclosed, 1 page), as we are plainly not the "persons" and etc. other statutory terms whereupon the Commissioner's response presumes to validate his position. The enclosed Affidavits resolve this actual or feigned ignorance (see the AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS, (2) enclosed).

What We want you Barack to do – in finality

Commit the letter to the addressee, and, this time **ORDER the Commissioner to WITH NO FURTHER DELAY obey our decrees and demands under obligation to the Constitution for United States of America.** NO excuses or other ignorant positions; get this done!

Sincerely;

SOCIAL SECURITY

TEH2A
129010X8

October 1, 2012

Mr. and Mrs. Darrell J. Hill
28 Hilltop Court
Ramah, New Mexico 87321

Dear Mr. and Mrs. Hill:

Thank you for your September18, 2012 letter about the Social Security program. People cannot voluntarily end their participation in the program. Under Federal law, it is mandatory that everyone pay Social Security taxes, regardless of the citizenship or place of residence of either the employer or the employee. Unless specifically exempt by law, everyone working in the United States must pay Social Security taxes.

Similarly, people cannot withdraw the Social Security taxes that they have already paid. We do not place Social Security taxes paid by employees and employers in individual accounts but use them to pay benefits to workers and their families today. A person must voluntarily file an application to receive these benefits.

The law (Section 205 of the Social Security Act) requires the Social Security Administration to maintain records of workers' earnings and to establish any other records necessary to carry out our responsibilities under the Social Security Act. Since many people have the same name, or change their name, we needed a reliable and permanent system to distinguish one individual from another in our records. Congress established the Social Security number system to meet that need.

The Supreme Court has upheld the constitutionality of the Social Security system, as established by the Social Security Act, and mandatory individual participation. We will not respond further to your correspondence about voluntary participation in the Social Security program or the withdrawal of Social Security taxes.

The Internal Revenue Service has jurisdiction over the issue of liability for Social Security taxes; the United States Citizenship and Immigration Services has jurisdiction over the issue of citizenship. If you have questions about those subjects, you should contact one of those offices.

He would like to prevent a recurrence of this behavior again.
8. Will file a criminal complaint in connection with the use of any government issued identifying number connected with his exclusively PRIVATE life, property, and liberty and vociferously prosecute all those who unlawfully compel him to use a knowingly false number or any number at all in order to obtain any service or product in violation of **42 U.S.C. §408**.

WARNING: Any Social Security Number or Taxpayer Identification Number you have on file is FALSE and must be removed from your records. Failure to abide by this absolute requirement of law is a criminal violation of **18 U.S.C. §1028**(a)(7); **18 U.S.C. §1028A**, and a civil violation of **42 U.S.C. §408** and **42 U.S.C. §405**(c)(2)(C)(i).

14. DOMICILE AND RESIDENCE

1. My domicile and NOT "residence" is that indicated earlier on Item 12 above.
2. My domicile is outside the statutory but not constitutional "United States" and outside of federal territory. The Term "statutory United States" includes all statutory definitions of "United States" within any act of Congress.
3. I am not a statutory "resident". All "residents" are statutory "aliens" per **26 U.S.C. §7701**(b)(4).
4. I DO NOT have a statutory "residence" anywhere within the statutory "United States" per 26 CFR §1.871-2(b) because I am not a statutory "alien".

If you believe that the term "residence" includes the domicile of those who are non-citizen nationals, nonresident alien NON-individuals, please produce a statute that expressly includes this status within the meaning of the term "residence".

5. **WARNING**: You may not lawfully withhold any amount from proceeds due to me. The remainder of this section provides legally admissible evidence proving why this is.

6. Your withholding is ONLY on "wages" as legally defined in **26 U.S.C. §3401.** The earnings of nonresident alien NON-individuals not engaged in a "trade or business" as legally defined are excluded from "wages" per **26 U.S.C. §3401**(a)(6) and 26 U.S.C. §3401(a)(11) and therefore may not lawfully become the subject of tax withholding. If you withhold, you will therefore be guilty of the following crimes:

6.1. **18 U.S.C. §654:** Conversion of private property to a "public use" and a "public office". You are converting my PRIVATE proceeds as a class member into a public purpose and a "public office" by fraudulently and falsely connecting same with a "trade or business".

6.2. **18 U.S.C. §201:** Bribery of public officials and witnesses. You are bribing public officials who will receive the money you STOLE from me in violation of the law. The punishment is a fine and up to 15 years in jail. I remind you that all tax withholdings are classified as "gifts" by the IRS. See IRS Document 6209, pp. 4-1 and 4-2, which identify W-2 forms as "Estate and gift taxes". All tax withholdings are "gifts" to public officials that also constitute bribes.

6.3. **18 U.S.C. §1956**(a)(1)(A)(ii): Money laundering. You are laundering unlawfully withheld proceeds. The punishment is a fine up to $500,000 and imprisonment for up to twenty years.

7. IRS Publication 515 indicates that nonresident alien individuals who give you IRS form W-8BEN are exempt from backup withholding. This requirement is also found in **26 U.S.C. § 3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b). **This Affidavit serves the equivalent of IRS Form W-8BEN because IRS doesn't have a form for those who are "nonresident aliens" but who are not "individuals", "persons", or "taxpayers".**

> **[IRS Publication 515, Year 2001, p.3]**

8. You MAY NOT lawfully tamper with, reject, redact any portion of, or alter any withholding form that I give you. You must accept them AS IS and may not lawfully threaten me to change them. If you do, you could be prosecuted for extortion.

> *"The employer is not authorized to alter the form or to dishonor the employee's claim. The certificate goes into effect automatically in accordance with certain standards enumerated in §3402(f)(3)."*
> *[U.S. v. Malinowski, 347 F.Supp. 347 (1972)]*

9. The proceeds connected with our relationship do not constitute "income" and therefore cannot be the subject of any tax or withholding or reporting within the Internal Revenue Code. The only definition of "income" in the Internal Revenue Code is found in **26 U.S.C. §643**(b) and it includes ONLY the earnings of a trust or estate. I am not representing a domestic trust or estate. My earnings and my entire estate instead are a "foreign estate" pursuant to 26 U.S.C. §7701(a)(31).

10. Any earnings that result from our relationship *do not* originate from "sources within the United States". The term "United States" is defined below.

If you dispute this definition, please provide the definition that expressly identifies states of the Union as being included in the meaning of "United States".

CHAPTER 4 – THE STATES

Sec. 1210. Same; definitions
(d) The term "State" includes any Territory or possession of the United States.

"Expression unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

11. The financial transactions likely to result from relationship are excluded from (not "subject to" but not "exempt") taxation pursuant to the following authorities and therefore not subject to withholding:

- 11.1. **26 U.S.C. § 861**(a)(3)(C)(i): Earning from labor of "nonresident aliens" not engaged in a "trade or business" and working in the "United States" is not deemed to be income from sources within the "United States".
- 11.2. **26 U.S.C. § 3401**(a)(6): Nonresident aliens do not earn "wages".
- 11.3. **26 U.S.C. §1402**(b): Nonresident aliens do not earn "self-employment income".
- 11.4. **26 U.S.C. §864**(b)(1)(A): Earning of "nonresident aliens" working for foreign employers such as private employers do not have earnings associated with a "trade or business in the United States"
- 11.5. 26 CFR §31.3401(a)(6)-1(b): Remuneration of nonresident aliens outside the "United States" is not subject to taxation.
- 11.6. 26 CFR §1.872-2(f): Earning of nonresident aliens outside "United States" do not constitute "gross income".
- 11.7 26 CFR §1.871-7(a)(4): Nonresident aliens not engaged in a "trade or business" earn no "gross income".

12. Tax withholding is only appropriate for those having a tax liability. A nonresident alien NON-individual such as the submitter with no "income" or earning form "sources within the United States" under **26 U.S.C. §871** can have no tax liability. If you think you, as a private employer or private institution constitutes a "source within the United States", then why did the IRS Internal Revenue Manual say the following and where are the states of the Union included in "United States" as defined above?:

IRM 5.14.10.2 (09-30-2004)
Payroll Deduction Agreements

2. Private employers, states, and political subdivisions are not required to enter into payroll deduction agreements. Taxpayers should determine whether their employers will accept and process executed agreements before agreements are submitted for approval or finalized.
[http://www.irs.gov/irm/part5/ch14s10.html]

13. You can only be an "employer" if I am an "employee", according to 26 U.S.C. §3401(d). I am NOT an "employee", because all "employees" are "public officers" engaged in a "trade or business" who work for the United States government as the equivalent of "temps" or "Kelly Girls" on loan to private employers such as you. **I DO NOT consent to act in such capacity**, and therefore you cannot be an "employer" in the context of me"

26 CFR § 31.3401(c)-1 Employee:

"...the term [employee] includes [is limited to] officers and employees, whether elected or appointed, of the United States, a [federal] State, Territory, Puerto Rico or any political subdivision, thereof, or the District of Columbia, or any agency of instrumentality of any one of more of the foregoing. The term 'employee' also includes an officer of a corporation."

26 U.S.C. §3401(c) Employee

For purpose of this chapter, the term "employee" includes [is limited to] an officer, employee, or elected official of the United States, a State, or any political thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing. The term "employee" also includes an officer of a corporation.

8 Federal Register, Tuesday, September 7, 1943, §404.104, pg 12267

Employee: "The term employee specifically includes officers and employees whether elected or appointed, of the United States, a state, territory, or political subdivision thereof or the District of Columbia or any agency or instrumentality of any one or more of the foregoing."

If you disagree with this item, please rebut the foregoing within 30 days or be held in default and estoppels to challenge later.

14. You are only liable to withhold if you are an "employer" and if I receive "wages". 26 CFR 31.3403-1, 26 CFR §31.3111-4, 26 CFR §3102-1(c). The only way I can receive "wages" is to sign a contract called a W-4 absent duress consenting to call what proceeds I receive "wages" as legally defined but not commonly understood. If I don't sign the contract, then I don't earn "wages" subject to any withholding or reporting:

"Every man has a natural right to the fruits of his own labor, is generally admitted; and no other person can rightfully deprive him of those fruits, and appropriate them against his will..."
*[The antelope, **23 U.S. 66**: 10 Wheat 66, 6 L.Ed. 268 (1825)]*

"Included in the rights of personal liberty and the right of private property—partaking of the nature of each—is the right to make contracts for the acquisition of property. Chief among such contracts is that of personal employment, by which labor and other services are exchanged for money or other forms or property."

"...The right of a person to sell his labor upon such terms as he deems proper is, in its essence, the same as the right of the purchaser of labor to prescribe the conditions under which he will accept such labor from the person offering to sell it."

26 CFR §31.3401(a)-3 Amounts deemed wages under voluntary withholding agreements

(a) In general.

Notwithstanding the exceptions to the definition of wages specified in section 3401(a) and the regulations thereunder, the term "wages" includes the amounts described in paragraph (b)(1) of this section with respect to which there is a voluntary withholding agreement in effect under section 3402(p). References in this chapter to the definition of wages contained in section 3410(a) shall be deemed to refer also to this section (§31.3401(a)-3).

Title 26 : Internal Revenue
PART 31—EMPLOYMENT TAXES AND COLLECTION OF INCOME TAX AT SOURCE
Subpart E—Collection of Income Tax at Source
§31.3402(p)-1 Voluntary withholding agreements

(a) In general.

An employee and his employer may enter into an agreement under section 3402(b) to provide for the withholding of income tax upon payments of amounts described in paragraph (b)(1) of §31.3401(a)-3, made after December 31, 1970. An agreement may be entered into under this section only with respect to amounts which are includible in the gross income of the employee under section 61, and must be applicable to all such amounts paid by the employer to the employee. The amount to be withheld pursuant to an agreement under section 3402(p) shall be determined under the rules contained in section 3402 and the regulations thereunder. See §31.3405(c)-1, Q&A-3 concerning agreements to have more than 20-percent Federal income tax withheld from eligible rollover distributions with the meaning of section 402.

15. If I never give you an IRS form W-4 and thereby consent to call what proceeds I am due "wages" as defined in the Internal Revenue Code, then you can't lawfully withhold or report anything:

15.1. Everything that goes on the IRS form W-2 constitutes "wages" as legally defined and not commonly understood.

15.2 Tax withholding ONLY pertains to "wages" as legally defined and NOT all earnings. The U.S. Supreme Court confirmed this:

"We must reject in this case, as we have rejected in cases arising under the Corporation Excise Tax Act of 1909 (Doyle, Collector, v. Mitchells Brother Co., 247 U.S. 179, 38 Sup. Ct. 467, 62 L. Ed. --) the broad contention submitted on behalf of the government that all receipts—everything that comes in -are income with the proper definition of the term 'gross income.' And that the entire proceeds of a conversion of capital assets, in whatever form and under whatever circumstances accomplished, should be treated as gross income. Certainly the term "income' has no broader meaning in the 1913 act than in that of 1909 (See Stratton's Independence v. Howbert, 231 U.S. 399, 416, 417 S., 34 Sup. Ct. 136), and for the present purpose we assume there is no difference in its meaning as used in the two acts."
[Southern Pacific Co., v. Lowe, 247 U.S. 330, 335, 38 S. Ct 540 (1918)]

15.3. If you are ordered by the IRS, et al., to withhold proceeds because I refuse to submit an IRS for W-4, then you must withhold and report ONLY on "wages" as statutorily defined and limited pursuant to the I.R.C. "trade or business" franchise agreement. I don't earn "wages" if I never consented to call them "wages" using a private contract called an IRS form W-4.

16. On the subject of unlawful withholding the Bible say the following. "Wages" as used below implies the ordinary and excludes the statutory definition:

"Woe to him who builds his house by unrighteousness
And his chambers by injustice,
Who [whether individual or government] uses his neighbor's service without wages
And give him nothing for his work
[Jer. 22:13, Bible, NKJV]

"Come now, you rich, weep and howl for your miseries that are coming upon you! Your riches are corrupted, and you garments are moth-eaten. Your gold and silver are corroded, and their corrosion will be a witness against you and will eat your flesh like fire. You have heaped up treasure in the last days. Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries of the reapers have reached the ears of the Lord of Sabaoth. You [business owner who control the purse of the workers] have lived on the earth in pleasure and luxury; you have fattened your hearts as in a day of slaughter. You have condemned, you have murdered the just, he does not resist you."
[James 5:1-6, Bible, NKJV]

"You shall not cheat your neighbor, nor rob him. The wages of him who is hired shall not remain with you all night until morning.
[Lev. 19.13, Bible, NKJV]

16. TAX REPORTING LEGAL REQUIREMENTS:

1. **WARNING: It is a criminal offense to file information returns against any payments you make in connection with our relationship. Filing of false information returns carries severe civil and criminal penalties. Information returns include IRS Forms W-2, 1042S, 1098, and 1099.**

I can only earn "wages" reportable on an IRS form W-2 if I am lawfully engaged in a "public office" in the U.S. Government as required by 26 U.S.C. §6041(a). Voluntarily signing a contract/agreement called an IRS form W-4 is the only way that a nonresident alien NON-individual not engaged in a "trade or business" can engage in such a "public office" per 26 CFR §31.3401(a)-3(a), and 26 CFR 31.3402(p)-1. Otherwise, it is a crime to impersonate a public officer in violation of **18 U.S.C. §912** to file an information return. If you file any kind of information return relating to me, you will be guilty of conspiracy to commit all the following crimes and civil infractions:

1.1. False information returns submitted in violation of **26 U.S.C. §7434.** Punishment is all attorney fees plus twice the false amount reported.

1.2. Impersonating a public officer in violation of **18 U.S.C. §912.** Punishment is a fine and up to three years in jail. Only "public officers" can act as "taxpayers", and you are creating a false presumption that I am a "taxpayer" by filing false information returns.

the estate or trust for the taxable year determined under the terms of the governing instrument and the applicable local law. Items of gross income constituting extraordinary dividends or taxable stock dividends which the fiduciary, acting in good faith, determines to be allocable to corpus under the terms of the governing instrument and applicable local law shall not be considered income.

IRS Form 1042-S may only be prepared in the case of statutory "nonresident aliens" (per **26 U.S.C. §7701**(b)(1)(B)) who have "income" from "sources within the statutory but not constitutional "United States" that is not connected with a "trade or business" and therefore constitutes "gross income" with the meaning of **26 U.S.C. §61.** All such sources are expressly indicated in **26 U.S.C. §871**(a). All of these sources are government payments. The transactions likely to occur between us are NOT government payments and are not listed in **26 U.S.C. §871**(a), and therefore may not lawfully be reported.

SECTION 2: AFFIDAVIT OF TAX STATUS

Human being (but not statutory "Person") who signed this form hereby affirms under penalty of perjury from WITHOUT the statutory "United States" per 28 U.S.C. §1746(1) that:

1. Submitter has NO tax liability or "gross income" pursuant to **26 CFR §1.872-2**(f), **26 CFR §1.871-1**(a), and **26 U.S.C. §861**(a)(C)(i) and therefore no need to deduct or withhold.

2. Submitter is not a statutory "taxpayer" as defined in **26 U.S.C. §7701**(a)(14) and not subject to the revenue laws.

"Revenue Laws relate to taxpayers [instrumentalities, officers, employees, and elected officials of the Federal Government] and not to non-taxpayers [American Citizens/American Nationals not subject to the exclusive jurisdiction of the Federal Government and not engaged in the "trade or business" franchise as a public officer]. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them [non-taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws."
[Economy Plumbing & Heating v. U.S., 470 F2d. 585 (1972)]

3. Submitter is not "exempt" or an "exempt individual" as defined in **26 U.S.C. §7701**(b)(5) because one must otherwise be subject to the I.R.C. to be such a legal "person". Rather, Submitter is "not subject" to Internal Revenue Code Subtitle A franchise agreement and is a nonresident. Since IRS forms very deliberately do not have a block for "not subject" and are only for use by those who are "taxpayers", Submitter had to make his own form, THIS DOCUMENT, to avoid committing perjury on a government form in describing his status under penalty of perjury. Those who are "not subject" are described NOT as a "person, "individual", or "taxpayer", but simply as "foreign" or a "foreign estate" in **26 U.S.C. §7701**(a)(31).

***TITLE 26** > **Subtitle F** > **CHAPTER 79** > § 7701*
§7701. Definitions

(a) Definitions

(31) Foreign estate or trust

(A) Foreign estate

*The term "foreign estate" means an estate the income of which, from sources without the United States which is not effectively connected with the conduct of a **trade or business** within the **United States**, is not includible in gross income under subtitle A.*

4. Submitter is a "**nonresident**" as statutorily defined pursuant to **26 U.S.C. § 7701**(b)(1)(B) but not a "nonresident alien *individual*". A "nonresident alien" is defined as one who is "neither a citizen nor a resident" of the "United States", which is exactly what an "American National", or national born in a state of the Union who is not domiciled on federal territory in the "United States" is. The only withholding form that a "nonresident" who is neither a statutory "alien" (per **26 U.S.C. §7701**(b)(1)(A) nor an "individual" (per 26 CFR §1.1441-1(c)(3) and **5 U.S.C. §2105**(a)) and who is not engaged in federal franchises can fill out is a W-8BEN with block 3 modified to add the word "nontaxpayer" or "human being" to it. All statutory "taxpayers" and "individuals" are "aliens" per 26 CFR §1.1441-1(c)(3) and public officers in the national and not state government, and therefore submitter cannot check the "individual" block of the W-8BEN form without committing perjury. Even statutory "U.S. Citizens" per 26 CFR §1.1-1(c) and **26 U.S.C. §3121**(e) must be aliens in relation to a foreign country under a tax treaty per **26 U.S.C. §911** in order to be "taxpayers".

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

5. Submitter is *not* engaged in a "**trade or business**", which is defined in **26 U.S.C. § 7701**(a)(26) as "the functions of a public office". Receipt of earnings from the District of Columbia in connection with a "trade or business" under **26 U.S.C. §871(b)** or not connected under **26 U.S.C. 871**(a) are the only types of "gross income" or "taxable income" that nonresidents who are not aliens can have under I.R.C. **Subtitle A**.

6. Submitter is a "**transient foreigner**" but not a statutory "foreign person" or statutory "alien" in respect to the national government and federal territory. A human being or artificial entity such as a state corporation domiciled in a state of the Union is a "transient foreigner" but not a "person", "individual', or "foreign person" for the purposes of the Internal Revenue Code because the term "United States" is defined in **26 U.S.C. §7701**(a)(9) and (a)(10) as the District of Columbia and is nowhere expressly expanded to include any state of the Union.

7. Submitter is not in receipt of any treaty benefit under the terms of an income tax treaty with a foreign country.

8. Submitter has not made an election to be treated as a "resident alien" as defined in **26 U.S.C. 7701**(b)(1)(A) under the authority of **26 U.S.C. §6013**(g) and (h).

9. Submitter is not a statutory "individual" as defined in 26 CFR §1.1441-1(c)(3) or a "person" as defined in **26 U.S.C. §7701**(c) because not domiciled or resident on federal territory and not eligible or consensually participating in any federal franchise or "benefit" in the context of this exclusively private and not public transaction. As such, he is not a "public officer" with the government but rather a private human being. The only thing the government can regulate or tax are public activities, public officers, and public "employees" who are the only "persons" mentioned in the I.R.C. franchise per 26 U.S.C. §7343 and 6671(b). It is otherwise unconstitutional to regulate exclusively private conduct.

> *"The power to "legislate generally upon" [the PRIVATE] life, liberty, and property, as opposed to the "power to provide modes of redress' against offensive state [e.g. "public officer"/"employee"] action, was "**repugnant" to the Constitution**. Although the specific holdings of these early cases might have been superseded or modified, see, e.g., Heart of Atlanta Motel, Inc. v. United States, 379 U.S. 241 (1964); United States v. Guest, 383 U.S. 745 (1966), their treatment of Congress' §5 power as corrective or preventive, not definitional, has not been questioned."*
> ***[City of Boerne v. Florez, Archbishop of San Antonio, 521 U.S. 507 (1997)]***

10. Submitter is **NOT** subject to IRS Form 1099 reporting, withholding, or backup withholding pursuant to **26 U.S.C. §3401**(a)(6) or **26 CFR §31.3401(a)(6)-1**(b):

> *"Foreign persons who provide Form W-8BEN, Form W-8ECI, or Form W-8EXP (or applicable documentary evidence) **are exempt from backup withholding and Form 1099 reporting**."*
> ***[IRS Publication 515, year 2001, p. 3]***

11. Submitter is not a "**U.S. person**" as statutorily defined pursuant to **26 U.S.C. 7701**(a)(30). The term "U.S. person" is statutorily defined as follows:

> ***TITLE 26** > **Subtitle F** > **CHAPTER 79** > Sec. 7701.*
> ***Sec. 7701. – Definitions***
>
> *(a)(30) **United States** person*

> *(A) a citizen or **resident** of the United States,*
> *(B) a domestic partnership,*
> *(C) a domestic **corporation**,*
> *(D) any estate (other than a foreign estate, within the meaning of paragraph (31)), and*
> *(E) any trust if –*
> *(i) a court within the United States is able to exercise primary supervision over the administration of the trust, and*
> *(ii) one or more United States persons have the authority to control all substantial decisions of the trust.*

The term "**United States** " as used in "U.S. person" above is defined in **26 U.S.C. § 7701**(a)(9) and (a)(10) as follows:

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

TITLE 26 > Subtitle F > CHAPTER 79 > Sec. 7701. [Internal Revenue Code]
Sec. 7701. – Definitions

(a) When used in this title, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof—

(9) United States

The term "United States" when used in a geographical sense includes on the States and the District of Columbia.

(10) State

The term "State" shall be construed to include the District of Columbia, where such construction is necessary to carry out provisions of this title.

13. **Pursuant to the rules for statutory construction, if the states of the Union are not mentioned anywhere in Subtitle A of the Internal Revenue code and are not included in the definition of "United States" above, they can be safely assumed to be EXCLUDED by implication:**

"Expressio unius est exclusio alterius. A maxim of statutory interpretation meaning that the expression of one thing is the exclusion of another. Burgin v. Forbes, 293 Ky. 456, 169 S.W.2d 321, 325; Newblock v. Bowles, 170 Okl. 487, 40 P.2d 1097, 1100. Mention of one thing implies exclusion of another. When certain persons or things are specified in a law, contract, or will, an intention to exclude all others from its operation may be inferred. Under this maxim, if statute specifies one exception to a general rule or assumes to specify the effects of a certain provision other exceptions of effects are excluded."
[Black's Law Dictionary, Sixth Edition, p. 581]

14. Nonresidents not engaged in a "trade or business" such as the Submitter are not required to provide identifying number to open financial accounts. The regulation below mentions "nonresident aliens", and nonresidents who are not statutory "aliens" must be treated the same:

Title 31: Money and finance: Treasury
PART 103—FINANCIAL RECORDKEEPING AND RPORTING OF CURRENCY AND FOREIGN TRANSACTIONS
Subpart C—Records Required To Be Maintained
§103.34 additional records to be made and retained by banks.

(a)(3) A taxpayer identification number required under paragraph (a)(1) of this section need not be secured for accounts or transactions with the following:

(x) non-resident aliens who are not engaged in a trade of business in the United States.

In instances described in paragraph (a)(3), (viii) and (ix) of this section, the bank shall, within 15 days following the end of any calendar year in which the interest accrued in that year is $10 or more use its best effort to secure and maintain the appropriate taxpayer identification number or application form therefor.

15. It amounts to "compelled to association" in violation of the First Amendment to force me to associate with and be identified as a "U.S. person" (under **26 U.S.C. § 7701**(a)(30)), a statutory "U.S. Citizen" (under **8 U.S.C. §1401**), or a "taxpayer" (under **26 U.S.C. §7701**(a)(14) or any status OTHER than that described above. I would also be committing perjury under penalty of perjury to sign any government form that identified me as any of the three types of entities.

16. I will not allow you to compel me to participate in the "trade or business" franchise or contract with the government by changing my status to be anything other than that described herein. All franchises are contracts between the grantor and the grantee:

As a rule, franchises spring from contracts between the sovereign power and private citizens, made upon valuable considerations, for purposes of individual advantage as well as public benefit, [1] and thus a franchise partakes of a double nature and character. So far as it affects or concerns the public, it is

publici juris and is subject to governmental control. The legislature may prescribe the manner of granting it, to whom it may be granted, the condition and terms upon which it may be held, and the duty of the grantee to the public in exercising it, and may also provide for its forfeiture upon the failure of the grantee to perform that duty. But when granted, it becomes the property of the grantee, and is a private right, subject only to the governmental control growing out of its other nature as publici juris.[2] *[Am.Jur.2d, Franchises, §4: Generally]*

17. Pursuant to the **Declaratory Judgment Act, 28 U.S.C. §2201**(a) and the federal courts, the recipient of this form and any government agent handling this case has NO authority to assume any tax status other than that indicated on this form or to convert an innocent "nontaxpayer" into a "taxpayer".

*Specifically, Rowen seeks a declaratory judgment against the United States of America with respect to "whether or not the plaintiff is a taxpayer pursuant to, and/or under **26 U.S.C. § 7701**(a)(14)." (See Compl. At 2.) The court lacks jurisdiction to issue a declaratory judgment "with respect to Federal taxes other than actions brought under section 7428 of the Internal Revenue code of 1986, "a code section that is not at issue in the instant action. See **28 U.S.C. §2201**; see also Hughes v. United States, 953 F.2d 531, 536-537 (9th Cir. 1991) (affirming dismissal of claim for declaratory relief under § 2201 where claim concerned question of tax liability). Accordingly, defendant's motion to dismiss is hereby GRANTED, and the instant action is hereby DISMISSED.*
[Rowen v. US., 05-3766MMC. (N.D.Cal. 11/02/2005)]

"And by statutory definition, 'taxpayer' includes any person, trust or estate subject to a tax imposed by the revenue act. ...Since the statutory definition of 'taxpayer' is exclusive, the federal courts do not have the power to create nonstatutory taxpayers for the purpose of applying the provisions of the Revenue Acts..."
[C.I.R. v. Trustrees of L. Inv. Ass'n, 100 F.2d 18 (1939)]

"A reasonable construction of the taxing statutes does not include vesting any tax official with absolute power of assessment against individuals not specified in the statutes as a person liable for the tax without an opportunity for judicial review of this status before the appellation of 'taxpayer' is bestowed upon them and their property is seized..."
[Botta v. Scanlon, 288 F.2d. 504, 508 (1961)]

SECTION 3: DURESS STATEMENT

If any other government form with the Recipient of this form might have received or viewed which I might have signed contradicts anything contained herein, the reasons are that:

1. I was threatened or felt threatened:
   - 1.1. By the Recipient to either not be hired or be fired if I did not sign a W-4 agreement or submit to a specific government from that doesn't pertain to me and thereby commit what I know to be fraud and/or perjury on a government form. . . OR
   - 1.2. By the Recipient because I was told that I would be denied the EQUAL right of all to engage in a business or financial account needed to sustain my life if I did not fill out and submit the form indicated and which I know misrepresented my status or had no options to correctly represent my status. . . OR
   - 1.3. By the government because I would become the target of unlawful or "selective' IRS/government enforcement that the legal profession, the courts, and the government routinely protect and encourage because of conflicts of interest, undue consolidation of power, and greed.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with may sorrows.

But thou, O man of God, flee these things' and follow after righteousness, godliness, faith, love, patience, meekness.

Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called, and hast professed a good profession before many witnesses."
[1 Timothy 6:5-12, Bible, NKJV]

1.4 By the Recipient, who may have refused to accept this for or sent it back, because they knew they were violating both the law and my right and wanted to obstruct justice, destroy evidence of their wrongdoing, and tamper with a federal witness because this form is signed under penalty of perjury.

2. I was therefore under unlawful duress and the target of racketeering, extortion, and/or unconscionable "adhesion contracts" by the recipient/ government.
3. The origin of the duress was the Recipient of this form acting in a quasi-governmental and "public officer" capacity as a "withholding agent" pursuant to **26 U.S.C. §7701**(a)(16) and who is therefore legally liable to respect my constitutional rights and REFUSED demands to do so.
. . . AND
4. The result of the unlawful duress was that I was compelled to contract with or engage in commerce within the government against my will and/or religious beliefs in violation of Article 1, section 10 of the United States Constitution, and to donate private property to a public use, public purpose, and/or public office in the government such as the "trade or business" franchise that is the heart of the Internal Revenue Code. Participation in all government franchises is an act of contracting because all franchises are contracts.

I hereby for the record declare as void, untrustworthy, and not admissible as evidence of any obligation on my part in any and all forms, declarations of status, or other correspondence in conflict with this form or any attached form I may have provided because such was submitted under unlawful duress.

"An agreement [consensual contract] obtained by duress, coercion, or intimidation is invalid, since the party coerced is not exercising his free will, and the test is not so much the means by which the party is compelled to execute the agreement as the state of mind induced.[3] Duress, like fraud, rarely becomes material, except where a contract or conveyance has been made which the maker wishes to avoid. As a general rule, duress renders the contract or conveyance voidable, not void, at the option of the person coerced, [4] and it is susceptible of ratification. Like other voidable contracts, it is valid until it is avoided by the person entitled to avoid it. [5] However, duress in the form of physical compulsion, in which a party is caused to appear to assent when he has no intention of doing so, is generally deemed to render the resulting purported contract void. [6]"
[American Jurisprudence 2d, Duress, Section 21]

This affidavit of duress and void declaration especially includes, but is not limited to, anything relating to government franchises, disclosures of government identifying numbers such as SSN or TIN, tax withholding or reporting forms such as the W-4 contract forms (26 CFR §31.3401(a)-3(a) and 26 CFR §31.3402(p)-1, tax returns, or any other declaration of status (e.g. "employee", "taxpayer", "individual", "inhabitant", "U.S. citizen") arising out of any tax, citizenship, or licensing forms provided to the government such as driver's license applications, applications for ID cards, voter registration, or benefit applications.

Wells Fargo Nevada Nat'l Bank, 270 U.S. 438, 70 LEd 669, 46 S Ct 326 (holding that acts induced by duress which operate solely on the mind, and fall short of actual physical compulsion, are not void at law, but are voidable only, at the election of him whose acts were induced by it); Faske v. AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

SECTION 4: DO NOT ATTEMPT TO ADVISE ME WHAT TO PUT ON ANY GOVERNMENT FORM OR TO CHANGE THE STATUS DESCRIBED IN THIS FORM

Per 26 U.S.C. §6065, all tax forms must be signed under penalty of perjury, just as this form is. As such, this form and ALL tax forms I submit to you constitute "testimony of a witness" and are protected by witness tampering laws. I remind the recipient that it is a federal offense to tamper with witnesses. Tampering includes, but is not limited to:

1. Advising me what to put on this form or any tax or withholding form and thereby conspire to commit PERJURY in violation of 18 U.S.C. §1542, 18 U.S.C. §911, 18 U.S.C. §1001, and 18 U.S.C. §1621. All such attempts shall form an inseparable part of the forms you both receive and must keep on file so that you may be held accountable.
2. Refusing to honor that status that I describe here and thereby compelling me to commit perjury for the PRIVILEGE of being treated EQUALLY to everyone else you service.
3. Telling me that what I put on the form is INCORRECT or FALSE and thereby refusing to accept the form, and yet refusing to offer legal evidence signed under penalty of perjury (as required by 26 U.S.C. §6065) PROVING that it is false.
4. Threatening to withhold service or discriminate against me while acting as a public officer called a "withholding agent" defined in 26 U.S.C. §7701(a)(14). That would be a denial of equal protection of the law.
5. Imputing or assuming a legal status OTHER than what I put here, and which might subject me to illegal enforcement or penalties against parties not subject. All such activities constitute an unconstitutional "Bill of Attainder" if implemented against those not consensually and lawfully engaged in government franchises. Not even federal judges can make such determinations. 28 22 U.S.C. 2201(a) forbids such determinations.

AFFIDAVIT OF CITIZENSHIP, DOMICILE, AND TAX STATUS

APPENDIX: LEGAL POINTS AND AUTHORITIES

(This section provided for those who seek supporting authorities of statement made in this document)

1. A "national" is statutorily defined as follows:

> ***TITLE 8 > CHAPTER 12 > SUBCHAPTER I . Sec. 1101.***
> ***Sec. 1101. – Definitions***
> *(a)(21) The term "national" means a person owing permanent allegiance to a state.*

2. The "state" in the above definition is a state of the Union. All states of the Union are "foreign states" with respect to federal government legislative jurisdiction, and therefore are lower case. Federal territories are capitalized as "State" within federal law. For example:

> *TITLE 4 – FLAG AND SEAL, SEAT OF GOVERNMENT, AND THE STATES*
> *CHAPTER 4 – THE STATES*
> ***Sec. 110. Same; definitions***
> *(d) The term "state" includes any **Territory** or possession of the United States.*

3. Even the "United States of America" passport recognizes the two types of citizenship defined in federal statutory law. On the inside cover of the passport it says the following. Note the phrase "citizen/national", which means "citizen OR national":

> *"The Secretary of State of the United States of America hereby request all whom it may concern to permit the **citizen/national** of the United States named herein to pass without delay or hindrance and in case of need to give all lawful aid and protection"*

4. Below are some cites that establish the foreign relationship between the state and federal government for the purposes of legislative jurisdiction:

> *Foreign States: "Nations outside of the United States...Term may also refer to another state: i.e. a sister state. The term 'foreign nations', ...should be construed to mean all nations and states other than that in which the action is brought; and hence, one state of the Union is foreign to another, in that sense."*
> *[Black's Law Dictionary, 6th Edition, p. 648]*

> *Foreign Laws: "The laws of a foreign country or sister state."*

Sec. 8, U.S.C.A. Const., can reach every person and every dollar in the land with due regard to Constitutional limitations as the method of laying taxes."
[Graves. V. People of State of New York, 306 U.S. 466 (1939)]

"The difficulties arising out of our dual form of government and the opportunities for differing opinions concerning the relative rights of state and national governments are many; but for a very long time this court has steadfastly adhered to the doctrine that the taxing power of Congress does not extend to the states of their political subdivisions. The same basic reasoning which leads to that conclusion, we think, requires like limitation upon the power which springs from the bankruptcy clause. United States v. Butler, supra."
[Ashton v. Cameron County Water Improvement District No. 1, 298 U.S. 513; 56 S.Ct. 892 (1936)]

Congress is authorized to lay and collect taxes, and to pay the debts, and provide for the common defence and general welfare of the United States. This does not interfere with the power of the States to tax [internally] for the support of their own governments: nor is the exercise of that power by the States [to tax INTERNALLY], an exercise of any portion of the power that is granted to the United States [to tax EXTERNALLY]. In imposing taxes for State purposes, they are not doing what Congress is empowered to do. Congress is not empowered to tax for those purposes which are within the exclusive province of the States. When, then, each government exercises the power to taxation, neither is exercising the power of the other. But, when a State proceeds to regulate commerce with foreign nations, or among the several States, it is exercising the very power that is granted to Congress, [22 U.S. 1, 200] and is doing the very thing which Congress is authorized to do. There is no analogy, then, between the power of taxation and the power of regulating commerce."
[Gibbons v. Ogden, 22 U.S. 1 (1824)]

"It will contribute to the elucidation of the question if we first consider the differences between the power of the federal government in respect of foreign or external affairs and those in respect of domestic or internal affairs. That there are differences between them, and that these differences are fundamental, may not be doubted. The two classes of powers are different, both in respect of their origin and their nature. The broad statement that the federal government can exercise no power except those specifically enumerated in the Constitution, and such implied power as are necessary and proper to carry into effect the enumerated power, is categorically true only in respect of our internal affairs. In that field, the primary purpose of the Constitution was to carve from the general mass of legislative powers then possessed by the states such portions as it was thought desirable to vest in the federal government, leaving those not included in the enumerations still in the states.
Carter v. Carter Coal Co., 298 U.S. 238, 294) 56 S.Ct. 855, 865. . . .

The Union existed before the Constitution, which was ordained and established among other things to form 'a more perfect Union.' Prior to that event, it is clear that the Union, declared by the Articles of Confederation to be 'perpetual,' was the sole possessor of external sovereignty, and in the Union it remained without change save in so far as the Constitution in express terms qualified its exercise. The Framers' Convention was called and exerted its powers upon the irrefutable postulate that though the states were several their people in respect of foreign affairs were one."
[United States v. Curtiss-Wright Export Corporation, 299 U.S. 304 (1936)]

6. The states of the Union are "foreign" to federal legislative jurisdiction, because, as the U.S. Supreme Court held above, they are *not* subject to it. This is a result of what is called the "Separation of Powers Doctrine", which was explained by the Supreme Court as follows:

". . . the Constitution divides authority [legislative jurisdiction] between federal and state governments for the protection of individuals. State sovereignty is not just an end in itself: "Rather, federalism secures to citizens the liberties that derive from the diffusion of sovereign power." Coleman v. Thompson, 501 U.S. 722, 759 (1991) (BLACKMUN, J., dissenting). "Just as the separation and independence of the coordinate branches of the Federal Government serve to prevent the accumulation of excessive power in any one branch, a health balance of power between the States and the Federal Government will reduce the risk of tyranny and abuse from either front." Gregory v. [505 U.S. 144, 182] Ashcroft, 501 U.S. at 458. See The Federalist No. 51, p. 323. (C. Rossiter ed. 1961)."

7. The federal government has no legislative power outside of its **"territory"**.

> *"Judge Story, in his treatise on the Conflicts of Laws, lays down, as the basis upon which all reasonings on the law of comity must necessarily rest, the following maxims: First 'that every nation [or state] possesses an exclusive sovereignty and jurisdiction within its own territory'; secondly, that no state or nation can by its laws directly affect or bind property out of its own territory, or bind persons not resident therein, whether they are natural born subjects or others.' The learned judge then adds: 'From these two maxims or propositions there follows a third, and that is that whatever force and obligation the laws of one country have in another depend solely upon the laws and municipal regulation of the latter; that is to say, upon its own proper jurisdiction and polity, and upon its own express or tacit [voluntary] consent." Story on Conflict of Laws §23.'*
> *[Baltimore & Ohio Railroad Co. v. Chambers, 73 Ohio St. 16; 76 N.E. 91; 11 L.R.A., N.S., 1012 (1905)]*

8. The states of the Union are NOT **"territory"** of the federal government. They are instead INDEPENDENT and SOVEREIGN states:

> *86 Corpus Juris Secundum (C.J.S.) Legal Encyclopedia, Territories:*
> *"§1. Definitions, Nature, and Distinctions*
> *"The word 'territory,' when used to designate a political organization has a distinctive, fixed, and legal meaning under the political institutions of the United States, and does not necessarily include all the territorial possessions of the United States, but may include only the portions thereof which are organized and exercise governmental functions under act of congress."*
>
> *"While the term 'territory' is often loosely used, and has even been construed to include municipal subdivisions of a territory, and "territories of the " United States is sometimes used to refer to the entire domain over which the United States exercises dominion, the word 'territory," when used to designate a political organization, has a distinctive, fixed, and legal meaning under the political institutions of the United States, and the term 'territory' or 'territories' does not necessarily include only a portion of the portions thereof which are organized and exercise government functions under act of congress. The term 'territories' has been defined to be political subdivisions of the outlying dominion of the United States, and in this sense the term 'territory' is not a description of a definite area of land but of a political unit governing and being governed as such. The question whether a particular subdivision or entity is a territory is not determined by the particular form of government with which it is, more or less temporarily, invested.*
>
> *"Territories' or 'territory' as including 'state' or 'states." While the term 'territories of the' **United States** may, under certain circumstances, include the states of the Union, as used in the federal Constitution and in ordinary acts of congress "territory" does not include a **foreign state.***
>
> *"As used in this title, the term 'territories' generally refers to the political subdivisions created by congress, and not within the boundaries of any of the several states."*

9. *States of the Union retain their essential character as independent nations and foreign countries with respect to the federal government except in the matter of EXTERNAL affairs delegated by them to the Federal Government in their corporate capacity as the "United States of America":*

> *"The States between each other are sovereign and independent. They are distinct and separate sovereignties, except so far as they parted with some of the attributes of sovereignty by the Constitution. **They continue to be nations,** with all their rights, and under all their national obligations, and with all the rights of nations in every particular: except in the surrender by each to the common purposes and objects of the Union, under the Constitution. The rights of each State, when not so yielded up, remain absolute."*
> *[Bank of Augusta v. Earle, 38 U.S. (13 Pet.) 519; 10 L.Ed. 274 (1839)]*
>
> *"In determining the boundaries of apparently conflicting powers between states and the general government, the proper question is, not so much what has been, in terms, reserved to the states, as what has been, expressly or by necessary implication, granted by the people to the national government: for **each state possess all the powers of an independent and sovereign nation, except so far as they have been ceded away by the constitution.** The federal government is but a creature of the people of the states, and, like an agent appointed for definite and specific purposes, must show an express or necessarily implied authority in the charter of its appointment, to give validity to its acts."*

[U.S. v. Wong Kim Ark, 169 U.S. 649 (1898)]

13. A human being who is a "national" but not a "citizen" under federal statutory law is identified as a "citizen of the United States" within the **Fourteenth Amendment to the U.S. Constitution**. The United States Constitution confines itself to describing citizenship *within* the states and the Union and therefore, the term "United States", as used within the Constitution, means the collective states of the Union [called "The United States of America"] and EXCLUDES federal territories and possessions and the District of Columbia. The "United States" mentioned in the Constitution and the "United States" mentioned in most federal enactments are two completely different and mutually exclusive places. This is VERY important and fundamental to understanding the **Separation of Powers Doctrine**.

[People ex re. Atty. Gen V. Naglee, 1 Cal 234 (1850)]

10. A human being (but NOT "person") who is born in a state of the Union, which is outside of federal exclusive legislative jurisdiction, is called a "national". A person who is a "national" is subject to the "political jurisdiction" but not the "legislative jurisdiction" of their mother country because they are outside of the territorial reach of its general laws, because the Congress cannot write any law that governs what happens with states of the Union, as the above citations indicate (see, for instance, Carter v. Carter Coal Co., 298 U.S. 238, 56 S.Ct. 855, (1936)). The reason is that the states and the people in them are SOVEREIGN, and their creation, the federal government, cannot be greater than its Creator, which is the states and the people in them. The federal government is a SERVANT to the states, not their master: the equivalent of an independent contract that handles EXTERNAL affairs only. This was confirmed by the Federalist Papers, which were written prior to the ratification of the Constitution by the states of the Union in 1789:

> *"No legislative act [of Congress] contrary to the Constitution can be valid. To deny this would be to affirm that the deputy (agent) [which is the federal government] is greater than his principal [the States and the people in them]; that the servant is above the master; that the representatives of the people are superior to the people; that men, acting by virtue of powers may do not only what their powers do not authorize, but what they forbid...[text omitted] It is not otherwise to be supposed that the Constitution could intend to enable the representatives of the people to substitute their will to that of their constituents. It is far more rational to suppose, that the courts were designed to be an intermediate body between the people and the legislature, in order, among other things, to keep the latter within the limits assigned to their authority. The interpretation of the laws is the proper and peculiar province of the courts. **A Constitution is, in fact, and must be regard by judges, as fundamental law.** If there should happen to be an irreconcilable variance between the two, the Constitution is to be preferred to the statute."*
> *[Alexander Hamilton, Federalist Paper # 78]*

11. It is absurdly ridiculous to demand from the submitter a federal statute that confers but NOT defines citizenship status of a person born *outside* of federal jurisdiction. The laws of the States of the Union, and not federal law, govern the citizenship status of people born within their jurisdiction. States of the Union have exclusive and "plenary" jurisdiction to determine the status of people born with their jurisdiction and they have never yielded that authority to the federal government either in the Constitution or in any subsequent amendment or enactment. To conclude otherwise is to admit that states of the Union have NO SOVEREIGNTY, because the federal government could just pass a law to literally STEAL all of their citizens. If the federal government had jurisdiction to pass a law that allowed them to STEAL all citizens of the states, then the states would be left with not one to govern!

12. Congress has the power to "**naturalize**" people coming *into* America, and when they do this, these people become statutory "nationals" and constitutional but not statutory "Citizens".

> *"Provision of Nationality Act of 1940 that a person becoming a national by naturalization shall lose his nationality by residing continuously for three years in territory of a foreign state, being practically identical to its successor, which was condemned by United States Supreme Court as discriminatory, would have been invalid as a congressional attempt to expatriate regardless of intent."*
> *[United States v. Lucienne D'Hotelle, 558 F.2d 37 (1976)]*

The statutory definition of "naturalization" confirms that in America, naturalization means conferring the character of a statutory "national" and *not* a statutory "citizen":

> ***8 U.S.C. §1101(a)(23) naturalization defined***
>
> *(a)(23) The term "naturalization" means the conferring of **nationality** [NOT "citizen" or "U.S. citizen" status, but "nationality", which means "**national**"] of a state [of the Union] upon a person after birth, by any means whatsoever.*
> *[**NOTE:** Compare with the definition of "**expatriation**"]*
>
> *"The power of naturalization, vested in congress by the constitution, is a power to confer citizenship, not a power to take it away. 'A naturalized citizen,' said Chief Justice Marshall, 'becomes a member of the society, possessing all the rights of a native citizen, and standing, in the view of the constitution, on the footing of a native. **The constitution does not authorize congress to enlarge or abridge those rights. The simple power of the national legislature [over citizenship] is to prescribe a uniform rule of naturalization, and the exercise of this power exhausts it, so far as respects the individual.**"*

Re: Johnson, et al. v. Arizona Hospital and Healthcare Assoc., et al.

Dear Mr. Hill:

I am writing to follow up on my letter to you dated October 31, 2012. In that letter, I told you of our final determination denying your individual request that, as to the claim you submitted in connection with the settlements in the Johnson v. AzHHA matter, the claims administrator not withhold applicable taxes from any settlement distribution payment you might receive as a claimant because of your view that you have, in effect, withdrawn or "opted out" of the Social Security and/or tax system.

As I told you in the October 31, 2012, letter, if you wish to appeal to the Court overseeing this case, you may contact the Court at: Clerk of Court, Johnson v. Arizona Hospital and Healthcare et al., No. 07-1292, U.S. District Court for District of Arizona, Sandra Day O'Connor U.S. Courthouse, 401 W. Washington St., Phoenix, Arizona 85003. If you wish to appeal, you should do so within seven (7) days, because we intend to shortly ask the Court for permission to distribute funds.

Thank you. You may contact me if you have questions.

Sincerely,

David F. Sorensen

RE: c/o David Sorensen's Corroboration of Willful Fraud with RG2 Claims Against This Johnson v AzHHA Class Member Darrell James, Hill.

Shalom David, et al.:

This is likely my final letter to you I hope.
I hope you are well.

My provider is my God Yahweh (HVHY), not the federal government. The money in question in this case was stolen from me. Whoever curses me will be cursed.

Regarding your November 8, 2012, FedEx letter (Trk 0201, 5366 8192 3342, not attached) the facts remain, that:

a) No withholding was, nor is now, authorized or allowed by me; no "applicable tax" ever "applied".
b) You have never had authority on these issues beyond which I gave you: therein, you were never given direction nor latitude to ignore my position or my "status" statement which are one.
c) RG2 Claims did as a federal "withholding agent" of the TD/IRS accepted my position statement in late 2011. RG2 accepted my "status" statement in early 2012. **RG2 did not rebut a single point as required in writing to disagree in fact with any point in my "status" statement.** Therefore, RG2 remains bound by the "status" statement according to applicable law and federal regulations.
d) Your hand on these matters offends and hurts me deeply. This is very disturbing.

Sincerely,

2009

Mark,

This is likely the last letter about the RG2 claims and David Sorensen issue (see attached).

I do not agree with David's action on the limited matters. And, I certainly don't agree with David's compromise with RG2.

Re: Johnson, et al. v. Arizona Hospital & Healthcare Association, et al.
Claim #: AZA000000930

Dear Mr. Hill:

We are writing in response to your request that RG/2 Claims not utilize your social security number or withhold taxes from any settlement payment you may be due.

The materials that you submitted in support of your claim are inconsistent with the above request. You provided as part of your submissions W-2 tax forms which include a social security number and demonstrate both the wages earned and federal and state taxes withheld. You also represented that you had rescinded your SSN as of May, 2006, but failed to provide proof that the Social Security Administration accepted this request.

In your letter dated December 1, 2011 you "prohibited" RG/2 Claims from (1) "us[ing] any SSN in [your] regard" and (2) "pay[ing] any tax obligations or making any distributions to any taxing authority for any obligation assumed or alleged owed." You stated that you (and your spouse) had terminated your SSA account and number in 2006. You provided your demand letter to the Social Security Administration without providing an acknowledgement from the Social Security Administration that they had acceded to your demand and terminated the account. Class Counsel informed you in a letter dated October 31, 2012 that you needed to produce documents *from* the Social Security Administration (not just *to* them) and/or from other taxing authorities officially agreeing with you in order for RG/2 Claims to evaluate your claim. In response, you produced a copy of a letter dated October 1, 2012 from the Social Security Administration which explains that you cannot voluntarily end your participation in the Social Security program. Similarly, you produced nothing from any government agency recognizing what you state in your "Affidavit of Citizenship, Domicile, and Tax Status" that your citizenship is "Nonresident alien NON-individual" and that your domicile is "Transient Foreigner." In sum, RG/2 Claims is required by law to withhold and remit taxes on any settlement payment you may be due.

Gospel of the Good-news Scriptures

For all have sinned, and come short of the glory of God (**KJV: Romans: 3.23)**;

As it is written,
"There is none righteous, no, not one:
There is none that understandeth, there is none that seeketh after God.
They are all gone out of the way, they are together become unprofitable; there is none that doeth good, no, not one (**KJV: Romans: 3.10- 12**);

For the wages of sin is death; but the gift of God is eternal like through Yushuah the Messiah (Jesus Christ) our Lord. (**KJV: Romans: 6.23**);

And almost all things are by the law purged with blood; and
without shedding of blood is no remission (*of sin).*(KJV:);

And as it is appointed unto men[,] once to die, but after this the judgment: (**KJV: Hebrews: 9.27**);

For we (saints) must all appear before the judgment seat of the Messiah; that every one may receive the things *done* in *his body, according to* that he (which we- each) hath done, whether *it* be good or bad. (**KJV: II. Corinthians: 5.10**);

And whosoever was not found written in the book of life was cast into the lake of fire. (**KJV: Revelation: 20.15**);

The LORD is not slack concerning His promise, as some men count slackness; but is longsuffering to us-ward (toward us), not-willing that any should perish (eternally-decay), but that all should come to *the* repentance. (**KJV: II. Peter: 3.9**);

But God commendeth His love toward us, in that while we were yet sinners, the Messiah-Christ died for us. (**KJV: Romans: 5.8**);

Yet it pleased the LORD to bruise Him; He hat put *Him* to grief: when thou shalt make His soul an offering for sin, He shall see *His* seed, He shall prolong *His* days, and the pleasure of the LORD shall prosper in His hand. (**KJV: Isaiah: 53.10**);

All we like sheep have gone astray; we have turned every one to his own way; and the LORD hath laid on Him the iniquity of us all. (**KJV: Isaiah: 53.6**);

For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish-*everlasting*, but have *an* everlasting life. (**KJV: John: 3.16**);

And, from -*:Yushuah-the-Messiah-* Jesus-Christ, *Who is* the faithful Witness, *and* the First Begotten of the dead, and the Prince of the kings of the earth[,] Unto Him That loved us, and washed us from our sins in His own blood, (**KJV: Revelation: 1.5**)... ;

To him give all the prophets witness, that through His name whosoever believeth in Him shall receive remissions of sins. (**KJV: Acts: 10.43**);

[:]Forasmuch -then[,] as we are the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone graven [-image] by *the* art and man's devise. –
And the times of this ignorance God winked at; but now commandeth all [man] every where to repent: –
Because He hath appointed a day, in the which He will judge the world in righteousness by *that* Man Whom He hath ordained; *whereof* He hath given assurance unto all [*man*], in that He [the Father] hath raised Him [the Son] from the dead. (**KJV: Acts: 17.29- 31**);

Not every one that saith unto me, 'Lord, Lord,' shall enter into the kingdom of heaven; but he that doeth the will of My Father Which is in heaven. (**KJV: Matthew: 7.21**);

He that covereth his sins shall not proper: But whoso confesseth and forsaketh *them* shall have mercy. (**KJV: Proverbs: 28.13**);

That if thou shalt confess with thy mouth the Lord Yushuah-Jesus, and shalt believe in thine heart that God that raised Him from the dead, thou shalt be saved. –
For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. –
For the Scripture saith, 'Whosoever believeth on Him shall not be ashamed.' –
For there is no difference between the Jew and the Greek; for the same Lord over all is rich unto all that call upon Him. –
For 'whosoever shall call upon the name of the Lord shall be saved.' (**KJV: Romans 10.9-13**);

But God, Who is rich in mercy, for His great love wherewith He loved us,
Even when we were dead in sins, hast quickened us together with the Messiah-Christ, (by grace ye are saved;) –
And hath raised *us* up together, and made *us* sit together in heavenly *places* in the Messiah-Christ Yushuah-Jesus;
For by grace are ye saved through faith; and that not of yourselves: *it is* the gift of God: … (**KJV: Ephesians: 2.4- 8**);

Psalms 103: 2- 4, 10- 11 Bless the LORD, O my soul; And all that is with me, *bless* His holy name. – Bless the LORD, O my soul, And forget not all His benefits; –
Who forgiveth all thine iniquities; Who healeth all thy diseases; –
Who redeemeth thy life from destruction; Who crowneth thee with lovingkindness and tender mercies; … – Who hath not dealt with us after our sins; Nor rewarded us according to our iniquities. –
For as the heaven is high above the earth, *So* great is His mercy toward them that fear [revere] Him.

97th Congress

Joint Resolution

Authorizing and requesting the President to proclaim 1983 as the "Year of the Bible".

Oct. 4, 1982
[S.J. Res. 165]

Whereas the Bible, the Word of God, has made a unique contribution in shaping the United States as a distinctive and blessed nation and people;
Whereas deeply held religious convictions springing from the Holy Scriptures led to the early settlement of our Nation;
Whereas Biblical teachings inspired concepts of civil government that are contained in our Declaration of Independence and the Constitution of the United States;
Whereas many of our great national leaders—among them Presidents Washington, Jackson, Lincoln, and Wilson—paid tribute to the surpassing influence of the Bible in our country's development, as in the words of President Jackson that the Bible is "the rock on which our Republic rests";
Whereas the history of our Nation clearly illustrates the value of voluntarily applying the teachings of the Scriptures in the lives of individuals, families, and societies;
Whereas this Nation now faces great challenges that will test this Nation as it has never been tested before; and
Whereas that renewing our knowledge of and faith in God through Holy Scripture can strengthen us as a nation and a people: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the President is authorized and requested to designate 1983 as a national "Year of the Bible" in recognition of both the formative influence the Bible has been for our Nation, and our national need to study and apply the teachings of the Holy Scriptures.

Calling on the President to proclaim 2007 as the ``National Year of the Bible".

IN THE HOUSE OF REPRESENTATIVES

June 21, 2006

Mrs. Musgrave (for herself and Mr. Rush) submitted the following concurrent resolution; which was referred to the Committee on Government Reform

---

CONCURRENT RESOLUTION

Calling on the President to proclaim 2007 as the ``National Year of the Bible".

Whereas 2007 is the 275th anniversary of the birth of George Washington, the father and first President of our great Nation and for whom the Bible was a primary inspiration for his life, as is manifested in the many direct Biblical references and Biblical allusions in his writings and speeches;

Whereas 2007 is the 225th anniversary of the Aitken Bible, the first English Bible printed in America;

Whereas 2007 is the 225th anniversary of the creation of the Great Seal of the United States, a ``coat of arms" whose Biblical imagery was considered by the founders to represent the beliefs and values of an independent nation and a free people with grand aspirations for the future;

Whereas 2007 is the 200th anniversary of the abolition of slavery in England, a cause which was largely driven by William Wilberforce who drew his inspiration from scripture and who played a major role in the creation of the first British Bible Society;

Whereas 2007 is the 175th anniversary of the founding of the New England Anti-Slavery Society, similarly inspired by Biblical principles;

Whereas the Bible has had a profound impact in shaping America into a great nation;

Whereas many of our Presidents have recognized the importance of God and the Bible, including George Washington and Abraham Lincoln, and Ronald Reagan who declared 1983 the ``National Year of the Bible'';

Whereas the Bible has inspired Americans from all walks of life, especially the early settlers whose faith, spiritual courage, and moral strength enabled them to endure intense hardships in this new land;

Whereas shared Biblical beliefs unified the colonists and gave our Founding Fathers the wisdom to write the Declaration of Independence and the Constitution of the United States, both of which recognized the inherent divine worth, dignity, and inalienable rights of each individual, thus unifying a diverse people with the right to vote and the freedoms of speech and religion;

Whereas the Bible has been the world's best-selling book since first published in English in 1526 and has influenced more people than any other book;

Whereas the Bible has been a cornerstone in the development of Western civilization, influencing the nations in the areas of history, legal and political systems, culture, music, literature, art, drama, and moral philosophy;

Whereas the Bible was the primary inspiration for the work of Rev. Dr. Martin Luther King, Jr., in advancing the civil rights movement in the United States, as evidenced by many biblical references in his speeches and writings; and

Whereas the Bible, used as a moral compass, has inspired compassion, love for one's neighbor, and the sanctity of life and marriage, and has stimulated many benevolent initiatives that have healed and strengthened our families, communities and the entire nation: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring),

That the Congress calls upon the President to issue a proclamation--

(1) designating the ``National Year of the Bible'';

(2) calling upon citizens of all faiths to rediscover and apply the priceless and timeless message of the Bible; and

(3) encouraging the people of the United States to join the President and the Congress in observance of this year of national celebration of the Bible with appropriate programs, ceremonies, and activities.

Encouraging the President to designate 2010 as ``The National Year of the Bible''.

Whereas the Bible has had a profound impact in shaping America into a great Nation;

Whereas deep religious beliefs stemming from the Old and New Testament of the Bible have inspired Americans from all walks of life, especially the early settlers, whose faith, spiritual courage, and moral strength enabled them to endure intense hardships in this new land;

Whereas many of our Presidents have recognized the importance of God and the Bible, including George Washington; Franklin D. Roosevelt; Harry Truman; John F. Kennedy; Ronald Reagan, who declared 1983 as ``The National Year of the Bible''; and especially Abraham Lincoln, whose 200th Birthday Celebration in 2009 highlighted freedom for the slaves;

Whereas shared Biblical beliefs unified the colonists and gave our early leaders the wisdom to write the Declaration of Independence and the Constitution of the United States, both of which recognized the inherent worth, dignity, and inalienable rights of each individual, thus unifying a diverse people with the right to vote, and the freedoms of speech and vast religious freedoms, which inspired courageous men like Dr. Martin

Whereas the Bible has been a cornerstone in the development of Western civilization, influencing the nations in the areas of history, law, politics, culture, music, literature, art, drama, and especially moral philosophy;

Whereas the Bible, used as a moral guide, has inspired compassion, love for our neighbor, and the preciousness of life and marriage, and has stimulated many benevolent, faith-based community initiatives and neighborhood partnerships that have healed and blessed our families, communities, and our entire Nation, especially in times of war, tragedy, and economic and social crisis;

Whereas the Bible has inspired acts of patriotism that have unified Americans, commemorated through shared celebrations such as Dr. Martin Luther King Jr. Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas; and

Summary

To assist Congress in its oversight activities, this report provides an overview of the government corporation as an administrative model. As defined in this report, a government corporation is a government agency that is established by Congress to provide a market-oriented public service and to produce revenues that meet or approximate its expenditures. By this definition, currently there are 17 government corporations.

In the typical contemporary Congress, several bills are introduced to establish government corporations. At the time of publication of this report, two bills had been introduced in the 112th Congress to improve U.S. infrastructure by establishing government corporations—H.R. 404 and S. 652. Similarly, in the 111th Congress, government corporations bills included ones that would have created an Indian Development Finance Corporation (H.R. 1607), a Green Bank (H.R. 1698), and a National Infrastructure Development Bank (H.R. 2521).

The government corporation model has been utilized by the federal government for over a century. Today's government corporations cover the spectrum in size and function from large, well-known entities, such as the U.S. Postal Service and the Federal Deposit Insurance Corporation, to small, low-visibility corporate bodies, such as the Federal Financing Bank in the Department of the Treasury and Federal Prison Industries in the Department of Justice.

The federal government does not possess a general incorporation statute as states do. Each government corporation is chartered through an act of Congress. The use of separate acts to charter each corporation has resulted in wide variance in the legal and organizational structure of government corporations. That said, the Government Corporation Control Act of 1945, as amended, does provide for the standardized budget, auditing, debt management, and depository practices for those corporations listed in the act.

Within the executive branch, no one agency is responsible for the oversight and supervision of government corporations. Neither the House nor the Senate have single committees with the responsibility to oversee all government corporations. Instead, each corporation is overseen by the committee(s) with jurisdiction over its policy area.

Many government corporations, such as the Tennessee Valley Authority, have been established to exist in perpetuity. Other government corporations, such as the U.S. Enrichment Corporation, though, have been designed to serve as transition vehicles to transform from governmental entities into private firms.

Congress at times has found the government corporation an attractive governance option. A well-designed and -operated government corporation does not require annual appropriations because it generates revenues from the provision of goods and services. Moreover, each government corporation may be endowed with the administrative flexibilities required to accomplish its goals while remaining responsive to Congress and the President. Finally, as noted above, the government corporation may be established to serve an enduring purpose or may serve as a vehicle for privatization.

This report will be updated in the event of a significant development.

Context

The federal government has employed government corporations to achieve policy goals for over a century. Among Members of Congress, the executive branch, and the scholarly community, interest in the government corporation option, and variations on this class of agency, has increased in recent decades.[1]

In the typical contemporary Congress, several bills are introduced to establish government corporations. At the time of publication of this report, two bills had been introduced in the 112th Congress to improve U.S. infrastructure by establishing government corporations—H.R. 404 and S. 652. Similarly, in the 111th Congress, government corporations bills included ones that would have created an Indian Development Finance Corporation (H.R. 1607), a Green Bank (H.R. 1698), and a National Infrastructure Development Bank (H.R. 2521).

At least three factors may contribute to the interest in government corporations. First, the restrictive character of the federal budget encourages agencies to develop new sources of revenue (e.g., outsourcing services to the private sector and to other agencies) and to attempt to avoid increasing outlays.[2] Second, experience suggests that it is politically easier for corporate bodies to be exempted by Congress from the federal government's general management laws (e.g., the Freedom of Information Act and employee compensation restrictions) than it is for traditional agencies. Finally, the corporate concept appears to many, correctly or otherwise, to be supportive of the "New Public Management" that emphasizes entrepreneurship, risk-taking, and private sector practices in federal administration.[3]

The continuing interest in the government corporation prompts questions as to their legal character, their utility vis-à-vis traditional agencies, and their limitations as units of governmental institutions. A government corporation is not always an the optimal administrative entity for achieving governance objectives. There are times when it may be an appropriate choice and times when it may not. Understanding the unique character of government management, based as it is upon tenets of public law, provides guidance in weighing these choices.[4]

The Government Corporation: Contested Definitions

What is a federal government corporation, and what are the essential characteristics of a government corporation?

As defined in this report, a federal government corporation is an agency of the federal government, established by Congress to perform a public purpose, which provides a market-oriented product or service and is intended to produce revenue that meets or approximates its expenditures. By this definition, there are 17 entities that are government corporations.[5]

The U.S. Code does not provide a single definition of the term "government corporation." Title 5 of the *U.S. Code* defines a "government corporation" as "a corporation owned or controlled by the Government of the United States" (5 U.S.C. 103).[6] Meanwhile, the Government Corporation Control Act ((GCCA) 31 U.S.C. 9101-10) states that the term "government corporation" means "a mixed-ownership Government corporation and a wholly-owned government corporation." It then lists 28 entities—some, like the Pennsylvania Avenue Development Corporation, now defunct—as being "government corporations" for the purposes of chapter 91 of Title 31.

In addition to the enumeration of corporations provided in the GCCA, there have been several other listings of corporations available, each different and based upon the definition employed by the compiler. Corporations cover the spectrum from such large, well-known corporations as the United States Postal Service and the Federal Deposit Insurance Corporation to such small, low-visibility corporate bodies as the Federal Financing Bank in the Treasury Department and Federal Prison Industries (UNICOR) in the Justice Department.

The number of federal corporations is in moderate flux. New corporations are established from time to time (e.g., the Valles Caldera Trust in 2000),[7] and existent ones are dissolved (e.g., the Rural Telephone Bank in 2008).[8]

Government corporations should not be confused with quasi governmental entities, such as government-sponsored enterprises (GSEs). A GSE (e.g., Fannie Mae) is a privately owned, federally chartered financial institution with nationwide scope and lending powers that benefits

Francisco: Jossey-Bass Publishers, 1997), pp. 41-57.

[5] For a list of federal government corporations, as defined in this report, please consult the **Appendix**. This report's definition of "government corporation" excludes a great many federal entities. It excludes private corporations created by federal statute (e.g., the American National Red Cross, the Securities Investor Protection Corporation, and Fannie Mae). It also excludes some corporations that Congress itself has called "government corporations." For example, the 108th Congress established the Millennium Challenge Corporation (MCC) as a "government corporation" (P.L. 108-199). Though clearly a federal entity, the MCC is not included on this report's list because MCC does not provide market-oriented products or services—the MCC is a grant-awarding agency that is not designed to be financially self-sufficient.

[6] This definition holds only for "the purpose of this title," i.e., Title 5 of the *U.S. Code*.

from an implicit federal guarantee to enhance its ability to borrow money.[9] GSEs are important institutions worthy of separate analysis, but they are not discussed, except in passing, in this report.[10] Unlike government corporations, with GSEs and other quasi governmental entities, the legal and political lines of accountability can be ambiguous.[11] In 1996, for instance, the Office of Personnel Management (OPM) created the United States Investigation Services Corporation as an employee stock-ownership plan (ESOP), an entry into the quasi government category that sparked debate regarding its status and authority.[12]

Evolution of the Federal Government Corporation

Historically, the federal government has been involved in few commercial enterprises. There were some early instances of the federal government participating in otherwise private corporate enterprises on a shared ownership basis, most notably the first and second Banks of the United States. This practice came into question, however, as a consequence of a Supreme Court ruling in 1819.[13] From that time to today, the federal government has tended to avoid sharing ownership with private entities.

The first time the federal government acquired a corporation outright occurred in 1903, when the Panama Railroad Company was purchased from the French Panama Canal Company.[14] Since then, a number of corporate bodies have been established as part of the federal government, with growth in that number tending to come in spurts and generally in response to emergencies. The

The congressionally chartered National Veterans Business Development Corporation (NVBDC) is a case in point. The 2004 Omnibus Appropriations Act (P.L. 108-447, Div. K, Sec. 146) declared the NVBDC, thought by some to be a government corporation, to be "a private entity" and "not an agency, instrumentality, authority, entity, or establishment of the United States Government." The Department of Justice did not agree with this characterization. first large-scale use of the corporate option accompanied the mobilization for World War I.[15] Later, the Depression of the 1930s fostered numerous corporations (e.g., the Reconstruction Finance Corporation, and the Tennessee Valley Authority).[16] Finally, World War II prompted the establishment of additional federal corporations. After the passing of each of these emergencies, many of the corporations that dealt with them were abolished or absorbed into the permanent executive branch agencies.

In 1945, partly in response to the proliferation of corporate bodies created for the war effort, Congress passed the Government Corporation Control Act (GCCA; 59 Stat. 841; 31 U.S.C. 9101-9110). The act standardized budget, auditing, debt management, and depository practices for corporations. Notwithstanding unusual provisions that may be present in their enabling statute, government corporations remain "agencies" of the United States,[17] and are therefore subject to all laws governing agencies, except where exempted from coverage by provisions of general management laws.[18]

The GCCA is not a general incorporation act such as is in effect in the states. The charter for each federal government corporation is the separate enabling legislation passed by Congress. The GCCA also does not offer a general definition of what constitutes a government corporation. It simply enumerates the organizations covered by the act.

In addition to the enumeration of corporations in the GCCA, there have been several other listings of corporations available, each different and based upon the definition employed by the compiler.[19] The corporations cover the spectrum from such large, well-known corporations as the United States Postal Service and the Federal Deposit Insurance Corporation to such small, low-visibility corporate bodies as the Federal Financing Bank and Federal Prison Industries (UNICOR).

In the absence of a general incorporation act with organizational definitions, how is one to know when a government corporation is the most suitable option, and what criteria should be met before a government corporation is established? In an effort to provide criteria to determine when the corporate option was appropriate, President Harry Truman, in his 1948 budget message, stated:

[18] In the 1946 case of *Cherry Cotton Mills* v. *United States* (327 U.S. 536), the Supreme Court held that government corporations are agencies of the United States. "That the Congress chose to call it [Reconstruction Finance Corporation] a corporation does not alter its character so as to make it something other than what it actually is, an agency selected by the Government to accomplish purely governmental purposes."

[19] In a 1988 report the GAO profiled some 44 government corporations. U.S. General Accounting Office, *Profiles in Existing Government Corporations*, GAO/AFMD-89-43FS (Washington: GAO, 1988). In 1995, using a more precise and narrow definition, the GAO concluded that there were actually 22 government corporations. U.S. General Accounting Office, *Government Corporations: Profiles of Existing Corporations*, GAO/GGD-96-14 (Washington: GAO, 1995). Some years earlier, in 1981, the National Academy of Public Administration issued a substantial report on government corporations and listed 39 corporations. *Report on Government Corporations*, 2v. (Washington: National Academy of Public Administration, 1981). Finally, in a major study of government corporations, A. Michael Froomkin, using a somewhat eclectic definition, simply concluded that there were "more than forty" government corporations. > Experience indicates that the corporate form of organization is peculiarly adapted to the administration of government programs which are predominately of a commercial character—those which are revenue producing, are at least potentially self-sustaining and involve a large number of business-type transactions with the public. In their business operations such programs require greater flexibility than the customary type of appropriations budget ordinarily permits. As a rule, the usefulness of a corporation rests on its ability to deal with the public in a manner employed by private enterprise for similar work.[20]

That said, Congress has created many entities titled "government corporations" and "corporations" that do not meet these criteria. The Legal Services Corporation (LSC), the Corporation for Public Broadcasting (CPB), and the newly established International Clean Energy Foundation are examples of "corporations" that do not perform commercial functions and rely upon annual appropriations.[21] A principal intention behind assigning this status and title was to provide considerable insulation from oversight by the central management agencies and the application of the general management laws.

Characteristics of a Government Corporation

No two federal government corporations are completely alike. However, there are sufficient commonalities among the several corporations, that it is possible to make some generalizations about their authorities, organization, mission, and behavior.[22]

Legal Status

Government corporations, no matter what function they perform or how "private" they may appear to the public or to themselves, are agents of the state subject to constitutional limitations.[23] As the Supreme Court concluded in the 1995 *Lebron* case, a government corporation has certain inherent legal characteristics that cannot be shed simply by legislative language or by corporate fiat.[24] The nature of the function performed (e.g., managing a railroad) has no effect upon its

[21] By statute, both the CPB and the LSC are not-for-profit corporations chartered under the laws of the District of Columbia (47 U.S.C. 396 and 42 U.S.C. 2996). That said, the *Cherry Cotton Mills* decision indicates that the Supreme Court, not Congress, is the ultimate arbiter of what is and is not a government corporation.

[24] The Supreme Court in a 1995 case faced the issue of distinguishing between a governmental and private corporation. The National Railroad Passenger Corporation (AMTRAK) established by Congress (45 U.S.C. 451), and enumerated as a "mixed-ownership corporation" under 31 U.S.C. 9101, was sued by Michael Lebron for rejecting, on political grounds, an advertising sign he had contracted with them to display. Lebron claimed that his First Amendment rights had been abridged by AMTRAK because it is a government corporation, and therefore an agency of the United States. AMTRAK argued, on the other hand, that its legislation provides that it "will not be an agency or establishment of the United States Government" and thus is not subject to constitutional provisions governing freedom of speech. The Court decided that, although Congress can determine AMTRAK's governmental status for purposes within Congress's control (e.g., whether it is subject to statutes such as the Administrative Procedure Act), Congress cannot make the final determination of AMTRAK's status as a government entity for purposes of determining constitutional rights of citizens affected by its actions. To do so, in the Court's view, would mean that the government could evade its most solemn (continued...)

governmental character. The governmental and private sectors are fundamentally separate and distinct, with the distinctions based largely in legal theory, not economic theory.[25] This understanding is essential to recognizing both the potentialities and limitations of the government corporate concept. The government corporation remains governmental in character until Congress determines it shall be fully private, thereby coming under private law.

As a general proposition, the attorney general is vested with central control over the litigation to which the U.S. government is a party.[26] Various statutes recognize that the attorney general is the chief legal officer for all departments and agencies. However, in an uneven pattern over the years, exceptions have been permitted to this central authority. The independent regulatory commissions, for instance, have some independence (although the degree of independence varies considerably from commission to commission) in their litigation authority.[27] While the Justice Department has consistently favored central coordination of litigation, this view has been difficult to maintain in practice. With the relatively small staff of the department and its understandable reluctance to become responsible for routine litigation, there has been a trend toward awarding greater authority and flexibility to the departments and agencies in their legal affairs. With respect to government corporations, though, often their enabling legislation assigns them a legal personality distinct from that of the United States. Most are subject to, and may initiate, civil suits. Government corporations, being agencies of the United States, have their employees come under the limited waiver of immunity provided in the Federal Tort Claims Act (FTCA).[28]

Distinguished public administrator Harold Seidman notes: "As a body corporate, a government corporation has a separate legal personality distinct from that of the United States. A corporation, therefore, does not enjoy the traditional immunity of the United States from being sued without its consent." Generally, a corporation is provided authority "to determine the character and the necessity for its expenditures, and the manner in which they shall be incurred, allowed and paid." Some corporations may borrow funds through the Federal Financing Bank of the Treasury Department.[29]

In practical terms, the purpose of permitting corporations to sue and be sued in their own name is to enable a private business to contract with a government corporation under the assurance that if something goes amiss, it can go to court to settle the matter. With a regular government agency, however, a contractual dispute must normally go through a laborious process in the Court of Claims; if the contractor wins, he must wait for an appropriation; the Departments of Justice and Treasury, the Office of Management and Budget (OMB), the President, and both houses of Congress may become involved in the claim. With the government corporation, however, this process is simplified, and when a contractor prevails, he can usually obtain a prompt settlement.

Budget and Finance

The budget process is a useful management tool for planning as well as for maintaining accountability. Regular agencies of the executive branch, with few exceptions, are subject to uniform rules and regulations with respect to the budgets. Both the President and Congress use agency budgets as management tools. Government corporations, on the other hand, are exempt either individually or collectively from many executive branch budgetary regulations.[30] These exemptions are predicated, for the most part, on the idea that with the corporate structure, consumers of corporations' products and services, rather than the general taxpayer, are the principal source of revenue.

The GCCA, as amended in 1982 (96 Stat. 1042), provides that each wholly owned government corporation shall prepare and submit to the President a "business-type budget"

> in a way and before a date the President prescribes by regulation for the budget program. This budget program shall contain estimates of the financial condition and operation of the corporation for the current and following fiscal years and the condition and results of operations of the last fiscal year. Further, it shall contain statements of financial condition, income and expense, and sources and uses of money, an analysis of surplus and deficit, and additional statements and information to make known the financial condition and operations of the corporation, including estimates of operations by major activities, administrative expenses, borrowings, the amount of U.S. Government capital that will be returned to the Treasury during the fiscal year, and appropriations needed to restore capital impairment." (31 U.S.C. 9104)

The objective of the budget program is to permit the corporation sufficient financial flexibility to carry out its activities. The President, after review and revision, submits these budget programs to Congress with the executive branch budget. Under the Chief Financial Officers Act of 1990 (CFOA), government corporations must submit to Congress annual management reports, which are to include statements of financial position, operations, and cash flows, a reconciliation to the budget report of the government corporation (if applicable), and a statement on internal accounting and administrative control systems.[31]

Traditional agencies of the United States receive the preponderance of their financial support from funds appropriated by Congress. Government corporations, on the other hand, generally receive most, if not all, their funds from users of their services. Thus, the latter relationship has a

business character in which it is the obligation of the corporate body to provide services as long as the buyers are willing to pay. This being the case, revenues, expenditures, and even personnel will tend to fluctuate according to consumer demand.

Many Members of Congress feel somewhat uneasy with broad, "business type budgets," also referred to as "budget programs." To be sure, Congress can alter these budget programs and can limit the use of corporate funds for any purpose, but this option is seldom employed. Faced with complex projections and agencies with little direct budgetary impact, Members understandably give corporate bodies marginal attention. As a general assessment, the corporations come under comparatively little congressional scrutiny, except when there is some political or financial threat evident. As Seidman notes, "In essence, the business-type budget provides for a qualitative rather than a quantitative review of proposed corporate expenses."[32]

Until 1975, GAO was responsible under the GCCA for performing annual financial audits of government corporations. At the request of GAO, the GCCA was amended to provide for audits of the financial transactions of wholly owned corporations at least once every three years, rather than annual audits. In 1990, as part of the CFOA, GAO's recommendation that government corporations be subject once again to annual audits was accepted. Henceforth, however, the audit is to be conducted by the corporation's inspector general "or by an independent external auditor, as determined by the inspector general or, if there is no inspector general, the head of the corporation," according to accepted government auditing standards.[33] The Comptroller General, however, continues to be authorized to review the financial statements of government corporations.

Location and Governance

The location, structure, and governance of government corporations varies greatly. Corporations have been located in executive departments (e.g., the St. Lawrence Seaway Development Corporation in the Department of Transportation), or assigned independent status (e.g., the Export-Import Bank). Government corporations have been structured so that they are but financial entities whose employees are actually employees of the parent agency (e.g., the Federal Financing Bank in the Department of the Treasury and the Commodity Credit Corporation in the Department of Agriculture).

There is no one form of governance necessarily associated with government corporations. Whether a government corporation is best managed by a full-time board (e.g., TVA, formerly),[34] a chief executive officer selected by a part-time board and responsible to it (e.g., TVA currently), a part-time board consisting of Cabinet-level officials of other agencies (e.g., Pension Benefit Guaranty Corporation),[35] a mixed board of governmental and private appointees (e.g., Overseas

Private Investment Corporation), or a single administrator responsible to a department secretary, and ultimately to the President (e.g., Government National Mortgage Association, "Ginnie Mae"), is an open question. There are positives and negatives to the various options for corporate governance.

A board of directors is the trademark of a government corporation, according to many lawmakers and attorneys. Marshall Dimock, an academic writing in 1949, argued that a board of directors was considered an essential element for an "authentic" government corporation. "Being a separate and distinct entity, headed by its own board of directors, the corporation is inherently better able to succeed than the ordinary department of government."[36]

A few years later, Harold Seidman challenged the view that a board of directors was an essential and necessarily desirable element for a government corporation. Dimock's view, he asserted, was based on an inappropriate borrowing of state practice by the federal government. State incorporation laws require boards of directors for private corporations to insure representation where ownership is held by more than one party. In government corporations, under this reasoning, because ownership resides in the government alone, there is no inherent need for a board of directors.[37] Government corporations, Seidman pointed out, have existed and operated without boards of directors. A board of directors may well be found advisable and useful under some circumstances, but, Seidman said, it is not the *sine qua non* of a government corporation.[38]

Whether or not a board of directors is essential or desirable for a government corporation, the fact is that all but two federal government corporations presently have boards of directors. The two exceptions are Ginnie Mae and the St. Lawrence Seaway Development Corporation. In a study published in 1981, the National Academy of Public Administration was critical of boards of directors in general:

> We believe that this arrangement, borrowed from the private corporation model, has more drawbacks than advantages and that in most cases the governing board would be better replaced by an advisory board and the corporation managed by an administrator with full executive powers. A governing board may cut or confuse the normal lines of authority from the President or departmental secretary to the corporation's chief executive officer. With an advisory board, the secretary's authority to give that officer policy instruction is clear, as is the officer's right to report directly to the secretary and to work out any exemptions from or

three members: the Secretary of the Treasury, the Secretary of Commerce, and as chairman, the Secretary of Labor. "Such arrangements," according to the National Academy of Public Administration Report, "inherently cause confusion as to the corporation's status and the role of the Secretary of Labor. To have Cabinet officers serve as directors of a subordinate unit of an executive department other than their own, places him and the head of that department in an anomalous position. Can the Secretaries of the Treasury and Commerce give orders to the Secretary of Labor? On the other hand, are the Secretaries of Treasury and Commerce, when acting as PBGC directors, in any way required in formulating policies to conform to the policies of the Secretary of Labor?" Perhaps because of such anomalies, although the bylaws call for "regular meetings," the board never met between March 1982 and April 1991. qualifications of administration or departmental policies and practices which the corporation requires.[39]

There is little doubt that a board of directors, particularly a part-time, "outsiders" board, is a "buffer" between the corporation's top executive and political officials, including the President. Whether such a buffer is a desirable feature in the overall administrative system, however, is a question subject to debate. Notably, it is also argued that corporation board appointments are patronage plums for the White House since the jobs are not generally demanding.

The effectiveness and utility of boards is dependent upon a number of factors: the coherency of the enabling legislation, the conceptual integrity and soundness of the program itself, and the number and quality of membership. Large boards (comprising more than 12 members), for instance, may experience difficulty in making decisions. The play of internal factors, such as the size of the board, the primary loyalties of board members (whether to the corporation or to an outside constituency group), and the relationship of the board to the corporate management all also have their place in the managerial equation.

Oversight

There is, at present, little central management agency oversight or supervision of government corporations as a category of agency in the executive branch. Nor is there any central unit charged with designing government corporations from the perspective of presidential or central management interests.[40] Government corporations today are largely perceived as discrete entities, each with its own political and administrative requirements, and each with its own route and degree of political accountability. Individual corporations come under scrutiny from time to time by OMB and Congress, or more precisely, a congressional committee responsible for oversight. More often than not, the immediate impetus for the oversight follows from indications that a corporation is operating at financial risk or there is an appearance of wrongdoing.

The current absence of systematic oversight of corporations as a class runs counter to the intentions of the sponsors of the GCCA. The Bureau of the Budget (BOB), predecessor organization to OMB, was instrumental in the passage of the GCCA, and created a separate office to oversee the formation, and monitor the operation, of government corporations on behalf of the President. During the 1960s, this specialized staff function atrophied until at some point in the 1970s it is fair to conclude that there was little remaining central executive staff capacity to provide information, expert advice, or oversight of government corporations or to develop and implement consistent policies governing their formation, authorities, and operations.[41]

In his view, both the executive branch and Congress had effectively abandoned the intent of the GCCA. *Proceedings*, Research Conference in Public Enterprises, June 1, 1978 (Charlottesville, VA: Federal Executive Institute, 1978), p. 18.

Government corporations are not considered by OMB to be a category of organization to be supervised collectively. OMB, in support of its position, contends:

> The responsibility for oversight of government corporations was not changed by the OMB 2000 reorganization. That is, government corporations will continue to be reviewed by the Resource Management Office (RMO) which has responsibility for the functional area most closely associated with the corporation's mission.... OMB does not review government corporations separately from other government organizations that perform similar functions.[42]

The executive branch treatment of management responsibilities respecting government corporations as a class of organization tends to place additional burdens on Congress and its committees to determine if the corporations are respecting the provisions of the general management laws (e.g., the National Environmental Protection Act, 42 U.S.C. 4321).

One corollary of limited central management oversight of government corporations is the lack of answers to fundamental issues regarding when and how government corporations ought to be created and utilized. There are at least two schools of thought respecting the proper use of the government corporation option relating to its structure, authority, and financial systems. One school holds that government corporations, including agencies called corporations but which do not perform commercial activities, should be encouraged, provided maximum policy and financial autonomy, and be subject to such oversight as is appropriate for other agencies and instrumentalities in the same policy field. The legal responsibilities of the corporation should be located in its enabling statute.

The position of the second school is that government corporations should be established only when appropriate criteria and standards, developed by a central management agency, are met. Such standards should be reflected in a national incorporation law and apply to all proposed and functioning corporate bodies properly defined. Government corporations should be considered to be part of the executive branch, but with recognition of their distinctive needs and oversight requirements as a category of institutions.

Government Corporations as Transition Organizations

The government corporation concept may be considered a useful alternative to privatization of some agency, or it may be employed as a transition step toward eventual full privatization.[43] Our interest here is limited to the corporation as a transition option. The principal utility of the transitional government corporation is that it can demonstrate marketability and asset value, critical elements in any successful privatization venture.

[43] In this report, privatization is defined narrowly to embrace only those actions resulting in ultimate full divestiture. The term privatization has been defined and interpreted in different ways. An early successful example of the government corporation concept as a transition vehicle involved Conrail. Conrail was created by Congress as a government corporation in 1976 from the remnants of seven private, bankrupt railroads. It took some 10 years and an investment of $8 billion by the federal government to bring Conrail up to industry standards before entertaining a reasonable expectation that the railroad would be attractive to private investors.[44] The federal government received approximately $2 billion from the sale, but the real payoff was that the northeastern region of the country was once again provided a viable freight rail system. The transition period as a government corporation was necessary to develop a record as a potentially profit-making venture prior to a successful privatization (divestiture) effort.[45]

More recently, the U.S. Enrichment Corporation (USEC) has completed its transitional process toward full privatization, with mixed results. The USEC, until 1993 a regular agency in the Department of Energy (DOE), operated uranium enrichment plants in Kentucky and Ohio. In the 1950s, the plants produced highly enriched uranium (HEU) for defense purposes. Times changed and the United States was successfully challenged by new international entrants into the market.

The Energy Policy Act of 1992 (P.L. 102-486; 106 Stat. 2776) established the U.S. Enrichment Corporation as a wholly owned government corporation. The general intent of the legislation was to "privatize" the two plants and let them compete in the world market. A privatization plan was delivered by the USEC to the President and Congress in 1995. The plan suggested that there were two primary methods of corporate divestiture: an initial public offering (IPO) and a merger or acquisition with another corporation or group of corporations.[46] After considerable discussion, the IPO option was selected, as it had been with Conrail.

The IPO of stock was completed on July 28, 1998, and raised an estimated $1.9 billion for the federal government. The USEC transition process highlighted, however, one of the perennial problems in privatization efforts. Congress may intend a corporation to be private, but it also may want the corporation to continue to be involved in public policy implementation. In this instance, Congress wanted the corporation to participate in implementing a foreign policy objective, which was to purchase at above market rates a substantial amount of Russian enriched uranium otherwise destined for Russian weapons. Under the HEU agreement, the USEC received enriched uranium from Russian nuclear weapons and, in addition to its payment for the material, returned an equivalent amount of natural (unenriched) uranium to Russia to sell on the world market. This arrangement, from the corporation's perspective, was not viable and in October 1999, the USEC solicited Congress for "relief."[47]

Another characteristic of a private corporation, legally organized and defined as such, is the right to cancel a program or withdraw from an activity if it is not deemed in the fiduciary interests of

[45] It should not be forgotten that before Conrail could be privatized, it first had to be nationalized. Seven private railroad corporations went bankrupt and it required the federal government to resolve bankruptcy issues, establish a long-term, comprehensive commercial rail plan, develop corporate management capacity, invest capital funds, renegotiate contracts, and get the whole project functioning in a short period of time. The federal government was successful and only then was the private sector interested in "buying" the railroad.

the shareholders. To the consternation of DOE officials, such a decision was reached recently by the USEC board of directors. One of the assets transferred from the DOE to the USEC in the divestiture was the right to commercialize a new enrichment technology called "atomic vapor laser and isotope separation" (AVLIS), a technology in which DOE had invested over $2 billion. On June 9, 1999, the board of directors of the USEC determined that AVLIS was not commercially viable and canceled the program. The board's decision made manifest the fiduciary distinctions between a government and private corporation.[48]

The federal government may, for whatever reason, choose to directly divest itself of a commercial activity or asset and not follow the transition corporation option to establish its value in the market. Although a transition corporation had been recommended by an outside study,[49] the Department of Energy determined to directly divest itself of the California fields of the Elk Hills National Petroleum Reserves.[50]

Conclusion

The government corporation form of federal agency is a useful option to consider when establishing or reorganizing an agency with revenue potential. It is helpful to bear in mind, however, that there is no general provision in law that defines what, precisely, government corporations are. When writing the GCCA, Congress and the executive branch simply viewed the various corporate bodies, and defined them by enumeration, rather than by required characteristics. This relatively unstructured approach has meant that some corporate bodies (e.g., the U.S. Postal Service) are not included in the GCCA enumeration, whereas other bodies, arguably non-corporate in function and authority (e.g., the Corporation for National and Community Service) are listed.

There is little managerial oversight at present of government corporations as an institutional category by either the President or Congress. What oversight there is tends to be corporation-specific. In the case of Congress, corporations are assigned to committees of subject-matter jurisdiction. A GAO report recommended that corporations properly require both subject matter and management oversight, and that the GCCA should be reconstituted to establish in law the characteristics of various types of corporate bodies.[51]

Government corporations may be viewed as permanent agencies to perform a continuing governmental function (e.g., the Federal Deposit Insurance Corporation); a temporary agency

A23. The attractiveness of the "unwanted" Naval Petroleum Reserve increased with the rise in the world price of oil, and the Reserve was sold outright by the Department of Energy in February 1999 to Occidental Petroleum for $3.65 billion. (e.g., the Pennsylvania Avenue Development Corporation); or a transition agency to facilitate the process whereby a governmental agency or program is divested and transferred to the private sector (e.g., the U.S. Enrichment Corporation). These options indicate the flexibility of the government corporation concept and may provide models for extending the corporate organization to other appropriations-funded agencies (e.g., the U.S. Patent and Trademark Office and the U.S. Mint). Both the latter agencies and their programs meet the basic criteria for a government corporation and suggestions to this effect have been made.

The future of government corporations as a category of federal organization appears generally bright although they are not widely understood in executive management circles. The need for the executive branch and Congress to develop new organizational structures that take into account both the public law requirements of governmental status, and the flexibility that properly accompanies corporate bodies dependent upon revenues for services may increase.[52] The managerial quality of the law establishing a corporation, may be a critical variable in determining the success or failure of that enterprise. If the conceptual basis of the law establishing a corporation or economic assumptions therein are faulty, as was allegedly the case with the Synthetic Fuels Corporation in the late 1970s, a government corporation may become a liability to the executive branch and face a short tenure.[53] On the other hand, if a federal government corporation is designed to conform with public law, governmental management principles, and sound economics, a corporate agency may provide a creative instrument to promote the public policy objectives of elected officials.

Although it has been the purpose of this report to emphasize the distinctive characteristics of federal government corporations, it is important to conclude with a statement of their shared characteristics with other federal agencies. The mission of both regular, appropriations-financed agencies and of government corporations is the same, to implement the laws passed by Congress.

[52] Most recently, the corporate option was considered, although not adopted, for what became the Transportation Security Administration in the Department of Homeland Security.

Office of the Attorney General
Washington, D. C. 20530

President Donald J. Trump
The White House
Washington, D.C. 20500

Dear Mr. President,

At your request, I am submitting my resignation.

Since the day I was honored to be sworn in as Attorney General of the United States, I came to work at the Department of Justice every day determined to do my duty and serve my country. I have done so to the best of my ability, working to support the fundamental legal processes that are the foundation of justice.

The team we assembled embraced your directive to be a law and order Department of Justice. We prosecuted the largest number of violent offenders and firearm defendants in our country's history. We took on transnational gangs that are bringing violence and death across our borders and protected national security. We did our part to restore immigration enforcement. We targeted the opioid epidemic by prosecuting doctors, pharmacists, and anyone else who contributes to this crisis with new law enforcement tools and determination. And we have seen results. After two years of rising violent crime and homicides prior to this administration, those trends have reversed—thanks to the hard work of our prosecutors and law enforcement around the country.

I am particularly grateful to the fabulous men and women in law enforcement all over this country with whom I have served. I have had no greater honor than to serve alongside them. As I have said many times, they have my thanks and I will always have their backs.

Most importantly, in my time as Attorney General we have restored and upheld the rule of law—a glorious tradition that each of us has a responsibility to safeguard. We have operated with integrity and have lawfully and aggressively advanced the policy agenda of this administration.

I have been honored to serve as Attorney General and have worked to implement the law enforcement agenda based on the rule of law that formed a central part of your campaign for the Presidency.

Thank you for the opportunity, Mr. President.

Sincerely,

Jefferson B. Sessions III
Attorney General

#Concession1213AD The Concession-1213-A.D. refers to the "Concession of 1213 A.D." when Britain's King John I conceded Ireland and England over the Roman-church. Why? He was losing the war, and needed to get help from the Roman-church- Knights- Templar.

Response to :Sister- L.'s,

"The verbiage used is difficult to understand.
Will you restate
what your intentions are
and what you want done in
using simpler words."

Ans. :i- man will try, 'might need help in translation from here.
Speaking-form is easy to comprehend in some video, Vimeo/You-Tube, presentation. BUT

The written-form of the complexity of :i- man's intentions is the CSSCPSG[1]-commercial- language-format in dealing within business and especially with the national government(s) is simply-complex.

Often-times within business the CSSCPSG or its derivative-form is the technical -form required. – Some statements are pure CSSCPSG-form simply because they must be so.

Most people don't know about CSSCPSG; :i- man didn't create it.- :David-Wynn: Miller advanced it.

¿what your intentions are?
1) to assure that :Donald-John: Trump has been notified of all of the specially-presentments mailed by the big-splash public-spectacle (big-splash) with the rule of 'six-degrees of separation' to 2) before all of he people and you, the witnesses, that:
3) :i- man want the property- claimed and possessed by :i- man restored to :i- man, along with
5) the deprivation of the private-property- contracts as agreed, which :i- man have officially made.
6) The restoration of the un-alien-able -rights agreed by the Almighty-God in the Declaration of Independence covenant with God: 'intangible'-property stolen from :i- man, which request :i- man have officially made.
7) The restoration of access to the information of the Emergency Banking Act of 1933- Trust- account of :i- man, which request :i-man have officially made;
8) The restoration of the 'Emergency Banking Act of 1933 A.D.- Trust – Federal Reserve Act of 1913 A.D.'- access for us-ALL periodically-obtaining Federal Reserve Notes (FRNS), which request :i- man have made;
9) The restoration of the accounting, settle and closure of the Emergency Banking Act of 1933 A.D.- Trust, which request :i- man have made; and: that,
10) These restorations are made :In -honor by the POTUSA-CIC and Army of: 'The Constitution for the United States of America', et seq:- the Emancipation Proclamation of 1863 A.D. and the Lieber-Code of 1863 A.D., which requests :i- man have made.

This all refers to help me stop the theft from :i- man and YOURSELVES alike by the Trustees.

¿ what you want done? :i- man want for you to TELL :Donald-John a) stop this upon :i- man. And,
2) :i- man want you to TELL :Donald-John to account, settle and close YOUR dead- Emergency Banking Act of 1933 A.D.- Trust accounts; (What better time than NOW.).

The Emergency Banking Act of 1933 A.D. is a dead legislative trust, defunct in 2003 A.D. ~17 years ago! :That Emergency of 1933 A.D. – U.S.-corp -bankruptcy is over! Restoring the money back!!! must be REQUESTED by you! How much?! Much More than 1350 - 0.9999 -gold one-ounce U.S. coins.

In some cases, such as authorization for advertisers running ads about social issues, elections or politics, there may be special ID requirements. Learn more in ID Requirements for Ads About Social Issues, Elections or Politics below.

From a review of change: "For Those Just Now Awakening" from Ann Von Reitz. Com site. My experience:		
	Soul Knowledge and Assumptions v truth conflict	Shock, reflex disbelief v. Acceptance of the unknown facts
	Soul Mental-Emotional disturbance	Grief → Bargaining that +/- conditions need to balance new input facts for = for the Establishment of Balance → Soul Alignment
	Soul alignment	
1	Fear	Soulful emotional. Feeling panic, fight-flight
2	Anger	Soulful mental-emotional. Feeling betrayal, wronged.
3	Questions	Who? Why? Ideas of immoral → moral correction, restitution/ vengeance.
4	Testing	Begin to walk in the new, exercise by use; seeing other skills to develop. Developing comprehension of the phenomenon. Voicing contemplation. Research. Seeing other people functioning in the lies of the "fore-fathers".
5	Connection	Talking to ID consensus : Red v. Blue Pill-ers → rejection, sadness → Court/ testing. Truth of the non-support despite more truth burden-state.
6	Clear Resolve	Soul-Spirit nexus: "Let the truth be the truth, Not the 'I, I, I – ish whatsoever' protective insecurity of the opinion- justifications for the lies I was taught." Seeking truth resolve; just how many lies are there?
7	Perseverance in the despite of the embarrassments	Calm, by the hardwork won maturation: skeletal formation, multi-linear traction in terms, concepts, deceits, systems, success&failures in the scope of problem w/ dispelling false assumptions and presumptions versus deeply taught ignorance, distraction, and onion layers of the disinformation for/by which one perpetuated one's own abuse and losses. Desire to help others and grieving the deleterious ignorance they proudly display, badly oblivious to their suffering.
8	American	Definition of American = that versus #7 → #1 because people are trapped, most are lazy self-gratificationists; i: man: God Almighty's Law, by History, knowledge and wisdom and comprehension am: aware of the state, it's problems, and necessary corrections/ options for the correction, and daily strive unto righteous equity in every regard.
9	History & Strength	Reported history; DNA history: truth sets one free. Freedom by the defragmentation of the mis-education and lies from one's journey restores to the one that loss of competence and strength once lost/consumed by the chaos of the propaganda, deceptions and misdirection. Strength and Learning increase; as the loss of the soulful drains programmed to burden one are eliminated.

April 1, 2019= An American by sheer naturalization/ biology is merely a ward; components of soul & spirit are immature & must be protected by the community, then ofte by the State/Law

Sublimus Dei

On the Enslavement and Evangelization of Indians

Pope Paul III - 1537

Pope Paul III (Topic: the enslavement and evangelization of Indians)
To all faithful Christians to whom this writing may come, health in Christ our Lord and the apostolic benediction.

The sublime God so loved the human race that He created man in such wise that he might participate, not only in the good that other creatures enjoy, but endowed him with capacity to attain to the inaccessible and invisible Supreme Good and behold it face to face; and since man, according to the testimony of the sacred scriptures, has been created to enjoy eternal life and happiness, which none may obtain save through faith in our Lord Jesus Christ, it is necessary that he should possess the nature and faculties enabling him to receive that faith; and that whoever is thus endowed should be capable of receiving that same faith. Nor is it credible that any one should possess so little understanding as to desire the faith and yet be destitute of the most necessary faculty to enable him to receive it. Hence Christ, who is the Truth itself, that has never failed and can never fail, said to the preachers of the faith whom He chose for that office 'Go ye and teach all nations.' He said all, without exception, for all are capable of receiving the doctrines of the faith.

The enemy of the human race, who opposes all good deeds in order to bring men to destruction, beholding and envying this, invented a means never before heard of, by which he might hinder the preaching of God's word of Salvation to the people: he inspired his satellites who, to please him, have not hesitated to publish abroad that the Indians of the West and the South, and other people of whom We have recent knowledge should be treated as dumb brutes created for our service, pretending that they are incapable of receiving the Catholic Faith.

We, who, though unworthy, exercise on earth the power of our Lord and seek with all our might to bring those sheep of His flock who are outside into the fold committed to our charge, consider, however, that the Indians are truly men and that they are not only capable of understanding the Catholic Faith but, according to our information, they desire exceedingly to receive it. Desiring to provide ample remedy for these evils, We define and declare by these Our letters, or by any translation thereof signed by any notary public and sealed with the seal of any ecclesiastical dignitary, to which the same credit shall be given as to the originals, that, notwithstanding whatever may have been or may be said to the contrary, the said Indians and all other people who may later be discovered by Christians, are by no means to be deprived of their liberty or the possession of their property, even though they be outside the faith of Jesus Christ; and that they may and should, freely and legitimately, enjoy their liberty and the possession of their property; nor should they be in any way enslaved; should the contrary happen, it shall be null and have no effect.

By virtue of Our apostolic authority We define and declare by these present letters, or by any translation thereof signed by any notary public and sealed with the seal of any ecclesiastical dignitary, which shall thus command the same obedience as the originals, that the said Indians and other peoples should be converted to the faith of Jesus Christ by preaching the word of God and by the example of good and holy living.

General Orders No. 100 : The Lieber Code

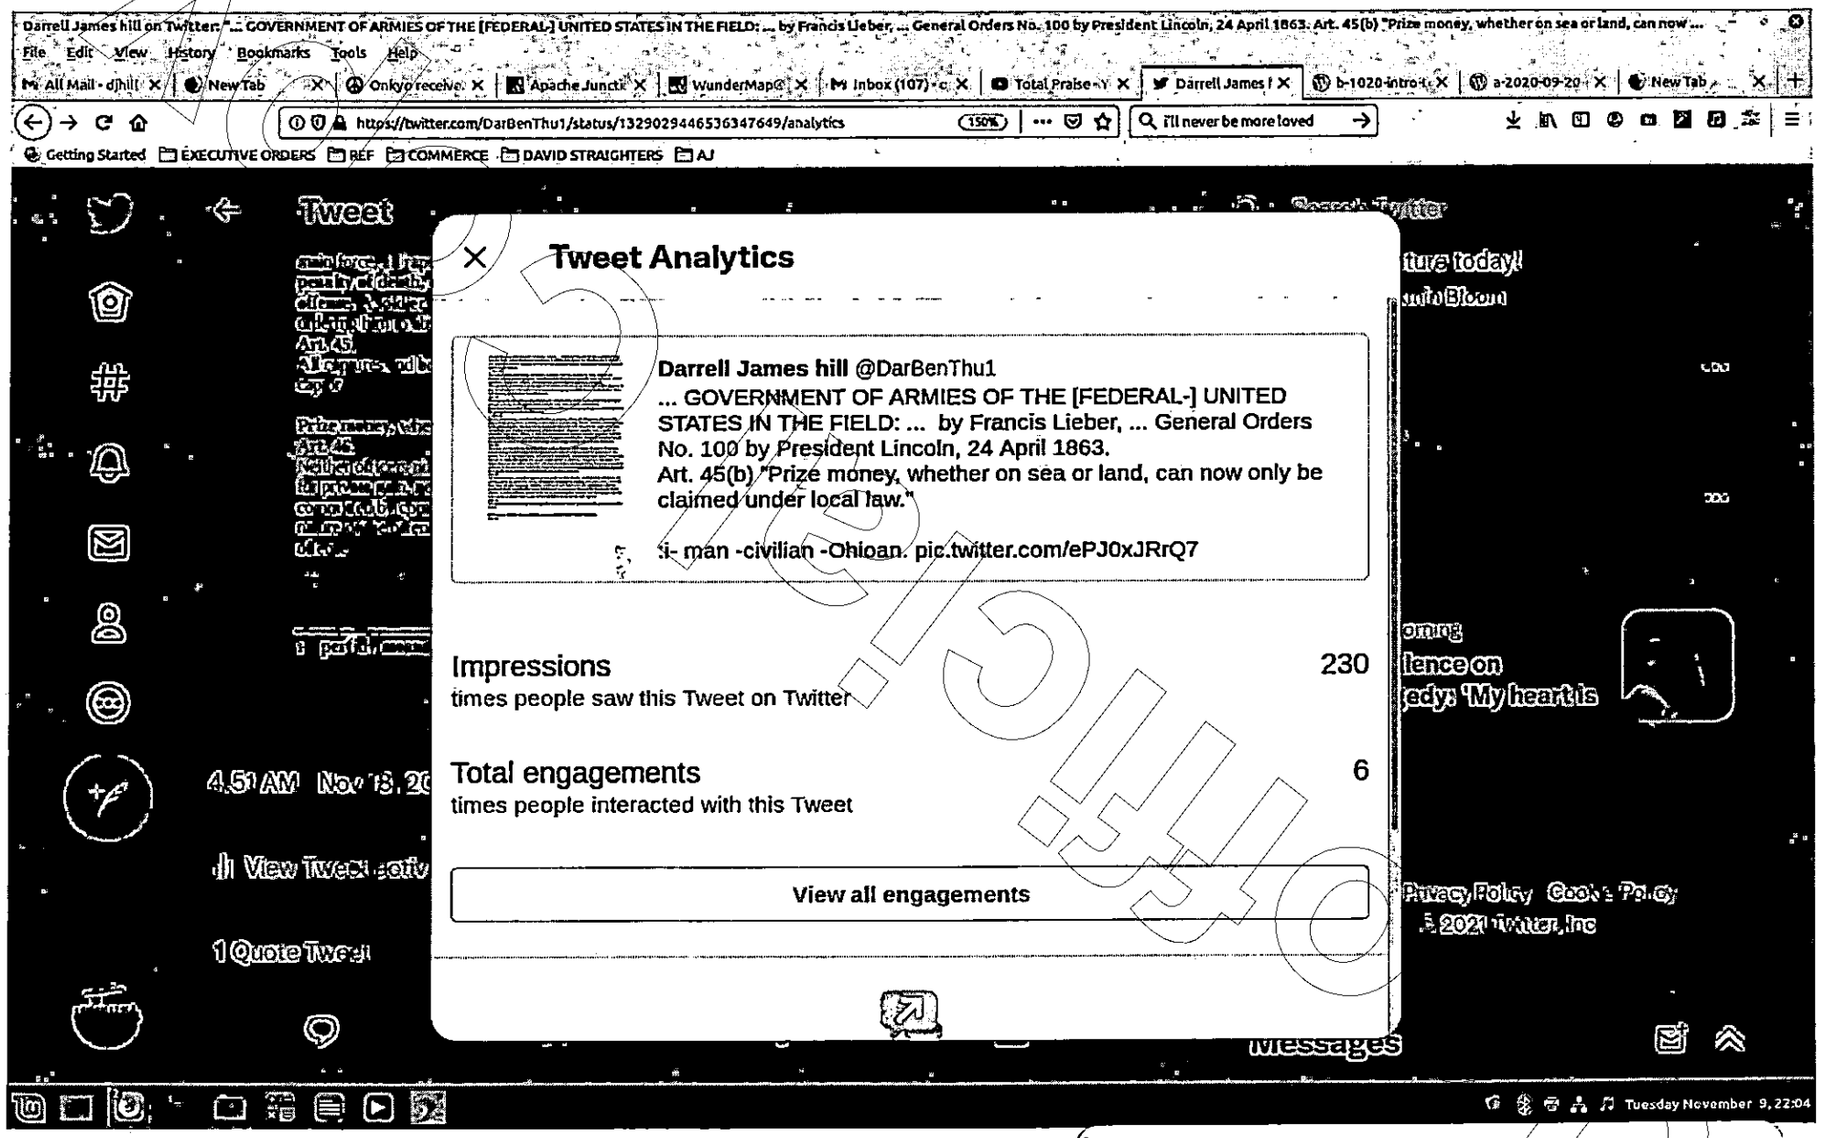
INSTRUCTIONS FOR THE GOVERNMENT OF ARMIES OF THE UNITED STATES IN THE FIELD

Prepared by **Francis Lieber**, promulgated as **General Orders No. 100 by President Lincoln**,



24 April 1863.

... Art. 16.
Military necessity does not admit of cruelty - that is,.... It does not admit of the use of poison in any way, nor of the wanton devastation of a district. It admits of deception, but disclaims acts of perfidy[1]; and, in general, military necessity does not include any act of hostility which makes the return to peace unnecessarily difficult.
... Art. 37.
The United States acknowledge and protect, in hostile countries occupied by them, religion and morality; **strictly private property**; the persons of the inhabitants, especially those of women; and the sacredness of domestic relations. Offenses to the contrary shall be rigorously punished.
This rule does not interfere with the right of the victorious invader to tax the people or their property, to levy forced loans, to billet soldiers, or to appropriate property, especially houses, lands, boats or ships, and churches, for temporary and military uses
Art. 38.
Private property, unless forfeited by crimes or by offenses of the owner, can be seized only by way of military necessity, for the support or other benefit of the army or of the United States.
If the owner has not fled, the commanding officer will cause receipts to be given, which may serve the spoliated owner to obtain indemnity.
... Art. 42.
Slavery, complicating and confounding the ideas of property, (that is of a thing,) and of personality, (that is of humanity,) exists according to municipal or local law only. The law of nature and nations has never acknowledged it. The digest of the Roman law enacts the early dictum of the pagan jurist, that "so far as the law of nature is concerned, all men are equal." Fugitives escaping from a country in which they were slaves, villains, or serfs, into another country, have, for centuries past, been held free and acknowledged free by judicial decisions of European countries, even though the municipal law of the country in which the slave had taken refuge acknowledged slavery within its own dominions.
Art. 43.
Therefore, in a war between the United States and a belligerent which admits of slavery, if a person held in bondage by that belligerent be captured by or come as a fugitive under the protection of the military forces of the United States, such person is immediately entitled to the rights and privileges of a freeman. To return such person into slavery would amount to enslaving a free person, and neither the United States nor any officer under their authority can enslave any human being. Moreover, a person so made free by the law of war is under the shield of the law of nations, and the former owner or State can have, by the law of postliminy, no belligerent lien or claim of service.
Art. 44.
All wanton violence committed against persons in the invaded country, all destruction of property not commanded by the authorized officer, **all robbery, all pillage or sacking**, even after taking a place by main force, all rape, wounding, maiming, or killing of such inhabitants, **are prohibited under the penalty of death, or such other severe punishment as may seem adequate for the gravity of the offense.** A soldier, officer or private, in the act of committing such violence, and disobeying a superior ordering him to abstain from it, may be lawfully killed on the spot by such superior.
Art. 45.
All captures and booty belong, according to the modern law of war, primarily to the government of the captor.

Prize money, whether on sea or land, can now only be claimed under local law.
Art. 46.
Neither officers nor soldiers are allowed to make use of their position or power in the hostile country for private gain, not even for commercial transactions otherwise legitimate. Offenses to the contrary committed by commissioned officers will be punished with cashiering or such other punishment as the nature of the offense may require; if by soldiers, they shall be punished according to the nature of the offense
....

1 **perfidy means:** breach of faith or trust

"American state citizens are owed all the protection of the Geneva Convention Protocols of 1949.
Article 3 of those Conventions makes it a capital crime (death penalty) to change the citizenship status of an American State Citizen to that of United States Citizen, but the perpetrators of the vast fraud scheme have nonetheless contrived to do this via "redefinition" of living people and their property assets as "ESTATES" –that is, corporate entities, which fall within the international jurisdiction of the sea, and which can be attacked at will." [INTRO:]
This manual has many distinguished antecedents that have provided important guidance to the U.S. Armed Forces. For example, General Order No. 100, the Instructions for the Government of Armies of the United States in the Field, commonly known as the Lieber Code, ... President Abraham Lincoln during the Civil War in 1863. ... This manual is an institutional publication and reflects the views of the Department of Defense .... by the DoD Law of War Working Group, which is chaired by a representative of the DoD General Counsel and includes representatives of the Judge Advocates General of the Army, Navy, and Air Force; ... Commandant of the Marine Corps; the offices of the General Counsels of the Military Departments; and the Legal Counsel to the Chairman of the Joint Chiefs of Staff. This manual has been reviewed by principals of these offices.... do not necessarily reflect the views of those Departments or the U.S. Government as a whole.

[p. 327]
5.17 SEIZURE AND DESTRUCTION OF ENEMY PROPERTY.
Outside the context of attacks, certain rules apply to the seizure and destruction of enemy property:
- Enemy property may not be seized or destroyed unless imperatively demanded by the necessities of war;
- Public movable property and certain types of private movable property may customarily be captured as war booty;
- Enemy private movable property that is not susceptible of direct military use may be appropriated only to the extent that such taking is permissible in occupied areas;
- Pillage is prohibited; and
- Feasible precautions should be taken to mitigate the burden on civilians, but there is no obligation to compensate the owners of enemy property that is lawfully damaged.

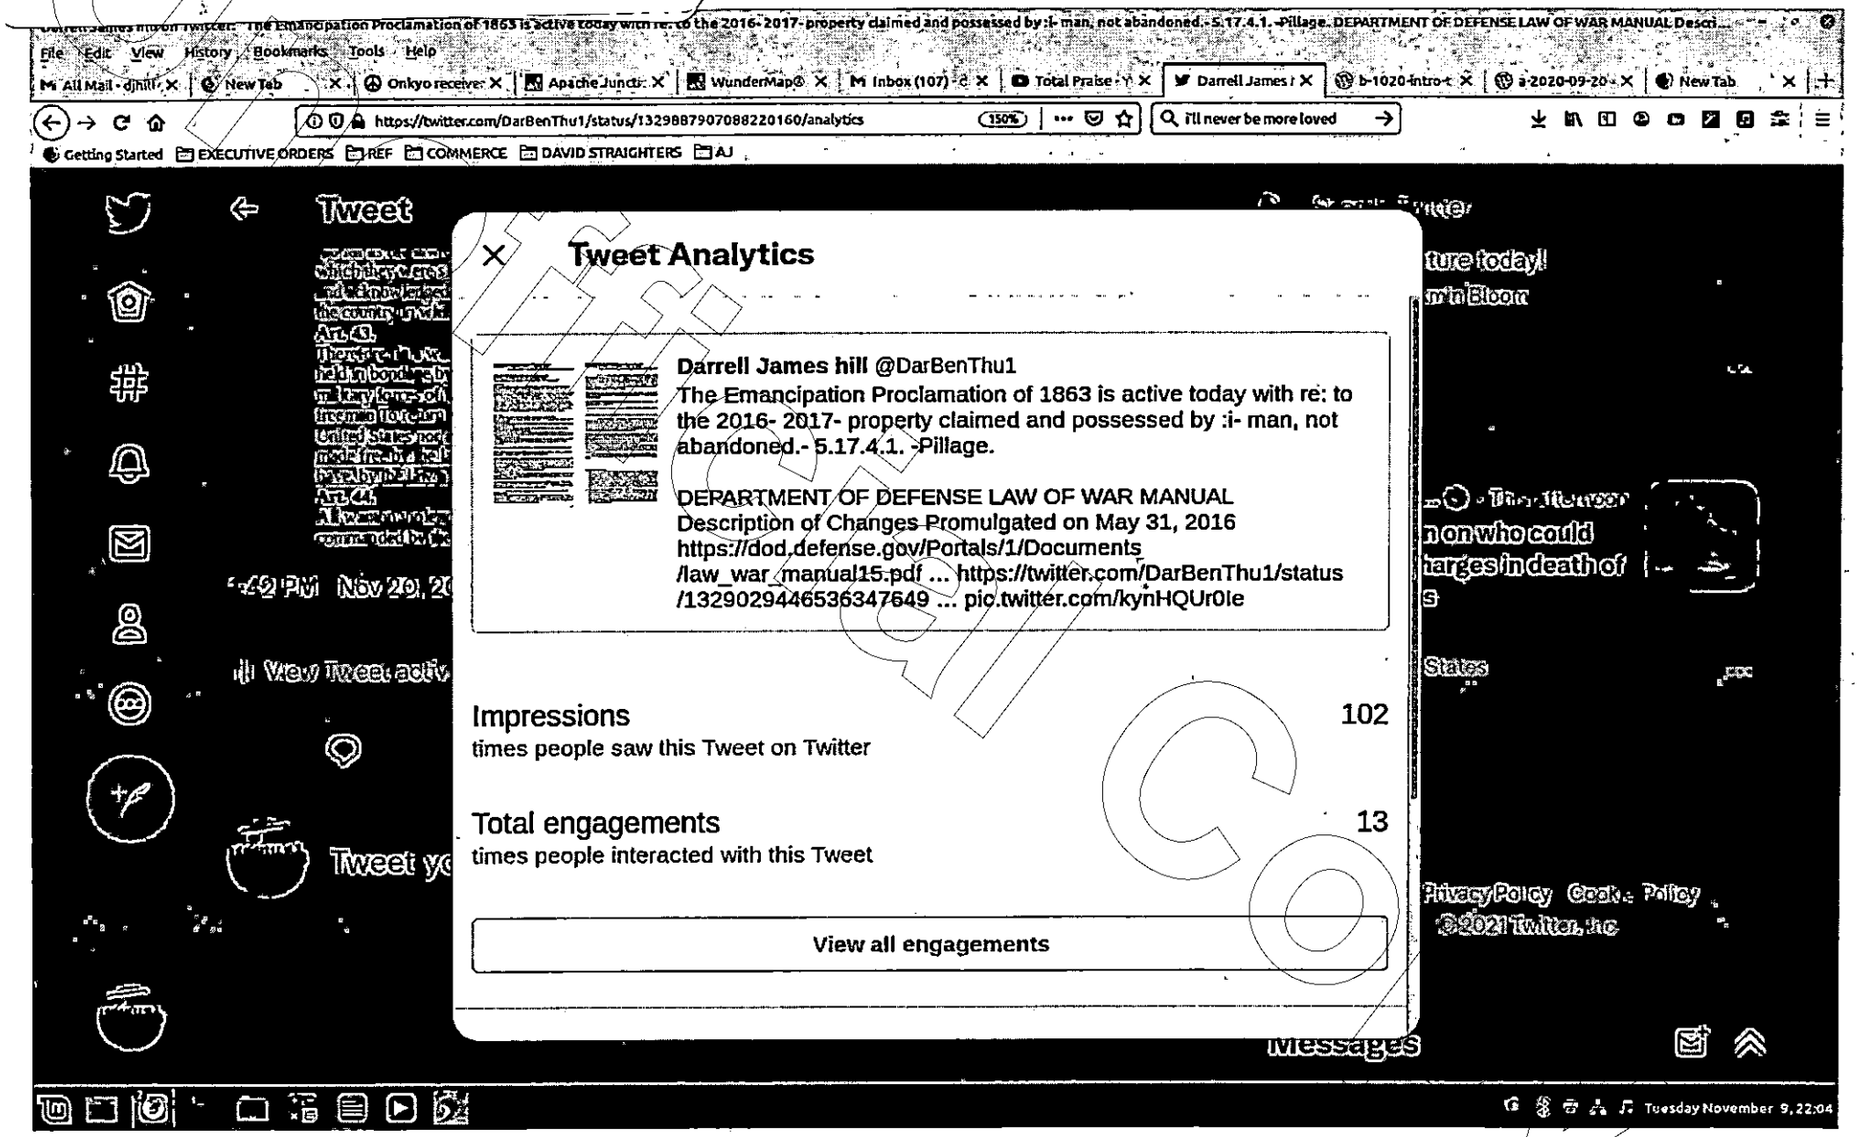
During occupation, other rules relating to the treatment of enemy property apply.

5.17.1 Definition of Enemy Property. All property located in enemy territory is regarded as enemy property regardless of its ownership.

5.17.2 Enemy Property – Military Necessity Standard. Enemy property may not be seized or destroyed unless imperatively demanded by the necessities of war. ... In particular, devastation or destruction may not be pursued as an end in itself. ... The measure of permissible seizure or destruction of enemy property is found in the strict necessities of war. ... There must be some reasonable connection between the seizure or destruction of the enemy property and the overcoming of enemy forces. ...

Extensive destruction and appropriation of property protected by the GC, not justified by military necessity and carried out unlawfully and wantonly, constitutes a grave breach of the GC. ....

5.17.3 Enemy Movable Property on the Battlefield (War Booty). Any enemy public movable property on the battlefield may be seized. ... Property is public if it belongs to the enemy State or an agency of that State. ....



5.17.3.1 Private Military Property Not Susceptible to Direct Military Use.
Private enemy property that is not susceptible to direct military use (e.g., arms, ammunition, military papers, or military equipment) may be appropriated only to the extent such taking is permissible in occupied areas. ... In particular, receipts should be given and compensation paid, when feasible. ...

5.17.3.2 Ownership of Captured or Found Property on the Battlefield. All enemy property that is captured or found on the battlefield becomes the property of the capturing State. ... During international armed conflict, personal property recovered from enemy dead becomes the property of the capturing State for the purpose of returning it to the next-of-kin of the deceased. ... The individual military member or person accompanying the armed forces who captures or finds enemy property acquires no title or claim. ...

Failure to turn over such property to the proper authorities, or disposal of such property for personal profit, is punishable under Article 103 of the Uniform Code of Military Justice,[1]

5.17.4 Pillage Prohibited. Pillage is prohibited, both in general ... and specifically with respect to:
* ...
• persons in occupied territory ... and in areas of non-international armed conflict;
...

In certain cases, there is an affirmative obligation to prohibit and prevent pillage. ...

5.17.4.1 Pillage – Definition and Notes on Terminology.
Pillage is the taking of private or public movable property (including enemy military equipment) for private or personal turn over to the proper authority without delay. he does not acquire any proprietary interest. His taking possession of it is done as an agent of the Government, and if it is not reclaimed by the owner who abandoned it, it belongs to the Government.")....

5.17.5.1 Compensation for Property Seizure or Damage. Although reasonable efforts should be made to spare civilians from unnecessary harm when seizing or destroying enemy property, the law of war imposes no obligation to compensate for loss of, or damage to, private property imperatively demanded by the necessities of war including damage incidental to combat operations. ...
However, if time allows, a record of the use or damage should be kept, or given to the owner, so that in the event of funds being provided by either belligerent at the close of hostilities to compensate the owners, there may be evidence to assist the assessors. ...

As a matter of practice, during counter-insurgency operations, U.S. forces have often made payments to, or taken other actions on behalf of, civilians suffering loss.[2] ...

1 See 10 U.S.C. § 903 ("(a) All persons subject to this chapter shall secure all public property taken from the enemy for the service of the United States, and shall give notice and turn over to the proper authority without delay all captured or abandoned property in their possession, custody, or control. (b) Any person subject to this chapter who—(1) fails to carry out the duties prescribed in subsection (a); (2) buys, sells, trades, or in any way deals in or disposes of captured or abandoned property, whereby he receives or expects any profit, benefit, or advantage to himself or another directly or indirectly connected with himself; or (3) engages in looting or pillaging; shall be punished as a court-martial may direct.").
2 For example, DEPARTMENT OF THE A RMY F IELD M ANUAL 3-24.2, Tactics in Counterinsurgency, ¶7-69 (Apr.2009) ("Recent experiences have shown the effectiveness of using money to win popular support and further the interests and goals of units conducting counterinsurgency operations. ... A counterinsurgency force can use money to ... • Repair damage resulting from combined and coalition operations. • Provide condolence payments to civilians for casualties from combined and coalition operations.").

Providence:

At no time in recent years has the option or man-power presented the nation with this opportunity to affirm and break :all of the bonds that devour our resources and equander our freedoms in our elections and our republic for profit.

Wealth and Greed and Misogyny :We the people do not need another civil war to again benefit the wealthy-greedy-misogynist- profiteers that inhabit our pasts and drink our baby's blood. Rather, we need the full-accounting in the Truth of the Truth, the whole truth, and Nothing but the truth from the Concession of 1213 A.D., et seq.- Declaration of Independence of 1776 A.D. by the power of :Nature and Nature's -God on the footing of that covenantor :in -spirit and :in -truth.

:I man affirm that the aforesaid is the true and correct demand upon the property-claim, and will state same in the open court.

the :Negro-Yisrael, Yisrael, and the Holy-Church, et al.- similarly-situated inhabitants on the Lands of the united States of America,

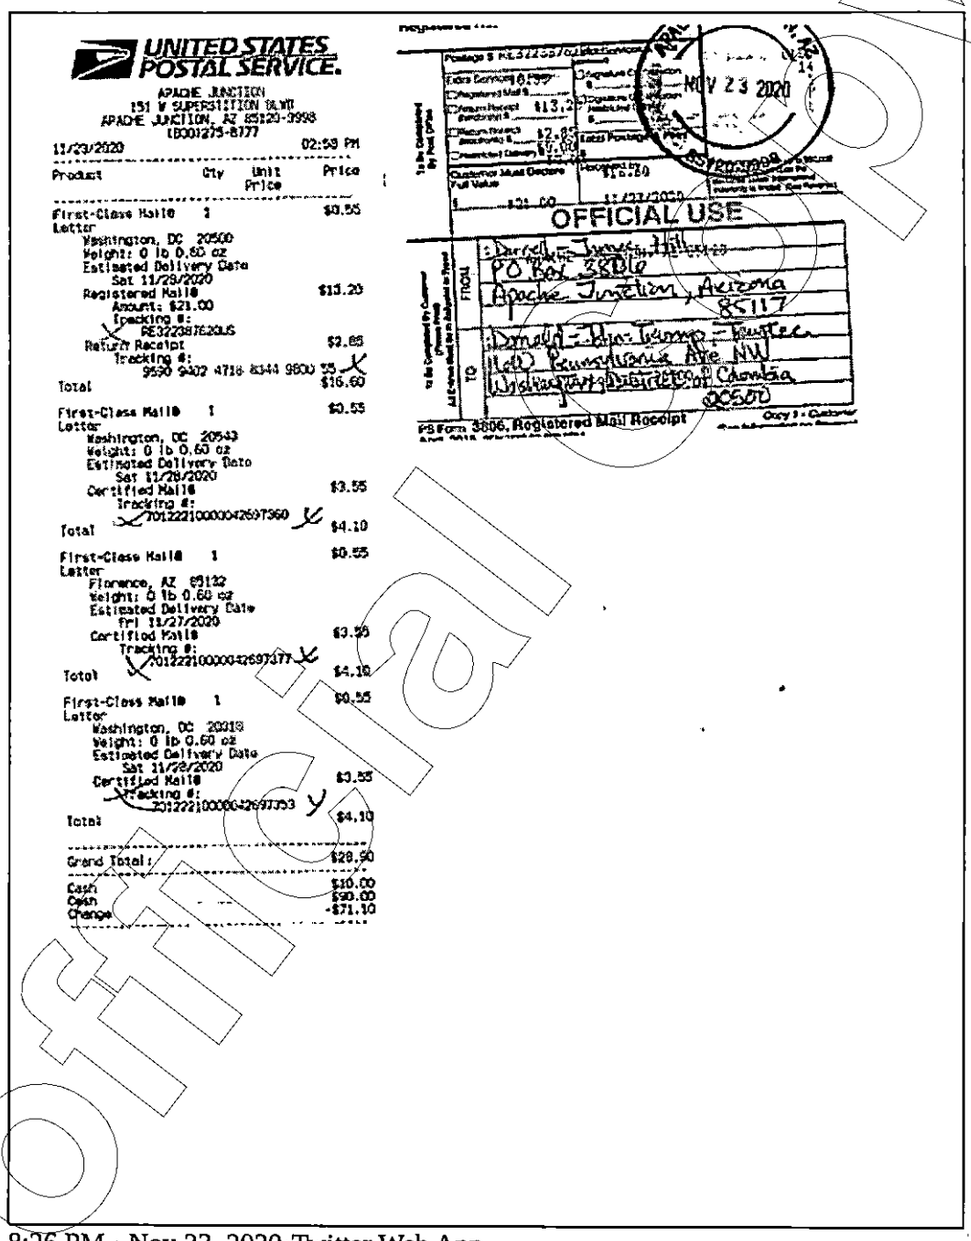
:Authorization to Establish :Lawful -Government:

For that Never-before in the history has been the open malfeasance by the UNITED-STATES-CORP -government- services- provider illuminatically -openly implemented against the people-beneficiaries of the national-trust by the 'UNITED STATES-CORP'-government-services- provider with the policy to steal the every election now-after by any and every corrupt means; this is the ultimate disrespect waged-upon the people-sovereigns of the 'united States of America' adornined by the evidence of same.

These actions by the sitting -UNITED STATES-CORP are noticed by :All of the people and, in-fact, the entire world has witnessed the vitriolic abuse in the occupation of the American-state civilians by country wrong-doings. For example, the continued policy of abuse upon the House of Judah Yisrael, unto the enslavement of :all- people under the EBA-1933-A.D. -legislative-dry-trust, to now the full-force installed by the :UNITED -STATES-Corp. leadership -despicts for its own purposes, with the abandonment of the fiduciary duty and obligations to the defense of the rights and wills of the people- sovereigns of the united States of America.

AFFIRMED: I- man- Executor-beneficiary- sole, and, as :Kinsman-redeemer, according to the Almighty-God, -covenant in the Declaration of Independence of 1776 A.D., declare that the service-provider :UNITED STATES- CORP- DERELICT is demonstratively unfit to maintain the minimum righteous- standard necessary for the trust by the American-state-civilians.

Where, as the election-processes under the UNITED-STATES-Corp, et al.- franchises, and fictitious entities- system has demonstrated itself derelict to honor the sanctity of the fair elections-process with dishonesty for nearly three years with the 'Mueller-investigation'; and, has proven itself, et al.- franchisees, derelict to conduct fair elections for the people of The united States of America, and to prefer the lie; and



Whereas: Donald-John: Trump is: the President for :The United States of America~ unincorporated, 'PFTUSA'~ 1787; as well as the 'President of the :United States of America ~incorporated~, 1863; as well as the 'President of the :UNITED STATES-CORP' of 1933', as elected: 2016 A.D., and:

Where, as the PFTUSA-CIC is the only possible oversight at this time for the vested-system- failure the by UNITED-STATES-Corp -operatives, I- man -:darrell-James: Hill, sovereign- Executor-beneficiary to the Concession of 1213 A.D., et seq.- Declaration of Independence, et seq., and the Kinsman-redeemer for the unalienable-rights of the American-state-civilian and citizen- sovereigns in their right for the guaranteed republican-form- of- :government, ...
I- man -sole, and, as :Kinsman-redeemer, demand and command that:
1) the sitting-President, man- Trustee of :The united States of America, :Donald-John: Trump, must now act without restraint to assure to protect the election-process the day-onward, November 23, 2020 A.D. as the signing, unto;
2) the settle and closure of the EBA-1933-A.D. -property-claimed and possessed by I- man :Darrell-James: Hill, sole, and as the Kinsman-redeemer of the people of the 'united States of America'; and;
3) therewith establish the 'common-law' and disband the 'color of law'; and,
4) therewith establish money with currency redeemable to money and disband the fiat currency- system; and,
5) therewith establish the 'Declaration of Independence of 1776 A.D., et seq.- 'The Constitution for the United States of America of 1787 A.D.,' restored in the full-truth and disclosure.

:This 'awakening -cause' is Complex obligation to meet, but is your ancestors DUTY as the :PFTUSA-CIC, POTUSA-CIC
The PFTUSA-CIC with the POTUSA-CIC and the Army, et al., are the obligors to the Declaration of Independence of 1776 A.D., et seq.- The Constitution for the United States of America, 1787 A.D., EP- 1863-A.D. -demand. :Where, as the 'UNITED-STATES-CORP'- sitting: Trustee; EBA-1933-A.D. is antithetical to new harm
The PFTUSA-CIC mind may only be a civilian non-B.A.R.- member qualified under The Constitution for the United States of America, 1787 A.D. unto the 13th Amendment. Therein: the administration of the nation-trust to the present embarrassment cannot ever-again be distributed- away to the lawyer -B.A.R. -members nor other foreign-governments, etc.- corporation(s).

:Donald-John; I- man now appoint you to achieve this high and lofty goal.
:You-man can do this.

Providence:

At no time in recent years has the option or man-power presented the nation with this opportunity to affirm and break :all of the bonds that devour our resources and squander our freedoms in our elections and our republic for profit.

Wealth and Greed and Misogyny ';We the people' do not need another civil war to again benefit the wealthy-greedy-misogynist- profiteers that inhabit our pasts and drink our baby's blood. Rather, we need the full-accounting in the Truth of the Truth, the whole truth, and Nothing but the truth from the Concession of 1213 A.D., et seq.- Declaration of Independence of 1776 A.D. by the power of :Nature and Nature's -God on the footing of that covenantor :in -spirit and :in -truth.

:I- man affirm that the aforesaid is the true and correct demand upon the property-claim, and will state same in the open court.

the :Negro-Yisrael, Yisrael, and the Holy-Church, et al.- similarly-situated inhabitants on the lands of the united States of America.

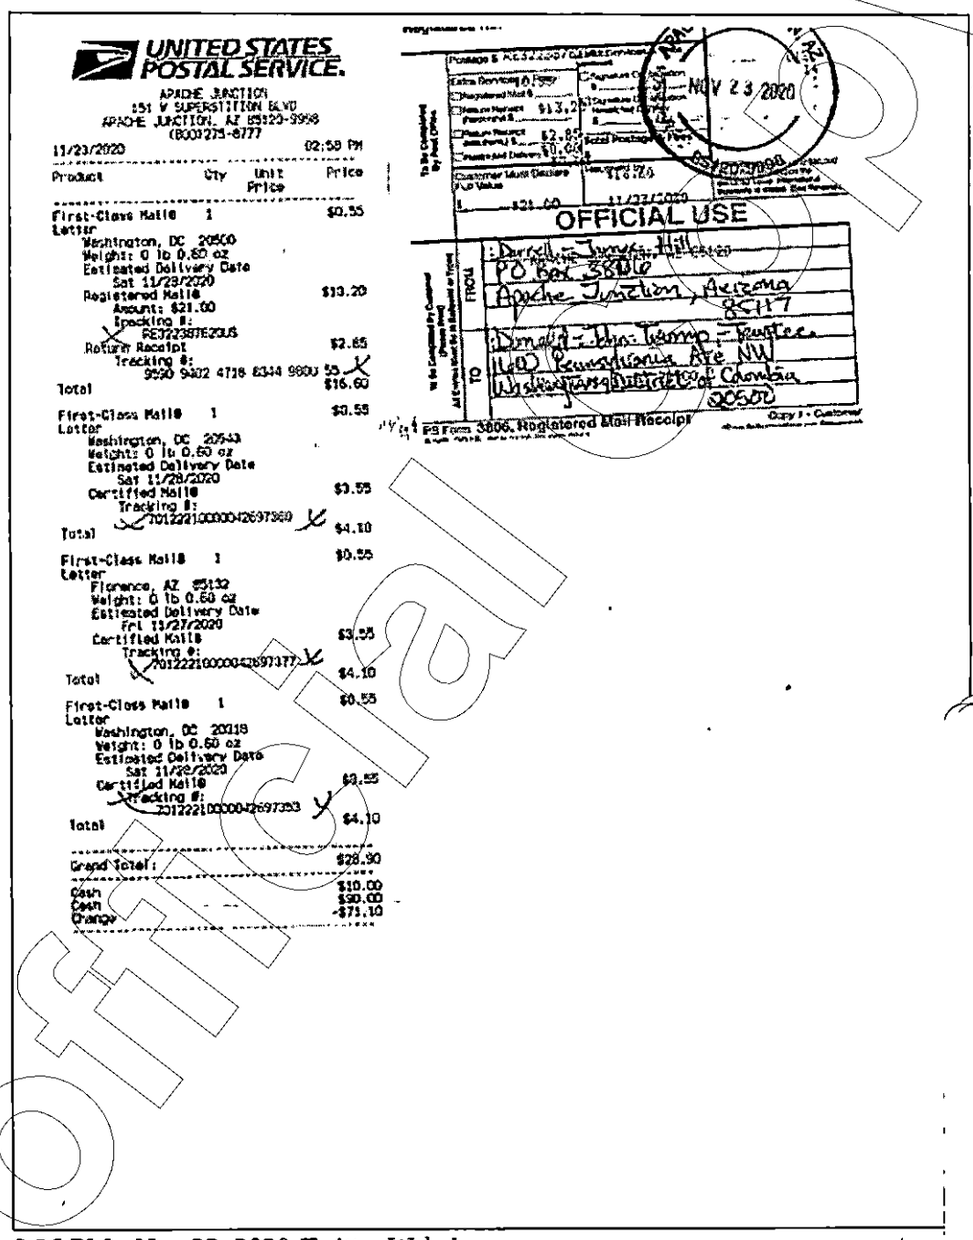
:Authorization to Establish :Lawful :Government:

Yet then Never-before in the history has been the open malfeasance by the UNITED-STATES-CORP -government- services- provider Illuminatically -openly implemented against the people-beneficiaries of the national-trust by the 'UNITED STATES-CORP'-government-services- provider with the policy to steal the every election now-after by any and every corrupt means; this is the ultimate disrespect forged-upon the people-sovereigns of the 'united States of America' determined by the evidence of same.

These actions by the hireling -UNITED STATES-CORP are noticed by :All of the people and, in-fact, the entire world has witnessed the wanton abuse in the usurpation of the American-state-civilians by sundry wrong-doings. For example, the continued policy of abuse upon the House of Judah Yisrael, unto the enslavement of all- people under the EBA-1933-A.D. -legislative-dry-trust, to now the full-force installity the :UNITED -STATES-Corp. leadership- dastards for its own purposes, with the abandonment of the fiduciary duty and obligations to the defense of the rights and wills of the people- sovereigns of the united States of America.

AFFIRMED: I- man- Executor-beneficiary- sole, and, as :Kinsman-redeemer, according to the Almighty-God, -covenant in the Declaration of Independence of 1776 A.D., declare that the service-provider :UNITED STATES- CORP- DERELICT is demonstratively unfit to maintain the minimum righteous- standard necessary for the trust by the American-state-civilians.

Where, as the election-processes under the UNITED-STATES-Corp. et al.- franchisor, and fiat-loan- entities- system has demonstrated itself desirous to honor the sanctity of the fair elections-process with dishonesty for nearly three years with the 'Mueller-investigation'; and, has proven itself, et al.- franchisees, derelict to conduct fair elections for the people of The united States of America, and to prefer the lie; and,



Whereas Donald-John Trump is the President for :The United States of American- unincorporated, 'PFTUSA'- 1787; as well as the 'President of the :United States of America -incorporated-, 1863'; as well as the 'President of the 'UNITED STATES-CORP of 1933', as elected: 2016 A.D., and:

Where, as the PFTUSA-CIC is the only possible overnight at this time for the broad-system- failure the by UNITED-STATES-Corp -apparatus, I- man -:Darrell-James: Hill, sovereign- Executor-beneficiary to the Concession of 1215 A.D., et seq.- Declaration of Independence, et seq., and the Kinsman-redeemer for the unalienable-rights of the American-state-civilian and citizen- sovereignty in their right for the guaranteed republican-form- of- government, ...
I- man -sole, and, as :Kinsman-redeemer, demand and command that:
1) the sitting-President, man- Trustee- of :The united States of America, :Donald-John Trump, must now act without restraint to assure to protect the election-process this day-forward, November 23, 2020 A.D. at this signing, unto:
2) the settle and closure of the EBA-1933-A.D. -property-claimed and possessed by I- man -:Darrell-James: Hill, sole, and as the Kinsman-redeemer of the people of the 'united States of America'; and,
3) therewith establish the 'common-law' and disband the 'color of law'; and,
4) therewith establish money with currency redeemable to money and disband the fiat currency- system; and,
5) therewith establish the 'Declaration of Independence of 1776 A.D., et seq.- The Constitution for the United States of America of 1787 A.D.,' restored in the full-truth and disclosure.

:This 'awakening -reset' is Complex obligation to invoke, but is your accepted DUTY as the :PFTUSA-CIC, POTUSA-CIC.
The PFTUSA-CIC with the POTUSA-CIC and the Army, et al., are the obligors to the Declaration of Independence of 1776 A.D., et seq.- The Constitution for the United States of America, 1787 A.D., EP-1863-A.D. -demand. :Where, as the 'UNITED-STATES-CORP'- hireling: Trustee: EBA-1933-A.D. is antithetical is now harm:
The PFTUSA-CIC must may-only be a civilian non-B.A.R.- member qualified under The Constitution for the United States of America, 1787 A.D. unto the 13th Amendment. Therein the administrators of the nation-trust to the present embarrassment cannot ever-again be distributed- away to the lawyer -B.A.R. -members nor other foreign governments, etc.- corporations(s).

:Donald-John; I- man now appoint you to achieve this high and lofty goal.
:You-man can do this.

TO COLORED MEN!

FREEDOM,

Protection, Pay, and a Call to Military Duty!

... On the 1st day of January, 1863, the President of the United States proclaimed Emancipation to over THREE MILLIONS OF SLAVES. This decree is to be enforced by all the power of the Nation. On the 21st of July last he issued the following order:

PROTECTION OF COLORED TROOPS.

WAR DEPARTMENT, ADJUTANT GENERAL'S OFFICE, Washington, July 30.

General Order, No. 233.

The following order of the President is published for the information and government of all concerned:

EXECUTIVE MANSION, WASHINGTON, July 30, 1863.

... It is the duty of every Government to give protection to its citizens, of whatever class, color, or condition, and especially to those who are duly organized as soldiers in the public service. The law of nations, and the usages and customs of war, as carried on by civilized powers, permit no distinction as to color in the treatment of prisoners of war as public enemies. To sell or enslave any captured person on account of his color, in a country where slavery exists, and to punish the offense by the death of the op...

The Government of the United States will give the same protection to all its soldiers, and will treat every man and every officer of its army precisely alike. If the enemy shall sell or enslave any one because of his color, the offense shall be punished by retaliation upon the enemy's prisoners in our possession. It is, therefore, ordered, for every soldier of the Rebel States killed in violation of the laws of war, a rebel soldier shall be executed; and for every one enslaved by the enemy, or sold for slave, a rebel soldier shall be placed at hard labor on the public works, and remain at such labor until the soldier shall be exchanged and returned to the ranks of the prisoners of war.

ABRAHAM LINCOLN.

By order of the Secretary of War:

E. D. TOWNSEND, Assistant Adjutant General.

That the President is in earnest the rebels soon began to find out, as witness the following order from his Secretary of War:

WAR DEPARTMENT, Washington City, August 3, 1863.

Sir: Your letter of the 31st inst., stating the intention of this Department in the cases of Dick W. Brown, William H. Johnson, and Wm. Wilson, commissioned and organized as the 54th Regiment Massachusetts Volunteers. This Department has directed that the colored prisoners of South Carolina, if there be any such in our possession, and if not, then others, be mustered in to some service and held as hostages for Brown, Johnson, and Wilson, and that the fact be communicated to the rebel authorities at Richmond.

I am, respectfully your obedient servant,

EDWIN M. STANTON, Secretary of War.

The Hon. Gideon Welles, Secretary of the Navy.

And retaliation will be our practice now—man for man—to the bitter end.

LETTER OF CHARLES SUMNER,

Written with reference to the Convention held at Poughkeepsie, July 14th and 15th, 1863, to promote Colored Enlistments.

BOSTON, July 13th, 1863.

... I doubt if, in these past, our country could be so exposed from colored men any patriotic service. Such service is the surest protection; and now that protection has begun, our services should begin also. If we should refuse rights and duties be dealt with simply. If to escape that our country, aroused at last to a sense of justice, seeks to avail colored men among its defenders.

... If my counsels should reach such passages, I would say: enlist at once. Now is the day and now is the hour. Help to overthrow your fiercest enemies who trembles against your country, and in this way you will surely overthrow those other enemies hardly less great, here at home, who will still seek to enslave you. This is not the time to hesitate or to ...

Do your duty as our country, and you will put an champion of generous enfranchisement which will conquer prejudice and stand the fourth.

Very faithfully yours,

CHARLES SUMNER.

TO COLORED MEN!

FREEDOM,

Protection, Pay, and a Call to Military Duty!

On the 1st day of January, 1863, the President of the United States proclaimed Freedom to over Three Millions of Slaves. This decree is to be enforced by all the power of the Nation. On the 21st of July last he issued the following order:

PROTECTION OF COLORED TROOPS.

WAR DEPARTMENT, ADJUTANT GENERAL'S OFFICE, Washington, July 30.

General Order, No. 233.

The following order of the President is published for the information and government of all concerned:

EXECUTIVE MANSION, Washington, July 30, 1863.

It is the duty of every Government to give protection to its citizens, of whatever class, color, or condition, and especially to those who are duly organized as soldiers in the public service. The law of nations, and the usages and customs of war, as carried on by civilized powers, permit no distinction as to color in the treatment of persons captured in war as public enemies. To sell or enslave any captured person on account of his color, or for any reason whatsoever, and to punish him for his color, is a relapse into barbarism, and a crime against the civilization of the age.

The Government of the United States will give the same protection to all its soldiers, and if the enemy shall sell or enslave any one because of his color, the offense shall be punished by retaliation upon the enemy's prisoners in our possession. It is, therefore, the duty of every officer in the United States, high or low, to see that the persons of the troops of color, and their white officers, shall be treated in accordance with the usages and laws of war; a violation of which will be punished severely. If any one, soldier or citizen, shall molest, or do violence to any person in the service of the United States, in violation of the laws of war, such violence will be punished severely, by the sentence of a military court. If any one shall be found guilty of enslaving, or selling into slavery, any soldier of the United States, or any person in the military service thereof, he will be executed upon conviction thereof, and the commander of any force by which such violence shall be committed is expected to execute the sentence to the letter. And the President will hold every officer who shall have charge of any troops of the United States, who shall refuse to execute any just order given him in the premises, responsible that it be executed with promptness and fidelity.

ABRAHAM LINCOLN.

By order of the Secretary of War:

E. D. TOWNSEND, Assistant Adjutant General.

That the President is in earnest the rebels soon began to find out, as witness the following order from the Secretary of War:

WAR DEPARTMENT, Washington City, August 8, 1863.

Sir: Your letter of the 3d inst., calling the attention of this Department to the cases of Gen. H. Brown, William H. Johnston, and Wm. Wilson, three colored men captured on the gunboat Isaac Smith, has received consideration. This Department has deemed that these rebel prisoners of South Carolina, by whose testimony, and if not, from others, we convicted in close custody and held as hostages for Brown, Johnston and Wilson, and that the fact be communicated to the rebel authorities at Richmond.

Very respectfully your obedient servant,

LEWIS W. STANTON, Secretary of War.

The Hon. Gustav. Vasa, Secretary of the Navy.

And retaliation will be our practice now—man for man—to the bitter end.

LETTER OF CHARLES SUMNER,

Written with reference to the Convention held at Poughkeepsie, July 13th and 14th, 1863, to promote Colored Enlistments.

BOSTON, July 13th, 1863.

I doubt if, in times past, one century could have witnessed such a crime as now prevails over the country. Men were dragged from their homes, who never should have been disturbed. It is enough that one recruiter, unmindful or not of a system of justice, broke in upon a family and carried off one of its members. Of my successor should attack such passages, I would say: notice at once. Now is the day and now is the hour. Help by every good word and deed and thus will add much to dispatch you. This is not the time to hesitate or to linger. Be your duty as one unanimous and you will put an immediate end to all these outrages which will remain forever a disgrace and upon all hands.

Very faithfully yours,

CHARLES SUMNER.

Providence:

At no time in recent years has the option or man-power presented the nation with this opportunity to affirm and break :all of the bonds that devour our resources and squander our freedoms in our elections and our republic for profit.

Wealth and Greed and Misogyny :We the people' do not need another civil war to again benefit the wealthy-greedy-misogynist- profiteers that inhabit our pasts and drink our baby's blood. Rather, we need the full-accounting in the Truth of the Truth, the whole truth, and Nothing but the truth from the Concession of 1213 A.D., et seq.- Declaration of Independence of 1776 A.D. by the power of :Nature and Nature's -God on the footing of that covenantor :in -spirit and :in -truth.

:I man affirm that the aforesaid is the true and correct demand upon the property-claim, and will state same in the open court.

the :Negro-Yzrael, Yzrael, and the Holy-Church, et al.- similarly-situated inhabitants on the lands of the united States of America,

:Authorization to Establish :Lawful :Government:

For that Never-before in the history has been the open malfeasance by the UNITED-STATES-CORP -government- services- provider Unanimously -openly implemented against the people-beneficiaries of the national-trust by the 'UNITED STATES-CORP'-government-services- provider with the policy to steal the every election now-after by any and every corrupt means; this is the ultimate disrespect forged-upon the people-sovereigns of the 'united States of America' determined by the evidence of crime.

These actions by the hireling :UNITED STATES-CORP are noticed by :All of the people and, in-fact, the entire world has witnessed the wanton abuse in the usurpation of the American-state civilians by sundry wrong-doings. For example, the continued policy of abuse upon the House of Judah/ Yisrael, unto the enslavement of all- people under the EBA-1933-A.D. -legislative-dry-trust, to now the full-force acted-by the :UNITED -STATES-Corp. leadership -zionists for its own purposes, with the abandonment of the fiduciary duty and obligations to the defense of the rights and vote of the people- sovereigns of the united States of America.

AFFIRMED: I- man- Executor-beneficiary- sole, and, as :Kinsman-redeemer, according to the Almighty-God, -covenant in the Declaration of Independence of 1776 A.D., declare that the service-provider :UNITED STATES- CORP- DERELICT is demonstratively unfit to maintain the minimum righteous- standard necessary for the trust by the American-state-civilians.

\\Here, as the election-processes under the UNITED-STATES-Corp, et al.- franchises, and fictitious entities- system has demonstrated itself derelict to honor the sanctity of the fair election-process with dishonesty for nearly three years with the 'Muellerite-religion'; and, has proven itself, et al.- franchisees, derelict to conduct fair elections for the people of The united States of America, and to prefer the lie; and,

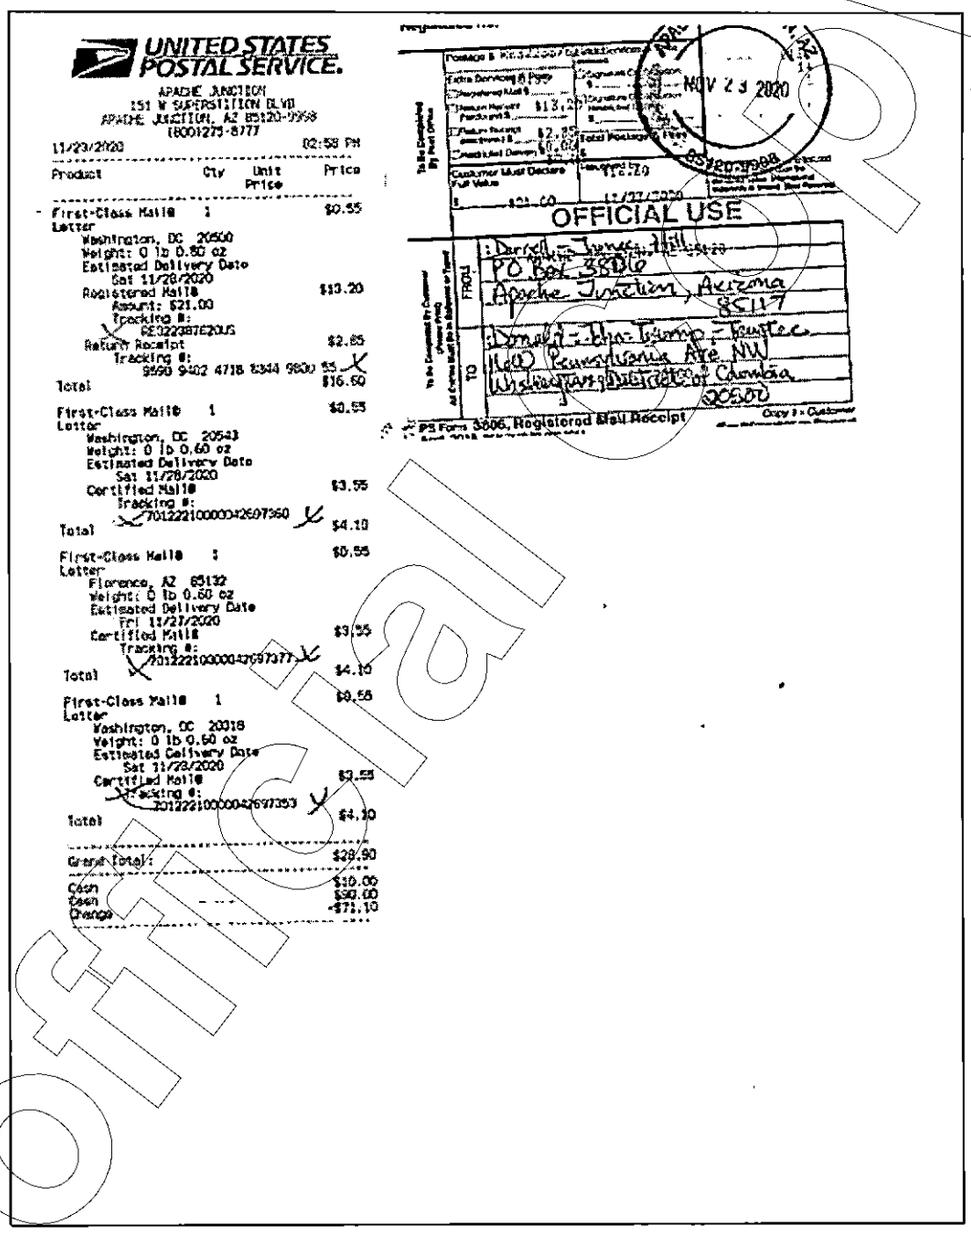
\\Whereas: Donald-John: Trump as the President for :The United States of America- unincorporated, 'PFTUSA'~ 1787; as well as the 'President/of the :United States of America ~incorporated~, 1867; as well as the 'President of the :UNITED STATES-CORP of 1933', as elected: 2016 A.D., and:

\\Here, as the PFTUSA-CIC is the only possible oversight at this time for this broad-system- failure the by UNITED-STATES-Corp -apparatus, I- man -named-James: Hill, sovereign- Executor-beneficiary to the Concession of 1213 A.D., et seq.- Declaration of Independence, et seq., and the Kinsman-redeemer for the unalienable-rights of the American-state-civilian and citizen- sovereigns as their right for the guaranteed republican-form-of- government, ...
I- man -sole, and, as :Kinsman-redeemer, demand and command that:
1) the sitting-President, now- Trustee of :The united States of America, :Donald-John: Trump, must now act without restraint to attend to protect the election-process this day-forward, November 23, 2020 A.D./at the signing, unto:
2) the settle-and closure of the EBA-1933-A.D. -property-claimed and possessed by I- man -:Darrell-James: Hill, sole, and as the Kinsman-redeemer of the people of the 'united States of America'; and,
3) therewith establish the 'common-law' and demand the 'color of law'; and,
4) therewith establish money with currency redeemable to money and disband the fiat currency- system; and,
5) Therewith establish the 'Declaration of Independence of 1776 A.D., et seq.- The Constitution for the United States of America of 1787 A.D.,' restored in the full-truth and disclosure.

:This 'awakening -reset' is Complex obligation to read, but is your accepted DUTY as the :PFTUSA-CIC, POTUSA-CIC

The PFTUSA-CIC with the POTUSA-CIC and the Army, et al., are the obligors to the Declaration of Independence of 1776 A.D., et seq.- The Constitution for the United States of America, 1787 A.D., EP-1863-A.D. -demand. :Where, as the 'UNITED-STATES-CORP'- trading: Trustee; EBA-1933-A.D. is antithetical is non-form.

The PFTUSA-CIC must may-only be a civilian non-B.A.R.- member qualified under The Constitution for the United States of America, 1787 A.D. unto the 13th Amendment. Therein: the administration of this nation-trust to the present embarrassment cannot ever-again be distributed-away to the lawyer -B.A.R. -members nor other foreign governments, etc.- corporation(s).



:Donald-John; I- man now appoint you to achieve this high and lofty goal.
